Section 3. REPRESENTATIONS AND WARRANTIES.

The Grantor represents and warrants to the Agent, in addition to the representations and warranties in the Credit Agreement and the Documents, that:

- (g) the Grantor is the owner of the Collateral free of all security interests or other encumbrances except as provided for in this Agreement and the Credit Agreement.

Section 4. COVENANTS. The Grantor covenants and agrees with the Agent, from and after the date of this Agreement, and in addition to the covenants in the Credit Agreement and the Documents, that:

- (a) the Grantor shall notify Agent immediately if it knows or has reason to know that any application or registration relating to any Intellectual Property owned by the Grantor may become abandoned, dedicated to the public, placed in the public domain or otherwise invalidated or unenforceable, or of any adverse determination or development in any proceeding (including the institution of any proceeding) in the PTO, the United States Copyright Office, or any similar agency of the United States, any State, or other country or political subdivision thereof, any internet domain registry or other registry, or any court, regarding the Grantor's ownership of or right to use register, keep and/or maintain any Intellectual Property;
- (b) the Grantor shall take all actions necessary, or requested by the Agent, to maintain and pursue each application for registration in respect of the Intellectual Property owned by the Grantor from time to time, by including filing applications for renewal, affidavits of use, affidavits of noncontestability and the commencement and prosecution of opposition and interference and cancellation proceedings;
- (c) in the event that any Intellectual Property owned by or exclusively licensed to the Grantor is infringed, diluted, misappropriated, or otherwise violated by a third party, the Grantor shall notify the Agent promptly after the Grantor learns thereof and shall promptly take all reasonable actions to stop the same and enforce its rights in such Intellectual Property and to recover all damages therefor, including, but not limited to, the initiation of a suit for injunctive relief and damages and shall take such other actions as are reasonable, or as the Agent shall deem appropriate under the circumstances to protect the Grantor's rights in such Intellectual Property;

- (e) the Grantor shall maintain the level of the quality of products sold and services rendered under any Trademarks owned by the Grantor at a level at least consistent with the quality of such products and services as of the date hereof, and the Grantor shall adequately control the quality of goods and services offered by any licensees of its Trademarks;
- (f) the Grantor shall take all steps necessary to protect the secrecy of all trade secrets material to its business; and
- (g) promptly upon the filing of a statement of use or amendment to allege use with the PTO relating to any trademark application, the Grantor shall amend Schedule I hereto to include such trademark application.

Section 5. DEED OF HYPOTHEC. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted by the Grantor to the Agent, for the ratable benefit of the Lenders, the Hedging Affiliates and the Agents pursuant to a Deed of Hypothec, dated as of October 31, 2008 (the "Deed"), executed by the Grantor and the Agent. The Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Collateral made and granted herein are more fully set forth in the Deed. Any rights and remedies set forth herein are without prejudice to, and in addition to, those set forth in the Deed.

Section 6. RIGHTS AND REMEDIES ON DEFAULT.

- (a) The Grantor agrees that, if an Event of Default shall have occurred and be continuing, then and in every such case, the Agent, in addition to any rights now or hereafter existing under applicable law and those rights granted herein and in any other agreement now or hereafter in effect between the Grantor and the Agent, shall have all rights as a secured creditor under any UCC, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect, in all relevant jurisdictions.
- (b) Upon the existence or occurrence and continuation of an Event of Default, the Agent may: (i) enforce, compromise, settle or discharge the Collateral without discharging the Indebtedness or any part thereof; and (ii) indorse Debtor's name on any and all checks, commercial paper, and any other Instruments pertaining to or constituting Collateral.
- (c) If any Event of Default shall have occurred and be continuing, then any Collateral, whether or not so repossessed by the Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or

as an entirety, and in general in such manner, at such time or times, at such place or places and on such terms as the Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than 10 days' prior written notice to the Grantor specifying the time at which such disposition is to be made and the intended sale price or other consideration therefor, and shall be subject, for the 10 days after the giving of such notice, to the right of the Grantor or any nominee of the Grantor to acquire the Collateral involved at a price or for such other consideration at least equal to the intended sale price or other consideration so specified. Any such disposition which shall be a public sale permitted by such requirements shall be made upon not less than 10 days' prior written notice to the Grantor specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction (which may, at the Agent's option, be subject to reserve), after publication of notice of such auction (where required by applicable law) not less than 10 days prior thereto. The Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the sale may be so adjourned. To the extent permitted by any such requirement of law, the Agent and/or any Lender may bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section without accountability to the Grantor. If, under mandatory requirements of applicable law, the Agent shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to the Grantor as hereinabove specified, the Agent need give the Grantor only such notice of disposition as shall be reasonably practicable in view of such mandatory requirements of applicable law. The Grantor agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such sale or sales of all or any portion of the Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales, all at the Grantor's expense.

- (d) The Grantor agrees to pay on demand all reasonable costs and expenses incurred by the Agent in enforcing this Agreement, in realizing upon or protecting any Collateral and in enforcing and collecting any Indebtedness or any guaranty thereof, including, without limitation, if the Agent retains counsel for advice, suit, appeal, insolvency or other proceedings under any bankruptcy or insolvency law or otherwise, or for any of the above purposes, reasonable attorneys' fees incurred by the Agent. Payment of all sums hereunder constitutes Indebtedness secured by the Collateral.

Section 7. POWER OF ATTORNEY. The Grantor hereby appoints the Agent, or any other person or entity whom the Agent may designate as the Grantor's attorney, with power: (a)(i) to file financing statements and other evidence of liens granted hereunder against the Grantor covering the Collateral (and, in connection with the filing of any such financing statements, describe the Collateral as "all assets and all personal property, whether now owned and/or hereafter acquired" (or any substantially similar variation thereof)); (ii) in the case of any Intellectual Property, to execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may request to evidence the Agent's security interest in such Intellectual Property and the goodwill and general intangibles of the Grantor relating thereto or represented thereby; and (iii) to do all other things the Agent deems reasonably necessary to carry out the terms of Section 2 of this Agreement and (b) upon the occurrence and during the continuance of an Event of Default to do all things reasonably necessary to carry out this Agreement, the Deed and all related documents. The Grantor hereby ratifies and approves all acts of the attorney. Neither the Agent nor the attorney will be liable for any acts or omissions or for any error of judgment or mistake of fact or law, except for gross negligence or willful misconduct. This power, being coupled with an interest, is irrevocable so long as the Agent has a security interest and until the Obligations have been fully satisfied.

Section 8. REINSTATEMENT. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against the Grantor for liquidation or reorganization, should the Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of the Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

Section 9. INDEMNIFICATION. The Grantor assumes all responsibility and liability arising from the use of the Intellectual Property and the Grantor hereby indemnifies and holds the Agent and each Lender harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of the Grantor's operations of its business from the use of the Intellectual Property. In any suit, proceeding or action brought by the Agent under any Patent License, Trademark License, or Copyright License for any sum owing thereunder, or to enforce any provisions of such License, the Grantor will indemnify and keep the Agent and each Lender harmless from and against all expense, loss or damage suffered by reason of any defense, set off, counterclaim, recoupment or reduction or liability whatsoever of the obligee thereunder, arising out of a breach by the Grantor of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from the Grantor, and all such obligations of the Grantor shall be and remain enforceable against and only against the Grantor and shall not be enforceable against the Agent or the Lenders.

Section 10. NOTICES. Whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by any other party, or whenever any of the parties desires to give and serve upon any other party any communication with respect to this Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the Credit Agreement.

Section 11. TERMINATION OF THIS AGREEMENT. Subject to Section 8 hereof, this Agreement shall terminate upon payment in full in cash of all Obligations and the Net Exposure of each and every Lender and Hedging Affiliate and irrevocable termination of the Credit Agreement, the Guarantee and the other Documents.

Section 12. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND PERFORMED IN SUCH STATE, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

Section 13. COUNTERPARTS; SIGNATURES. This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which taken together shall constitute one and the same agreement. Any signature delivered by a party via facsimile or electronic transmission shall be deemed to be any original signature hereto.

Section 14. MISCELLANEOUS.

- (a) No modification, rescission, waiver, release or amendment of any provision of this Agreement shall be made, except by a written agreement subscribed by the Grantor and the Agent.
- (b) This Agreement shall be binding upon the successors and assigns of the Grantor and shall inure to the benefit of the Agent and the Lenders and their successors and assigns.
- (c) The section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

Section 15. AMENDMENT AND RESTATEMENT. As of the date of this Agreement, the terms, conditions, covenants, agreements, representations and warranties contained in the Intellectual Property Security Agreement dated as of October 31, 2008 (the "Original IP Security Agreement") shall be deemed amended and restated in their entirety as set forth in this Agreement and the Original IP Security Agreement shall be consolidated with and into and superseded by this Agreement; provided, however, that nothing contained in this Agreement shall impair or affect the liens on the Collateral heretofore pledged, granted and/or assigned by Grantor to the Agent under the Original IP Security Agreement, except as otherwise herein provided.
