**NOTICE OF GRANT OF SECURITY
INTEREST IN PATENTS AND TRADEMARKS**

The undersigned, MPI Acquisition, Inc., a Delaware limited liability company to be renamed Micro Precision, LLC, having its chief executive office and principal place of business at 1102 Windham Road, South Windham, Connecticut 06266 (the "Grantor"), has, on the date hereof, granted to People's United Bank, a federally-chartered savings bank, having a banking office at 255 Bank Street, Waterbury, Connecticut 06702-2219 (the "Lender"), a continuing first priority lien and security interest in:

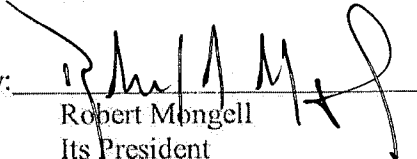

All of Grantor's right, title and interest in and to all of the following: (i) all patents, whether United States or foreign, that are owned by Grantor or in which Grantor has any ownership right, title or interest, now or in the future, including, but not limited to (a) the patent(s) listed on Schedule A attached hereto (as the same may be hereafter amended/supplemented); (b) all letters patent of the United States or any other country, and all applications for letters patent of the United States or any other country; (c) all re-issues, continuations, divisions, continuations-in-part, renewals or extension of such patents; (d) the inventions disclosed or claimed therein, including the right to make, use, practice and/or sell (or license or otherwise transfer or dispose of) the inventions disclosed or claimed therein; and (e) the right (but not the obligation) to make and prosecute applications for such patents (collectively, the "Patents"); (ii) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names, all licenses relating to any of the foregoing and all income and royalties with respect to any business (including such marks, names and applications described on Schedule A), whether registered or unregistered and wherever registered (collectively, the "Trademarks"); (iii) any and all past, present or future rights and interests of Grantor pursuant to any and all past, present and future licensing agreements granted by Grantor, pertaining to the Patents and/or Trademarks, used by third parties in the past, present or future, including the right to enforce, and sue and recover for, any past, present or future breach or violation of any such licensing agreement; (iv) all additions, improvements, and accessions to, all substitutions for and replacements of, and all products and proceeds (including insurance proceeds) of any and all of the foregoing;

pursuant to the terms of a certain Loan and Security Agreement dated as of September 16, 2011, by and between Grantor and Lender (the "Loan and Security Agreement"), to secure Grantor's indebtedness to Lender under the terms of the Loan and Security Agreement.

Dated this 16th day of September, 2011.
