TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is made as of April 8, 2011 by and between Valeant International (Barbados) SRL, an international society with restricted liability established under the laws of Barbados (the "Assignor"), and Chantilly Biopharma LLC, a limited liability company established under the laws of Delaware (the "Assignee").

WHEREAS, pursuant to that certain Assignment Agreement between Assignor and Assignee, dated as of April 8, 2011 (the "Assignment Agreement"), Assignor has agreed to assign, transfer and convey to Assignee, and Assignee has agreed to assume from Assignor, all of Assignor's rights, title and interest in and to the Acquired Intellectual Property (as defined in the Assignment Agreement), including the Trademarks (as defined below); and.

WHEREAS Assignor owns all right, title and interest to certain trademarks, the applications and/or registrations for which are set forth in Schedule A (collectively, the "Trademarks"); and

WHEREAS Assignor wishes to effect the assignment of all right, title and interest to the Trademarks to Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign to Assignee, its successors, assigns and legal representatives, the entire, full and exclusive right, title and interest in and to the Trademarks, together with the good will of the business symbolized by the Trademarks and any applications and/or registrations therefore, and the right (but not the obligation) to assert the Trademarks and to collect for all past, present and future infringements, and claims for damages and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world by reason of any past and future acts of infringement that have occurred or may occur.

Assignor hereby authorizes and requests the appropriate governmental officials to issue any and all such Trademarks resulting from any of said applications thereof, to the Assignee, as the assignee of the entire right, title and interest in and to the same.

AND the Assignor hereby represents, warrants and covenants that it has the full right to convey the entire interest herein assigned, that it has not executed and will not execute any instrument or assignment in conflict herewith, and that the rights assigned herein are not otherwise encumbered by any grant, license or right.

AND the Assignor, on behalf of itself and its executors and administrators, does hereby covenant and agree to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications and other instruments as may reasonably be required or deemed necessary by the Assignee, its successors, assigns, nominees or other legal representatives, to secure to and obtain the Trademarks, and vest the same in said Assignee, its successors, assigns, nominees or other legal representatives.
