SHORT-FORM IP SECURITY AGREEMENT

THIS SHORT-FORM IP SECURITY AGREEMENT (this "*Short Form Agreement*") is made and entered into as of September 9, 2011 by MAC DADDY LICENSING GROUP, INC., a Georgia corporation ("*Borrower*"), and GENERAL ELECTRIC CAPITAL CORPORATION, a Delaware corporation, in its capacity as administrative agent for the Secured Parties (as defined in the Credit Agreement defined below), including any successor administrative agent under the Credit Agreement ("*Administrative Agent*").

PRELIMINARY STATEMENTS:

Pursuant to a Credit Agreement dated as of the date of this Agreement among Administrative Agent, the Lenders party thereto ("*Lenders*"), Borrower and certain affiliates of Borrower, and one or more additional parties (as the same may be amended, supplemented, extended or renewed from time to time, the "*Credit Agreement*"), Lenders have agreed to make certain loans to Borrower and certain affiliates of Borrower described in the Credit Agreement (collectively, the "*Loans*"). Capitalized terms used in this Agreement and not defined in this Agreement have the meanings given to such terms in the Credit Agreement.

Pursuant to the Credit Agreement, Borrower and Administrative Agent have agreed to enter into this Short Form Agreement to evidence the grant of the security interests in Borrower's Intellectual Property to Administrative Agent and certain other rights with respect to Borrower's Intellectual Property, subject to the terms, provisions and conditions of the Credit Agreement.

AGREEMENT:

1. Security Interest. Subject to the terms and conditions of the Credit Agreement, as collateral security for the prompt and complete payment and performance of the Obligations, Borrower hereby grants to Administrative Agent, for the benefit of Lenders, a security interest in and Lien upon all of Borrower's Intellectual Property, whether now owned or hereafter acquired, or in which it now has or at any time in the future may acquire any right, title, or interest, including all Intellectual Property in which it now has or at any time in the future may acquire any right, title or interest, including, without limitation, the trademarks listed on the attached *Exhibit A*, and any and all goodwill of the Borrower connected with the use of and symbolized by the trademarks.

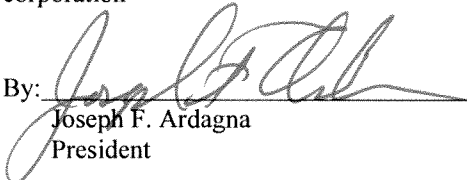

2. Grant of License. Subject to the terms and conditions of the Credit Agreement, Borrower hereby grants to Administrative Agent an irrevocable, non-exclusive license (exercisable upon the occurrence and during the continuance of an Event of Default without payment of royalty or other compensation to Borrower) to use, transfer, license or sublicense any Intellectual Property now owned, licensed to, or hereafter acquired by Borrower, including, without limitation, the trademarks listed on the attached *Exhibit A*, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, and represents, promises and agrees that any such license or sublicense is not and will not be in conflict with the contractual or commercial rights of any third Person; provided that such license will terminate on the cure of any such Event of Default or the payment in full of all Obligations and release of Administrative Agent's Lien on the Collateral.

3. Incorporation by Reference; Filing Purposes Only. All of the terms and provisions of the Credit Agreement are incorporated by reference into this Short Form Agreement. This Short Form Agreement is intended to be filed with the United States Patent and Trademark Office only, and does not modify, supersede, diminish, add to or change all or any of the terms of the Credit Agreement in any respect.

4. Counterparts. This Short Form Agreement may be executed in one or more counterparts, each of which shall be deemed an original.

EXECUTED as of the date written on the first page of this Short Form Agreement.
