WORLDWIDE ASSIGNMENT

WHEREAS, **Perfect Pushup, LLC** (dba Perfect Fitness), a California limited liability company having a principal place of business at 1750 Bridgeway, Suite A100, Sausalito, CA 94965, (hereinafter referred to as Assignor), owns the full and exclusive right, title and interest in:

U.S. and foreign utility patent and design patent applications and issued patents as set forth on Exhibit A attached hereto, (collectively, the "Patents");

U.S. and foreign trademark applications and trademark registrations as set forth on Exhibit B attached hereto, (collectively, the "Trademarks");

U.S. copyright applications and registrations as set forth on Exhibit C attached hereto, (collectively, the "Copyrights"); and

WHEREAS, Exhibits A, B, and C are collectively referred to hereafter as the "Intellectual Property" of Assignor.

WHEREAS, **IMPLUS FOOTCARE, LLC**, a Delaware limited liability company having a principal place of business at 2001 T.W. Alexander Drive, Box 13925, Durham, NC 27709-3925, (hereinafter referred to as Assignee), by way of its acquisition of all rights, title and interest in Assignor's company on September 14, 2011, is desirous of acquiring an interest in Assignor's Intellectual Property:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy whereof is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto Assignee and its successors in interest, the full and exclusive right, title and interest in the United States of America and all foreign countries, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the Intellectual Property as described in the aforesaid Exhibits, said Intellectual Property therefor to be held and enjoyed by Assignee to the full end of the term for which said Intellectual Property are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, and the right to recover for past infringements of, or liabilities for, any of the rights relating to any of said Intellectual Property resulting therefrom;

Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent, trademark and copyright in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and as to letters patent any reissue, re-examination, or extension thereof, and for litigation regarding, or for the purpose of protecting title and to the said invention, the United States application for patent, or Letters Patent therefor, and to testify in support thereof, for the benefit of Assignee without further or other compensation than that above set forth;

Assignor hereby covenants that no assignment, sale or agreement or encumbrance has been or will be entered into which would conflict with this Assignment; and

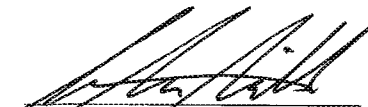

WORLDWIDE ASSIGNMENT

Assignor hereby requests the Commissioner of Patents and Trademarks to issue a Letters Patent or Trademark Registration of the United States of America to Assignee, and/or requests the Register of Copyrights to issue a Copyright Registration of the United States of America to Assignee, and requests that any official of any country or countries foreign to the United States, whose duty it is to issue or grant patents, trademarks and/or copyrights and applications as aforesaid, to issue said Letters Patent, Utility Model Registration, Inventor's Certificate, Trademark Registration and Copyright Registration to Assignee.

The undersigned hereby grant(s) the law firm of Charter IP, LLC the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office and/or U.S. Copyright Office for recordation of this document.

IN WITNESS THEREOF, the parties hereto have executed this Assignment through their duly authorized representatives. This Assignment is intended to be effective as of the date of the last signature below.
