**TRADEMARK SECURITY AGREEMENT**

**TRADEMARK SECURITY AGREEMENT** (this "Agreement") dated as of September 1, 2011, is made by **IRON BOW TECHNOLOGIES, LLC**, a Virginia limited liability company ("Grantor"), in favor of **WELLS FARGO CAPITAL FINANCE, LLC**, a Delaware limited liability company as Collateral Agent (the "Collateral Agent") for the benefit of the Administrative Agents and the Holders of Secured Obligations.

Reference is made to (a) the Credit Agreement, dated as of the date hereof, (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") among the Grantor, Iron Bow Holdings, Inc., a Delaware corporation ("IBH"), Iron Bow Merger Sub, Inc., a Delaware corporation ("IBMS," together with IBH, the "Additional Grantors"), certain Lenders, Castle Pines Capital LLC, a Delaware limited liability company as an administrative agent and a lender, and Wells Fargo Capital Finance, LLC as the collateral agent and as an administrative agent, and (b) the Security Agreement, dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among Grantor, the Additional Grantors, and the Collateral Agent for the benefit of the Administrative Agents and the Holders of Secured Obligations.

WHEREAS, the Lenders have agreed to extend credit to the Grantor and the Additional Grantors, subject to the terms and conditions set forth in the Credit Agreement; and

WHEREAS, the Grantor and the Additional Grantors have secured their obligations under the Credit Agreement pursuant to the Security Agreement; and

WHEREAS, the obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement; and

WHEREAS, the Grantor and the Additional Grantors will derive substantial benefits from the extension of credit pursuant to the Credit Agreement and Grantor is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit.

NOW THEREFORE, accordingly, the parties hereto agree as follows:

1. Terms. Capitalized terms used herein that are not otherwise defined herein shall have the meaning and definition ascribed to such terms in the Credit Agreement.

2. Grant of Security Interest. To secure the prompt and complete payment, observance and performance of the Secured Obligations, Grantor, pursuant to the Security Agreement, hereby grants to the Collateral Agent, for the benefit of the Administrative Agents and the Holders of Secured Obligations, a security interest in the following (collectively, the "Trademark Collateral"):

(a) all rights and interests in and to trademarks, service marks, trademark or service mark registrations and applications therefor (provided that no security interest shall be granted in any applications for trademarks or service marks filed in the U.S. Patent and Trademark Office (the "PTO") pursuant to 15 U.S.C. §1051 Section 1(b) unless and until evidence of use of the mark in interstate commerce is submitted to the PTO pursuant to 15 U.S.C. §1051 Section 1(c) or Section 1(d)), including, without limitation those described on Schedule I attached hereto;

(b) trade names, corporate names, brand names, slogans, and domain names;

(c) and all proceeds of, and goodwill associated with, the foregoing.

3. Security Agreement. The security interests granted to the Collateral Agent for the benefit of the Administrative Agents and the Holders of Secured Obligations herein are granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent, for the benefit of the Administrative Agents and the Holders of Secured Obligations pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent for the benefit of the Administrative Agents and the Holders of Secured Obligations with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

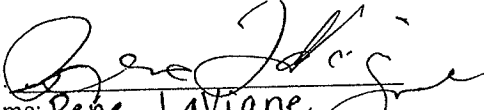

4. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same agreement.

5. Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by and construed and interpreted in accordance with the internal Laws of the State of New York applicable to contracts made and to be performed wholly within such state, without regard to choice or conflicts of law principles; except that the provisions of this Agreement pertaining to the creation or perfection of Security Interests or the enforcement of rights of Collateral Agent, Administrative Agents, Lenders and any other Holders of Secured Obligations in Collateral located in a State other than the State of New York shall be governed by the Laws of such State. This Agreement is solely for the benefit of the parties hereto and their respective successors and assigns, and no other Person shall have any right, benefit, priority or interest under, or because of the existence of, this Agreement.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Trademark Security Agreement as of the day and year first above written.
