TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of this 10th day of November, 2011 ("Effective Date") by and between EMERGING INFORMATION SYSTEMS INCORPORATED, a Canadian corporation ("Assignor") and MUSTANG HOLDINGS L.P., a Delaware limited partnership ("Assignee").

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the entire right, title and interest in and to the trademark registrations and applications set forth on Schedule A attached hereto, and goodwill of the business associated therewith (the "Trademarks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers, and relinquishes to Assignee, its successors, assigns, and legal representatives the entire right, title, and interest in and to the Trademarks for the United States and all foreign countries, whether or not registration is secured, including, without limitation, any applications, renewals or extensions thereof, and in and to all rights corresponding to the foregoing throughout the world, and all the rights embraced therein, in Assignor's possession or under Assignor's control, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other violation, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office, and the corresponding entity or agency in any applicable foreign country, to record Assignee as assignee and owner of the Trademarks.

At Assignee's reasonable request and expense, Assignor hereby agrees to execute and deliver such further instruments of transfer and assignment and to take such other action as Assignee may reasonably request to more effectively consummate the assignments and assumptions contemplated by this Assignment.
