ASSIGNMENT OF TRADEMARK RIGHTS

This Assignment of Trademark Rights (the "Assignment") dated as of June 30, 2011 (the "Effective Date") is made by Alaven Pharmaceutical LLC, a Delaware limited liability company ("Assignor"), to ANIP Acquisition Company, a Delaware corporation ("Assignee").

WHEREAS, Assignor is the owner of the trademark, and all registrations and applications therefor pending or subsisting in the United States of America, Canada and Mexico (the "Territory"), specified in Schedule A attached (the "Trademark");

WHEREAS, pursuant to the Asset Purchase Agreement, dated as of June 30, 2011, by and among Meda Pharmaceuticals Inc., Assignor, and Assignee (the "Agreement"), Assignee is acquiring the entire business to which the Trademark pertains;

WHEREAS, Assignee is desirous of acquiring the entire and exclusive right, title and interest in and to the Trademark in the Territory; and

WHEREAS, Assignor is willing to assign to Assignee all rights, title and interest in and to the Trademark in the Territory.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged:

1. Assignor hereby assigns to Assignee all rights, title and interests in and to the Trademark in the Territory, together with (i) the registrations of the Trademark in the Territory and (ii) the goodwill of the business symbolized by and associated with the Trademark and such registrations in the Territory. This assignment includes an assignment of all rights to (A) sue and recover damages for (and all profits and interests associated with) past and future infringement or dilution of Assignor's rights in the Trademark in the Territory, the registrations thereof or the goodwill symbolized by or associated with the Trademark or such registrations in the Territory, (B) bring any proceeding in the United States Patent and Trademark Office or any equivalent agency in any other country in the Territory for cancellation or opposition, or other proceeding, in connection with the Trademark and (C) to collect any income, royalties and payments arising after the Closing Date by virtue of the use thereof in the Territory. The rights, title and interests are to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

2. Miscellaneous.

a. Assignor further covenants that it will execute and deliver, from time to time after the date hereof upon the reasonable request of Assignee, such further documents, papers, forms, and authorizations and will take all other actions that may be necessary for securing, completing or vesting in Assignee the ownership of the Trademark in the Territory, to the fullest extent possible.

b. This Assignment shall be exclusively interpreted in accordance with and governed by the laws of the State of Delaware, without regard to its conflicts of law provisions.

c. This Assignment shall be binding upon and inure to the benefit of Assignor and Assignee and their respective successors and assigns.

d. Assignor represents that it has taken all necessary action to authorize the execution and delivery of this Assignment.

e. This Assignment is executed to implement, and not to modify, the Agreement. In the event that any provision of this Assignment be construed to conflict with any provision in the Agreement, the provision in the Agreement shall control.
