PARTIAL RELEASE OF SECURITY INTEREST IN TRADEMARKS

THIS PARTIAL RELEASE OF SECURITY INTEREST IN TRADEMARKS (this "Partial Release") is made as of October 21, 2011 ("Effective Date") by and between **THE BANK OF NEW YORK MELLON**, successor by merger to The Bank of New York, a New York banking corporation, as collateral trustee (in such capacity, together with its successors and assigns in such capacity, "Collateral Trustee"), and **WESTWOOD ONE, INC.**, a Delaware corporation ("Grantor").

WHEREAS, Grantor and others are parties to a certain Shared Security Agreement dated as of February 28, 2008 (as modified or supplemented from time to time, the "Security Agreement"), in which Grantor and others granted certain interests in favor of Collateral Trustee for the benefit of the Secured Parties (as defined therein);

WHEREAS, pursuant to the Security Agreement, Grantor agreed with Collateral Trustee and the Secured Parties to execute that certain Short-Form Trademarks Security Agreement dated as of February 28, 2008 ("Trademark Security Agreement"), in which Grantor granted to Collateral Trustee for the benefit of the Secured Parties, to the extent provided in the Security Agreement, a security interest in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of such Grantor that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including the trademarks listed on the attached Schedule 1, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in the cancellation of such trademark application) (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due of all the Secured Obligations (as defined in the Security Agreement);

WHEREAS, the Trademark Security Agreement was recorded with the United States Patent and Trademark Office ("PTO") on February 29, 2008, at Reel 003729, Frame 0398; and

WHEREAS, Grantor has paid all of its outstanding indebtedness to Collateral Trustee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Collateral Trustee hereby terminates, cancels, reassigns and releases to the Grantor any and all liens and security interests it has against the Trademark Collateral.

Collateral Trustee represents and warrants that: (i) it has the full power and authority to execute this Partial Release; (ii) it has not assigned, transferred, restricted or otherwise encumbered any security interest it has against the Trademark Collateral; and (iii) it has not recorded or, to its knowledge without independent investigation, otherwise evidenced its security interest with respect to any trademark, or registration of an application to register any

trademark, or any trade name or assumed name, other than the Trademark Collateral set forth on the attached Schedule 1, in any jurisdiction throughout the world.

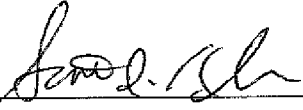

Collateral Trustee shall, at Grantor's expense, take all further actions, and provide to Grantor, its successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by Grantor to more fully and effectively effectuate the purposes of this Partial Release.
