**CONFIRMATION OF ASSIGNMENT OF SERVICE MARKS,
SERVICE MARK REGISTRATIONS AND ACCOMPANYING GOODWILL**

This Confirmation of Assignment of Service Marks, Service Mark Registrations and Accompanying Goodwill (this "Confirmation of Assignment") is entered into as of July 5, 2011 by and between Fast Transact, Inc., a Washington corporation (the "Assignor"), and FrontStream Fast Transact, LLC, a Delaware corporation (the "Assignee") in order to confirm the assignment of service marks and accompanying rights accomplished by that certain Asset Purchase Agreement, dated as of January 31, 2010, by and between Assignor, Fast Transact Canada, Inc., and Assignee (the "Agreement"). Capitalized terms used in this Confirmation of Assignment and not otherwise defined herein shall have the meanings ascribed in the Agreement.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, all of Assignor's worldwide rights, title and interest in and to the service marks identified in Schedule A attached hereto (the "Marks"), any registrations therefore throughout the world and any renewals or extensions of such registrations, and all rights, including all common law rights, and registrations therein and therefore in any other country or locality worldwide, together with the goodwill of the business in connection with which the Marks are used and which is symbolized by the Marks and the resulting right to recover damages and profits for past, present or future infringements or unauthorized uses thereof, with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment and sale had not been made.

Assignor agrees to execute and deliver at the request of Assignee, any papers, instruments and assignments reasonably necessary to vest in Assignee all of Assignor's right, title and interest in and to the Marks and the registration(s) therefore and/or to provide evidence to support such assignment in the event such evidence is deemed necessary by Assignee, to the extent such evidence is in the possession or control of Assignor.

Notwithstanding anything to the contrary contained herein, the terms of this Confirmation of Assignment are subject to the terms, provisions, conditions and limitations set forth in the Agreement, and this Confirmation of Assignment is not intended to alter the rights or obligations of the parties to the Agreement. In the event of any inconsistencies between the terms of this Confirmation of Assignment and the terms of the Agreement, and with respect to matters addressed in the Agreement but not addressed herein, the parties hereto agree that the terms of the Agreement shall control.

This Confirmation of Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute only one instrument.
