TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (the "**Security Agreement**") made as of this 30th day of September, 2011 by and among CONTINENTAL COMMERCIAL PRODUCTS, LLC, a Delaware limited liability company ("**Continental**"), and GLIT/GEMTEX, LTD., a corporation formed under the laws of the Province of Ontario ("**Glit/Gemtex**"; together with Continental, the "**Grantors**" and each individually, a "**Grantor**") in favor of THE PRIVATEBANK AND TRUST COMPANY ("**Lender**").

W I T N E S S E T H

WHEREAS, Grantors, 3254018 Nova Scotia Limited, a company formed under the laws of the Province of Nova Scotia ("Nova Scotia; and collectively with Grantors, the "**Borrowers**"), Katy Industries, Inc., a Delaware corporation, the other Loan Parties from time to time party thereto, and Lender are parties to a certain Loan and Security Agreement of even date herewith (as amended, amended and restated or otherwise modified from time to time, the "**Loan Agreement**") and other related loan documents of even date herewith (collectively, with the Loan Agreement, and as each may be amended or otherwise modified from time to time, the "**Financing Agreements**"), which Financing Agreements provide (i) for Lender to, from time to time, extend credit to or for the account of Borrowers and (ii) for the grant by each Grantor to Lender of a security interest in certain of such Grantors' assets, including, without limitation, such Grantor's trademark registrations and trademark applications;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. Incorporation of Financing Agreements. The Financing Agreements and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Loan Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, each Grantor hereby grants to Lender, and hereby reaffirms its prior grant pursuant to the Financing Agreements of, a continuing security interest in each Grantor's entire right, title and interest in and to all of its now owned or existing and hereafter acquired or arising trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) in connection therewith, including, without limitation, the trademark registrations and applications listed on Schedule A attached hereto and made a part hereof and the trademarks, and renewals thereof, and all income, royalties, damages and payments now or hereafter due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue for past, present and future infringements of any of the foregoing (all of the foregoing are

sometimes hereinafter individually and/or collectively referred to as the “**Trademarks**”); all rights corresponding to any of the foregoing throughout the world and the goodwill of the Borrower’s business connected with the use of and symbolized by the Trademarks; provided, that no security interest is hereby granted to Lender in any of the foregoing items to the extent it constitutes Excluded Property; provided, further, that if and when such item shall cease to be Excluded Property, a lien on and security in such item shall automatically be deemed granted therein. Notwithstanding anything contained herein to the contrary, none of the property and assets of Glit/Gemtex in which Lender has been granted a security interest shall secure the Obligations of Continental or Nova Scotia.

3. Warranties and Representations. Each Grantor warrants and represents to Lender that:

(i) None of its Trademarks have been adjudged invalid or unenforceable by a court of competent jurisdiction nor have any of its Trademarks been cancelled, in whole or in part and each such Trademark is presently subsisting;

(ii) To the knowledge of such Grantor, such Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of its Trademarks, free and clear of any liens (other than Permitted Liens), charges and encumbrances, including without limitation, shop rights and covenants by such Grantor not to sue third persons;

(iii) Such Grantor has no notice of any suits or actions commenced or threatened with reference to any Trademark which is reasonably likely to have a Material Adverse Effect; and

(iv) Such Grantor has the unqualified right to execute and deliver this Security Agreement and perform its terms.

4. Restrictions on Future Agreements. Except as otherwise set forth herein, each Grantor agrees that until Borrowers’ Obligations (other than Hedging Obligations and unasserted contingent obligations) shall have been paid in full, all Letters of Credit are returned to the L/C Issuer for cancellation or are Cash Collateralized and the Financing Agreements shall have been terminated (except for such provisions that by their terms survive the termination of the Loan Agreement), such Grantor shall not, without the prior written consent of Lender, such consent not to be unreasonably withheld, sell or assign its interest in any Trademark or enter into any other agreement with respect to any Trademark which would affect the validity or enforcement of the rights transferred to Lender under this Security Agreement.

5. New Trademarks. Each Grantor represents and warrants that, based on a diligent investigation by such Grantor, the Trademarks listed on Schedule A constitute all of the federally registered Trademarks, and federal applications for registration of Trademarks (other than “intent to use” applications until a verified statement of use is filed with respect to such applications) now owned by such Grantor. If, before Borrowers’ Obligations (other than Hedging Obligations and unasserted contingent obligations) shall have been satisfied in full or before the Financing Agreements have been terminated, any Grantor shall (i) become aware of any existing Trademarks of which such Grantor has not previously informed Lender, or (ii)

become entitled to the benefit of any Trademarks, which benefit is not in existence on the date hereof, the provisions of this Security Agreement above shall automatically apply thereto and such Grantor shall promptly, but not later than the next required delivery of a compliance certificate under the Loan Agreement give Lender written notice thereof. Notwithstanding the foregoing, the terms of this Security Agreement shall not apply to any license of a Trademark hereafter acquired by such Grantor solely in the event that: (i) as the result of the security interest granted herein, such Grantor's rights in or with respect to such license would be forfeited or would become void, voidable, terminable or revocable, or if such Grantor would be deemed to have breached, violated or defaulted such agreement that governs such license; and (ii) any such restriction shall be effective and enforceable under applicable law (any license meeting the requirements of the foregoing shall be considered a "**Restricted General Intangible**"); provided, however, that the terms of this Security Agreement shall extend to (y) any and all proceeds of Restricted General Intangibles and (z) any item of Restricted General Intangibles upon any applicable party's consent thereto. Each Grantor hereby authorizes Lender to modify this Security Agreement by amending Schedule A to include any such Trademarks.

6. Term. The term of this Security Agreement shall extend until the payment in full of Borrowers' Obligations (other than Hedging Obligations and unasserted contingent obligations), all Letters of Credit are returned to the L/C Issuer for cancellation or are Cash Collateralized and the termination of the Financing Agreements (except for such provisions that by their terms survive the termination of the Loan Agreement). Each Grantor agrees that upon the occurrence and during the continuance of an Event of Default, the use by Lender of all Trademarks shall be without any liability for royalties or other related charges from Lender to any Grantor.

7. Product Quality. Except in the exercise of its reasonable business judgment, each Grantor agrees to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable business practices.

8. Release of Security Agreement. This Security Agreement is made for collateral purposes only. Upon payment in full of Borrowers' Obligations (other than Hedging Obligations and unasserted contingent obligations), all Letters of Credit are returned to the L/C Issuer for cancellation or are Cash Collateralized and termination of the Financing Agreements (except for such provisions that by their terms survive the termination of the Loan Agreement), Lender shall take such actions as may be necessary or proper to terminate the security interests created hereby and pursuant to the Financing Agreements

9. Expenses. All reasonable out-of-pocket expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by the Grantors. All reasonable out-of-pocket fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses, incurred by Lender in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Trademarks or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks shall be borne by and paid by the Grantors and until paid shall constitute Obligations.

10. Duties of Grantor. Each Grantor shall have the duty (i) to file and prosecute diligently, as commercially reasonable, any trademark applications pending as of the date hereof or hereafter until Borrowers' Obligations (other than Hedging Obligations and unasserted contingent obligations) shall have been paid in full, all Letters of Credit are returned to the L/C Issuer for cancellation or are Cash Collateralized and the Financing Agreements have been terminated (except for such provisions that by their terms survive the termination of the Loan Agreement), (ii) to preserve and maintain all rights in the Trademarks, as commercially reasonable and (iii) to ensure that the Trademarks are and remain enforceable, as commercially reasonable. Any expenses incurred in connection with Borrowers' Obligations under this Section 10 shall be borne by Grantors.

11. Lender's Right to Sue. After the occurrence and during the continuance of an Event of Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Lender shall commence any such suit, each Grantor shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents required by Lender in aid of such enforcement and Grantors shall promptly, upon demand, reimburse and indemnify Lender for all out-of-pocket costs and expenses incurred by Lender in the exercise of its rights under this Section 11.

12. Waivers. No course of dealing between any Grantor or any other Loan Party and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Financing Agreements shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

14. Modification. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

15. Cumulative Remedies; Power of Attorney; Effect on Financing Agreements. All of Lender's rights and remedies with respect to the Trademarks, whether established hereby or by the Financing Agreements, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Grantor hereby authorizes Lender upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of Lender as Lender may select, in its sole discretion, as such Grantor's true and lawful attorney-in-fact, with power to (i) endorse such Grantor's name on all applications, documents, papers and instruments necessary or desirable for Lender in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Lender deems to be in the best interest of Lender, or (iii) grant or issue any exclusive or non-exclusive

license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Each Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until Borrowers' Obligations (other than Hedging Obligations and unasserted contingent obligations) shall have been paid in full and the Financing Agreements have been terminated. Each Grantor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Lender shall have, in addition to all other rights and remedies given it by the terms of this Security Agreement and the Financing Agreements, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in New York.

16. Binding Effect; Benefits. This Security Agreement shall be binding upon each Grantor and its respective successors and assigns, and shall inure to the benefit of Lender, its successors, nominees and assigns.

17. Governing Law. This Security Agreement shall be governed by and construed in accordance with the laws of the State of New York and applicable federal law.

18. Headings. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede.

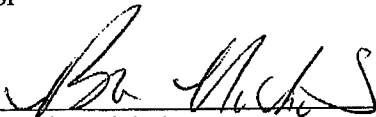

19. Further Assurances. Each Grantor agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Lender shall reasonably request from time to time in order to carry out the purpose of this Security Agreement and agreements set forth herein.

20. Survival of Representations. All representations and warranties of the Grantors contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall be remade on the date of each borrowing under the Financing Agreements.
