ASSIGNMENT OF TRADEMARKS  
AND TRADEMARK APPLICATIONS

This Assignment of Trademarks and Trademark Applications (the "Assignment") is made effective as of the 6<sup>th</sup> day of September, 2011 by Ash Access Technology, Inc., an Indiana corporation and AAT Catheter Technologies, an Indiana limited liability company (each an "Assignor" and collectively, the "Assignors") to Merit Medical Systems, Inc., a Utah corporation ("Assignee").

WHEREAS, Assignors have certain rights in the marks set forth on Exhibit A (the "Marks") and own the United States and other trademark applications identified on Exhibit B attached hereto and incorporated herein (the "Applications");

WHEREAS, Assignors have certain ongoing and existing business pertaining to the Marks, including but not limited to the creation, acquisition, and protection of various artistic works and other works pertinent to the Marks; the promotion of market opportunities pertaining to the Marks and artistic works, such as opportunities for the manufacture and sale of medical devices; and various other business activities relating to the Marks;

WHEREAS, Assignors and Assignee have concurrently herewith consummated the purchase by Buyer of the Acquired Assets pursuant to the terms and conditions of the Asset Purchase Agreement dated of even date herewith, by and among Assignors and Assignee (the "Asset Purchase Agreement"); and

WHEREAS, pursuant to the Asset Purchase Agreement, Assignors have agreed to assign to Assignee all of Assignors' right, title, and interest in and to the Marks and the Applications.

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Assignors irrevocably sell, grant, convey, transfer, and assign to Assignee, its successors and assigns, all right, title, and interest now and hereafter in force and effect that Assignors have, may have, or hereafter acquire in and to the Marks, including but not limited to the business and goodwill pertaining to the Marks, the Applications, the prospective registrations resulting therefrom, and all other rights that arise from or relate to the Marks, in the United States and/or any foreign countries.

This Assignment shall inure to the benefit of Assignee and its successors and assigns and shall be binding upon each Assignor, its successors, and any and all other persons claiming by, through, or under any of them.
