1. Assignment. (a) Assignor does hereby sell, transfer, convey, set over, assign and deliver to Assignee all right, title and interest in and to the Marks, whether statutory or common law, together with the good will of the business symbolized by the Marks, effective as of the date hereof. Assignor does hereby further assign to Assignee any and all causes of action, claims, demands, or other rights occasioned from or because of any and all past, present and future infringements of said Marks, together with the right to sue and recover therefore, including the right to bring suit in its own name and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.

(b) Assignor promptly shall deliver to Assignee all documentation pertaining to the Marks, including copies of all correspondence to or from examining authorities regarding the Marks and all correspondence with any attorney involved in the preparation and/or prosecution of the Marks.
