THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is made and entered into as of the 22nd day of September, 2011, by PROMONTORY INTERFINANCIAL NETWORK, LLC, a Delaware limited liability company and PROMNETWORK SERVICES LLC, a Delaware limited liability company (each, a "Borrower" and collectively, the "Borrowers"), in favor of EAGLEBANK, a Maryland banking institution, or its successors and assigns (the "Lender"), having offices at 2001 K Street, N.W., Washington, DC 20006. Capitalized terms used but not defined herein shall have the meanings attributed to such terms in that certain Loan Agreement dated of even date herewith (as the same may be modified, amended or restated from time to time, the "Loan Agreement"), by and between the Lender and the Borrowers.

WITNESSETH:

To secure repayment of a credit facility (collectively, the "Loan") made by the Lender to the Borrowers pursuant to the Loan Agreement, in the maximum principal amount of Ten Million and No/100 Dollars (\$10,000,000.00), plus all interest, fees and other charges payable in connection with the Loan, which Loan is evidenced by the Note; and also to secure any other indebtedness, Obligations or liability of the Borrowers to the Lender, whether direct or indirect, joint, several, joint and several, absolute or contingent, due or to become due or now existing or hereafter created or arising, including without limitation all future advances or loans which may be made to the Borrowers at the option of the Lender in connection with the Loan (all of the foregoing being herein collectively referred to as the "Indebtedness"), the Borrowers hereby grant and convey to the Lender a continuing security interest in all of the Borrowers' right, title and interest in and to the following (the "Collateral");

(a) all trademarks, trade names, Internet domain names, service marks (collectively, "Marks"), mask works, copyrights, patents, and any applications therefor and registrations thereof; licenses (to the extent assignable), and other intellectual property, which, in each case, are owned by any Borrower and are now or hereafter filed with the United States Patent and Trademark Office, the United States Copyright Office or, to the extent applicable, any similar office or agency of any state, territory or possession of the United States or any similar office or agency of any other country, or used in the United States, any state, territory or possession thereof or any other country, including, without limitation, the patents, patent applications, registrations for Marks, applications for Marks, copyright registrations, copyright applications, licenses and other intellectual property listed on Schedule 1 attached hereto and made a part hereof, and (i) any and all reissues, renewals, extensions, continuations, continuations-in-part and divisions thereof; (ii) any and all income, royalties, damages and payments now or hereafter due or payable with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringement thereof; (iii) the right to sue for past, present and future infringement thereof; and (iv) any and all rights corresponding thereto throughout the world (all of the foregoing of this subparagraph (a), are sometimes hereinafter referred to, either individually or collectively, as the "Intellectual Property"); and

(b) the goodwill of the Borrowers' business connected with and symbolized by the Intellectual Property.

In connection with the security interest hereby granted and executed, the Borrowers jointly and severally represent, warrant, covenant and agree as follows:

1. License.

(a) Grant of License to the Lender. Each Borrower hereby grants to the Lender a non-exclusive, assignable right and license (i) under the Intellectual Property, to use such Intellectual Property following the occurrence of an Event of Default (as defined in Section 8 of this Agreement) which has continued unremedied beyond any applicable notice and/or grace period; (ii) under any license agreements held by any Borrower with respect to Intellectual Property owned by any person or entity other than a Borrower (to the extent permitted under such agreements), to sell Collateral bearing any such Intellectual Property (to the extent that such license is reasonably necessary to permit or to facilitate the collection of any accounts of any Borrower) following the occurrence of an Event of Default which has continued unremedied beyond any applicable notice and/or grace period, and (iii) to dispose of any Collateral following the occurrence of an Event of Default which has continued unremedied beyond any applicable notice and/or grace period. The right and license granted pursuant to this subparagraph (the "License") shall not require payment by the Lender of any royalty or other payments or fees, and the permitted use by the Lender thereunder shall be (A) worldwide, and (B) limited only by those restrictions to which such Borrower is subject pursuant to the terms of the Intellectual Property.

(b) Term of License. The term of the License (the "License Term") shall continue until the earliest of (i) the expiration of all of the Intellectual Property, or (ii) payment in full of all Indebtedness and the termination of all commitments under the Loan Documents; or (iii) disposition of all Collateral and any proceeds thereof in connection with the enforcement of the Lender's remedies under the Loan Documents and application of the proceeds of such disposition to the satisfaction of the Indebtedness.

2. Restrictions on Future Agreements. Until payment in full of the Indebtedness and termination of all commitments under the Loan Documents, no Borrower will, without the Lender's prior written consent, (a) enter into any agreement (including, without limitation, any license agreement) that would result in a breach or default hereunder; (b) take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action (including, without limitation, the abandonment of any Intellectual Property material to the operation of such Borrower's business), that would affect the validity or enforceability of the rights transferred to the Lender under this Agreement; or (c) enter into any other contractual indebtedness which may restrict or inhibit the Lender's right to sell or otherwise dispose of the Collateral or any part thereof after the occurrence of an Event of Default.

3. New Intellectual Property. Each Borrower represents and warrants that the Intellectual Property listed on Schedule 1 constitutes all of the registered patents, patent applications, registrations for Marks, applications for Marks, copyright registrations, copyright applications and licenses (collectively, the "Registered Intellectual Property") which are, as of the date hereof, owned by or pending on behalf of such Borrower in the United States or any State of the United States. If, before the payment in full of the Indebtedness and termination of all commitments under the Loan Documents, any Borrower shall (i) obtain any registration or apply for any registration after the date hereof in the United States Patent and Trademark Office or in any similar office or agency of a state, territory or possession of the United States, or obtain rights to Registered Intellectual Property, or (ii) become entitled to the benefit of any Registered Intellectual Property, then, in any such event, the provisions of Section 1 shall automatically apply thereto and such Borrower shall give to the Lender prompt written notice thereof (but in all events within thirty (30) days of any event described in clauses (i) and (ii) above). Each Borrower hereby authorizes the Lender to modify this Agreement by amending Schedule 1 to include any such future Registered Intellectual Property, as applicable.

4. Additional Representations and Warranties. The Borrowers, jointly and severally hereby represent, warrant, covenant and agree that:

(a) Each Borrower is and will continue to be the owner of all rights, title and interests in and to the Collateral so long as the Intellectual Property shall continue in force, free from any lien in favor of any person or entity.

(b) Each Borrower has the full right, power and authority to grant the security interest and license in the Collateral made hereby.

(c) No Borrower has made any previous assignment, transfer or agreements in conflict herewith or constituting a present or future assignment, transfer or encumbrance of any of the Collateral.

(d) To the best of the Borrowers' knowledge, no material infringement or unauthorized use presently is being made of any material Intellectual Property which would adversely affect the fair market value of the Collateral or the benefits of this Agreement, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of the Lender hereunder, and the Borrowers will continue to maintain such monitoring and enforcement practices as may be reasonably necessary to protect the Collateral. The Borrowers have advised the Lender of their intellectual property monitoring and enforcement practices, and will not materially modify such practices without the prior written consent of the Lender.

(e) All material Intellectual Property is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and each Borrower has performed all acts and has paid all renewal, maintenance, and other fees and taxes required to maintain all material Registered Intellectual Property in full force and effect.

(f) No holding, decision, or judgment has been rendered in any action or proceeding before any court or administrative authority challenging the validity of any Borrower's right to register, or any Borrower's rights to own or use, any Intellectual Property and no such action or proceeding is pending or, to the best of each Borrower's knowledge, threatened.

5. The Lender's Right to Maintain Quality. Each Borrower agrees that from and after the occurrence of an Event of Default which has continued unremedied beyond any applicable notice and/or cure period, the Lender shall have the right to establish such additional quality controls as the Lender, in its judgment, may deem necessary to assure maintenance of the quality of services sold by such Borrower under the Intellectual Property. Each Borrower agrees (i) not to sell or assign any of its interest in, or to grant any license under, any Intellectual Property without the prior written consent of the Lender if such sale or assignment is (a) to an affiliated or related party other than the other Borrower; (b) not on market terms; or (c) prohibited by any provision of the Loan Agreement; (ii) to maintain the quality of any and all services in connection with which the material Intellectual Property is used, consistent with the quality of such services as of the date hereof; and (iii) to provide the Lender, upon request, with a certificate of an officer of such Borrower certifying such Borrower's compliance with the foregoing.

6. Duties of the Borrowers. Each Borrower shall (i) prosecute diligently any patent application, application for a Mark, and copyright application that is now or hereafter material to such Borrower's business operations and part of the Intellectual Property and which application is pending as of the date hereof; (ii) make application on patents, Marks, and copyrights, as appropriate, which are or may hereafter be material to such Borrower's business operations; (iii) preserve and maintain all rights in all Intellectual Property material to such Borrower's business operations; (iv) not abandon any right to file a material patent application, application for a Mark and copyright application nor any pending material patent application, application for a Mark or copyright application without the prior written consent of the Lender if the value thereof could reasonably be expected to justify the cost of obtaining such patent,

registration of a Mark or copyright registration; and (v) not abandon any material Intellectual Property. Any expenses incurred in connection with the applications referred to in this Section 6 shall be borne by such Borrower.

If any Borrower fails to comply with any of the foregoing duties, the Lender may so comply in such Borrower's name to the extent permitted by law, but at such Borrower's expense, and each Borrower hereby agrees to reimburse the Lender in full for all reasonable and documented expenses, including the reasonable fees and disbursements of attorneys incurred by the Lender in protecting, defending and maintaining the Collateral and/or the Lender's security interest therein.

In the event that any Borrower shall fail to pay when due any fees required to be paid by it hereunder, or shall fail to discharge any lien or encumbrance prohibited hereby, or shall fail to comply with any other duty hereunder, the Lender may, but shall not be required to, pay, satisfy, discharge or bond the same for the account of such Borrower, and all moneys so paid out shall be Indebtedness of such Borrower repayable on demand, with interest after demand at the Default Rate as specified in the Note.

Each Borrower shall take all action necessary to preserve and maintain the validity, perfection and first priority of the Lender's security interest granted herein in the Collateral.

7. The Lender's Right to Sue. From and after the occurrence of an Event of Default which has continued unremedied beyond any applicable notice and/or grace period, the Lender shall have the right, but shall in no way be obligated, to bring suit in its own name or in any Borrower's name to enforce the Collateral (or its security interest therein), and any licenses thereunder, and if the Lender shall commence any such suit, such Borrower shall, at the request of the Lender, do any and all lawful acts and execute any and all proper documents required by the Lender in aid of such enforcement, and such Borrower shall indemnify and upon demand, promptly reimburse the Lender for all reasonable costs and expenses incurred by the Lender in the exercise of its rights under this Section 7.

8. Default; Remedies.

(a) For purposes of this Agreement, an Event of Default under the Loan Agreement shall constitute an "Event of Default" hereunder.

(b) Upon the occurrence of any Event of Default which has continued unremedied beyond any applicable notice and/or grace period, the Lender shall be entitled to exercise in respect of the Collateral, in addition to other rights and remedies provided for herein, in the Loan Agreement and other Loan Documents or otherwise available to it, all of the rights and remedies of a secured party under the UCC, whether or not the UCC applies to the affected Collateral, and also may (i) require each Borrower, and each Borrower hereby agrees that, in order to facilitate a foreclosure sale and subsequent transfer, it will, upon the request of the Lender, forthwith, execute and deliver an assignment, substantially in the form of Exhibit A hereto, of all of its right, title and interest in and to the Collateral, and take such other action as the Lender may request to effectuate the outright assignment of such Collateral or to exercise, register or further perfect and/or protect the Lender's rights and remedies with respect to such assigned Collateral; (ii) without notice (except as specified below) sell the Intellectual Property and the goodwill of the businesses related thereto or any part thereof in one or more parcels at public or private sale, at any of the Lender's offices or elsewhere, for cash, on credit or for future delivery, and upon such terms as the Lender may deem commercially reasonable; (iii) require such Borrower to cease its use of any Intellectual Property for any purpose whatsoever; and (iv) grant such general, special or other license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as the Lender shall in its sole discretion deem appropriate. If the proceeds from the sale or enforcement of the Collateral are insufficient to satisfy all of the Obligations in full, Borrowers shall remain fully obligated

for any deficiency. Each Borrower agrees that at least ten (10) days' notice to such Borrower of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Lender shall not be obligated to make any sale of the Collateral regardless of notice of sale having been given. The Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Subject to the applicable provisions of the UCC, the Lender may purchase all or any part of the Collateral at public or private sale and, in lieu of actual payment of the purchase price, may set-off the amount of such price against the Indebtedness. The proceeds realized from the sale of any Collateral shall be applied first to the reasonable costs, expenses and attorneys and paralegal fees and expenses of collection and/or for acquisition, protection and sale of the Collateral; second to interest due upon any of the Indebtedness; and third to the principal of the Indebtedness. If any deficiency shall remain, the Borrowers shall remain liable to the Lender therefor. The commencement of any action, legal or equitable, or the rendering of any judgment or decree for deficiency shall not affect the Lender's security interest in the Collateral until the Indebtedness is fully paid. Each Borrower agrees that the Lender has no obligation to preserve rights to Collateral against any other parties.

9. Miscellaneous Provisions.

(a) Notice. Any notice, approval, consent or other communication shall be in the form and manner, and to the addresses, as set forth in the Loan Agreement.

(b) Headings. The various headings in this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of this Agreement or any provision hereof.

(c) Amendments. No amendment, modification or waiver of, or consent with respect to, any provision of this Agreement shall be effective unless the same shall be in writing and signed and delivered by the Lender and Borrowers.

(d) No Waiver. No delay in enforcing or failure to enforce any right under this Agreement by the Lender shall constitute a waiver by the Lender of such right. No waiver by the Lender of any default hereunder shall be effective unless in writing, nor shall any waiver operate as a waiver of any other default or of the same default on a future occasion.

(e) Interpretation of Agreement. If any provision of this Agreement should be found to be invalid or unenforceable, all of the other provisions shall nonetheless remain in full force and effect to the maximum extent permitted by law. To the extent a term or provision of this Agreement conflicts with the Loan Agreement and is not dealt with more specifically herein, the Loan Agreement shall control with respect to such term or provision. Unless the context clearly indicates to the contrary, determinations regarding the materiality of any Intellectual Property or of act, event, condition or circumstance shall be in the reasonable judgment of the Lender.

(f) Continuing Security Interest. This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until termination of this Agreement pursuant to Section 9(j) hereof; (ii) be binding upon each Borrower and its successors and assigns; and (iii) inure, together with the rights and remedies of the Lender hereunder, to the benefit of the Lender and its successors, transferees and assigns. All representations, warranties and covenants of the Borrowers contained herein shall survive the execution and delivery of this Agreement, and shall terminate only upon termination of this Agreement pursuant to Section 9(j) hereof.

(g) Reinstatement. This Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any amount received by the Lender in respect of the Indebtedness is rescinded or must otherwise be restored or returned by the Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or upon the appointment of any intervenor or conservator of, or trustee or similar official for, such Borrower or any substantial part of its assets, or otherwise, all as though such payments had not been made.

(h) Final Expression. This Agreement, together with the Loan Agreement, the Loan Documents and any other agreement executed in connection herewith, is intended by the parties as a final expression of their agreement and is intended as a complete and exclusive statement of the terms and conditions thereof with respect to the subject matter thereof. Acceptance of or acquiescence in a course of performance rendered under this Agreement shall not be relevant to determine the meaning of this Agreement even though the accepting or acquiescing party had knowledge of the nature of the performance and opportunity for objection.

(i) Power of Attorney. Each Borrower hereby appoints and constitutes the Lender as such Borrower's attorney-in-fact, upon and at any time after the occurrence of an Event of Default which has continued unremedied beyond any applicable notice and/or grace period, for purposes of (i) endorsing such Borrower's name on all applications, documents, papers and instruments necessary or desirable for the Lender in connection with the use of the Collateral, including, without limitation, the assignment substantially in the form of Exhibit A hereto; (ii) taking any other action with respect to the Collateral as the Lender deems in its best interest; (iii) granting or issuing any exclusive or non-exclusive license under the Collateral to anyone; or (iv) assigning, pledging, conveying or otherwise transferring title in or dispose of the Collateral to anyone, and taking any other actions arising from or incident to the powers granted to the Lender in this Agreement. This power of attorney is coupled with an interest and is irrevocable.

(j) Termination of Agreement. This Agreement shall terminate automatically upon the termination of the Loan Agreement and payment in full of all of the Indebtedness and the termination of all commitments under the Loan Documents. Upon such termination, the Lender's security interest in the Collateral hereunder shall be released and all rights therein shall revert to the Borrowers. The Lender shall, at the request and expense of the Borrowers, following such termination, file all necessary releases to reflect such termination (including terminations or partial terminations, as applicable, of the financing statements filed in connection herewith) and reassign and redeliver to the Borrowers all of the Collateral hereunder which has not been sold, disposed of, retained or applied by the Lender in accordance with the terms hereof. Such reassignment and redelivery shall be without warranty by or recourse to the Lender, and shall be at the expense of the Borrowers.

(k) Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which shall together constitute one and the same agreement. Each party hereto agrees to be bound by its facsimile or pdf signature.

(l) Governing Law. The validity, interpretation and enforcement of this agreement and any dispute arising out of or in connection with this agreement, whether sounding in contract, tort, equity or otherwise, shall be governed by the internal laws (as opposed to the conflicts of laws provisions) and decisions of the State of Maryland.

(m) JURY TRIAL. THE BORROWERS AND THE LENDER HEREBY WAIVE ANY RIGHT TO A TRIAL BY JURY. INSTEAD, ANY DISPUTES WILL BE RESOLVED IN A BENCH TRIAL.

IN WITNESS WHEREOF, the Borrowers have duly executed and delivered this Agreement as of the day and year first above written.
