Dividends

- (a) The holders of the Class A shares, in priority to the Class C shares shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the board of directors of the Corporation out of the assets of the Corporation properly applicable to the payment of dividends, non-cumulative cash dividends at the rate of \$0.08 (eight cents) per share, per annum. Cheques of the Corporation payable at par at any branch of the Corporation's bankers in Canada shall be issued in respect of such dividends and payment thereof shall satisfy such dividends. The board of directors shall be entitled from time to time to declare part of the said dividends for such financial year notwithstanding that such dividends for such financial year shall not be declared in full. If within four months after the expiration of any financial year of the Corporation then the board of directors in its discretion shall not have declared the said dividends or any part thereof on the Class A shares for such financial year, the rights of the holders of the Class A shares to such dividend or to any undeclared part thereof for such financial year shall be forever extinguished. The holders of the Class A shares shall not be entitled to any dividends other than or in excess of the dividends hereinbefore provided for;
- (b) Except with the consent in writing of the holders of all the Class A shares outstanding, no dividend shall at any time be declared and paid on or declared and set apart for payment on the Class C shares for any financial year unless the non-cumulative cash dividends on the Class A shares then issued and outstanding in respect of such financial year shall have been declared and paid or set apart for payment at the date of such declaration and payment or setting apart of dividends on the Class C shares;
- (c) Subject to the prior rights of the holders of the Class A shares as set forth in sub-clause (a) above and not otherwise, the board of directors may declare and cause to be paid dividends to the holders of the Class C shares from any assets at the time properly applicable to the payment of dividends; and
- (d) The holders of the Class B shares shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the Board of Directors of the Corporation, such dividends as the Board of Directors of the Corporation from time to time declare on the Class B Shares;

Liquidation, Dissolution or Winding-Up

In the event of the liquidation, dissolution or winding-up of the Corporation or other distribution of property of the Corporation among shareholders for the purpose of winding-up its affairs:

- (a) the holders of the Class A shares shall be entitled to receive from the property of the Corporation a sum equivalent to the aggregate Redemption Amount (as hereinafter defined) of all the Class A shares held by them respectively before any amount shall be paid or any property of the Corporation distributed to the holders of any Class C shares or shares of any other class ranking junior to the Class A Shares. After payment to the holders of the Class A shares of the amount so payable to them as above provided they shall not be entitled to share in any further distribution of the property of the Corporation;
- (b) the holders of the Class B shares shall be entitled to receive from the property of the Corporation the sum of One Dollar (\$1.00) for each Class B share held by them respectively before any amount shall be paid or any property of the Corporation distributed to the holders of any Class C shares or shares of any other class ranking junior to the Class B Shares. After payment to the holders of the Class B shares of the amount so payable to them as above provided they shall not be entitled to share in any further distribution of the property of the Corporation;
- (c) the holders of the Class C shares shall be entitled to receive the remaining property of the Corporation.

Redemption

- (a) The Corporation may, subject to the requirements of the Act, upon the giving of such notice, if any, and the following of such procedures as the directors may determine from time to time redeem at any time the whole or from time to time any part of the then outstanding Class A shares, either on a pro rata basis or otherwise, on payment of an amount for each share to be redeemed equal to the sum of \$1.00 (one dollar), plus all declared and unpaid non-cumulative cash dividends thereon, the whole constituting and being hereinafter referred to as the "Redemption Amount"; and
- (b) On or after the date specified for redemption the Corporation shall pay or cause to be paid to or to the order of the registered holders of the Class A shares to be redeemed the Redemption Amount thereof on presentation and surrender at the registered office of the Corporation or any other place designated by the Corporation in the notice of redemption of the certificates representing the Class A shares called for redemption. Such Class A shares shall thereupon be redeemed. If less than all the Class A shares represented by any certificate are redeemed, the holder shall be entitled to receive a new certificate for that number of Class A shares represented by the original certificate which are not redeemed. From and after the date specified for redemption, the holders of the Class A shares called for redemption shall cease to be entitled to dividends and shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Amount shall not be made upon presentation of certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected.

Retraction

- (a) Any holder of Class A shares shall be entitled to require the Corporation to redeem, subject to the requirements of the Act, at any time or times, all or any of the Class A shares registered in the name of such holder on the books of the Corporation by tendering to an officer or director of the Corporation a share certificate or certificates representing the Class A shares which the registered holder desires to have the Corporation redeem together with a notice in writing specifying (i) that the registered holder desires to have the Class A shares represented by such certificate or certificates redeemed by the Corporation and (ii) the business day ("Retraction Date") on which the holder desires to have the Corporation redeem such Class A shares. Upon receipt of a share certificate or certificates representing the Class A shares which the registered holder desires to have the Corporation redeem together with such notice, the Corporation shall on the Retraction Date redeem such Class A shares by paying to such registered holder the Redemption Amount for each such Class A share being redeemed. Such payment shall be made by a cheque payable at par at any branch of the Corporation's bankers for the time being in Canada. If less than all of the Class A shares represented by any certificate are redeemed, the holder shall be entitled to receive a new certificate for that number of Class A shares represented by the original certificate or certificates which are not redeemed. The said Class A shares shall be redeemed on the Retraction Date and from and after the Retraction Date the holder of such shares shall cease to be entitled to dividends and shall not be entitled to exercise any of the rights of holders of Class A shares in respect thereof unless payment of the Redemption Amount is not made on the Retraction Date, in which event the rights of the holder of the said Class A shares remain unaffected.

Voting Rights

- (a) the holders of the Class A shares shall be entitled to receive notice of and to attend any meetings of the shareholders of the Corporation and shall be entitled to one vote in respect of each Class A share held at such meetings except meetings at which the holders of a particular class of shares other than the Class A shares are entitled to vote separately as a class;
- (b) the holders of the Class B shares shall not be entitled to receive notice of or vote at any meetings of shareholders, except as provided by law and as hereinafter specifically provided, but shall be entitled to receive notice of any meetings of shareholders called for the purpose of authorizing the dissolution of the Corporation or the sale, lease, or exchange of all or substantially all the property of the Corporation other than in the ordinary course of business of the Corporation; and

- (b) The number of shareholders of the Corporation is limited to not more than fifty (50), exclusive of persons who are in its employment and exclusive of persons, who having been formerly in the employment of the Corporation, were, while in that employment and have continued after the termination of the employment to be, shareholders of the Corporation, two or more persons who are the joint registered owners of one or more shares being counted as one shareholder; and
