## INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment"), dated \_\_\_\_\_, 2010, is entered into by and among Springbok Services, Inc., a Delaware corporation ("Springbok"), and Fifth Third Processing Solutions LLC, a Delaware limited liability company ("FTPS"), and (each being referred to individually as a "Party" and collectively as the "Parties").

WHEREAS, Springbok filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. Sections 1101 et seq., commencing Petition No. 10-25285-HRT in the United States Bankruptcy Court for the District of Colorado;

WHEREAS, pursuant to the Asset Purchase Agreement dated September 2, 2010 by and among Springbok and FTPS (the "Purchase Agreement"), Springbok has agreed to sell, convey, assign, transfer and deliver to FTPS the entire right, title and interest in and to certain intellectual property rights owned by Springbok relating to its processing platform (the "Processing Assets"); and

WHEREAS, on September \_\_\_\_\_, 2010, the Approval Order (as defined in the Purchase Agreement) was entered approving the sale of the Processing Assets to FTPS pursuant to the terms of the Purchase Agreement.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein and in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the parties hereto agree as follows:

### DEFINITIONS

All undefined, capitalized terms used herein shall have the meaning given to them in the Purchase Agreement. Additionally, the following definitions shall apply to this Assignment:

"Copyrights" means all copyrights and maskwork rights owned by Springbok, whether statutory or common law, registered or unregistered, and registrations for and pending applications to register the same including all reissues, extensions and renewals thereto, and all moral rights thereto under the laws of any jurisdiction, and all copyrighted or copyrightable works, including, without limitation, any Software, databases, data, documentation, including copies and tangible embodiments (in whatever form or medium), Internet web-sites and the content thereof, and any other works of authorship, together with all rights associated with any of the foregoing, in each case that relate to the Processing Assets, including without limitation, the registrations, applications and unregistered copyrights set forth on Exhibit A.

"Intellectual Property" means Patents, Trademarks, Copyrights, and Trade Secrets.

“Patents” means all patents and patent applications (including, without limitation, provisional applications, utility applications and design applications) and patentable inventions owned by Springbok, including, without limitation, reissues, patents of addition, continuations, continuations-in-part, substitutions, additions, divisionals, renewals, registrations, confirmations, re-examinations, certificates of inventorship, extensions, patent disclosures and inventions, draft patent applications and the like, any foreign or international equivalent of any of the foregoing, and any domestic or foreign patents or patent applications claiming priority to any of the above, or sharing a common claim of priority with any of the above, together with all rights associated with any of the foregoing, including, without limitation, the patents and patent applications set forth on Exhibit B.

“Trademarks” means all trademarks, service marks, trade names, logos, corporate names, company names, business names, fictitious business names, trade styles, uniform resource locators (URLs), internet domain names, trade dress, any other names and locators associated with the Internet, other source of business identifiers, whether registered or unregistered and whether or not currently in use, and registrations, applications to register and all of the goodwill of the business related to the foregoing, foreign versions of the foregoing whether protected, created or arising under the laws of any applicable jurisdiction and owned by Springbok, together with all rights associated with any of the foregoing, including, without limitation, the trademarks, service marks, trade names and domain names set forth on Exhibit C.

“Trade Secrets” means all rights arising from or in respect to trade secrets and other confidential information including, without limitation, ideas, formulas, compositions, inventions (whether patentable or unpatentable and whether or not reduced to practice), know-how, concepts, manufacturing and production processes and techniques, research and development information, drawings, specifications, designs, plans, proposals, technical data, financial and marketing plans and customer and supplier lists and information whether or not protected, created or arising under the laws of any applicable jurisdiction, in each case owned or licensed by Springbok and used in connection with the business of Springbok.

## **COPYRIGHTS**

1. Springbok hereby sells, conveys, assigns, transfers and delivers to FTPS, free and clear of all liens, all right, title and interest, in and to the Copyrights, including but not limited to renewal rights therein, the right to obtain registrations of the Copyrights in the United States and throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations thereof, all in FTPS’ sole name.

2. Springbok shall cooperate with FTPS in any action FTPS reasonably requests that Springbok take, in order to effectuate, carry out, or fulfill the Parties’ intent and/or Springbok’s obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in FTPS’ sole discretion, to consolidate, confirm, vest and/or record FTPS’ full and complete ownership of the Copyrights with, for example, applicable Copyright Offices.

## **TRADEMARKS**

3. Springbok hereby sells, conveys, assigns, transfers and delivers to FTPS, free and clear of all liens, all right, title and interest in and to the Trademarks, together with the goodwill of the business(es) that is/are symbolized by the Trademarks, including but not limited to renewal rights therein, the right to obtain registrations of the Trademarks throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations thereof, all in FTPS' sole name.

4. Springbok shall cooperate with FTPS in any action FTPS reasonably requests that Springbok take, in order to effectuate, carry out, or fulfill the Parties' intent and/or Springbok's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in FTPS' sole discretion, to consolidate, confirm, vest and/or record FTPS' full and complete ownership of the Trademarks with, for example, applicable Trademark Offices or with domain name registrars.

## **PATENTS**

5. Springbok hereby sells, conveys, assigns, transfers and delivers to FTPS, free and clear of all liens, all right, title and interest in and to the Patents, including but not limited to renewal rights therein, the right to obtain patent or equivalent protection therein throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present, or future infringements or violations thereof, all in FTPS' sole name.

6. Springbok shall cooperate with FTPS in any action FTPS reasonably requests that Springbok take, in order to effectuate, carry out, or fulfill the Parties' intent and/or Springbok's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in FTPS' sole discretion, to consolidate, confirm, vest and/or record FTPS' full and complete ownership of the Patents with, for example, applicable Patent Offices.

## **TRADE SECRETS**

7. Springbok hereby sells, conveys, assigns, transfers and delivers to FTPS, free and clear of all liens, all right, title and interest in and to the Trade Secrets, including, but not limited to the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future misappropriations or violations thereof, all in FTPS' sole name.

8. Springbok agrees that, if applicable, Springbok will reasonably assist FTPS in acquiring and maintaining any available protections for, and confirming FTPS' title to, the Trade Secrets.

## **GENERAL**

9. Entire Agreement. This Assignment contains the entire agreement of the Parties with respect to the subject matter of this Assignment. No prior agreement or

understanding pertaining to any such matter shall be effective. This Assignment may only be modified in a written instrument executed by the Parties.

10. Binding Assignment. This Assignment shall be binding upon and inure to the benefit of each of the Parties hereto, their successors and assigns.

11. Governing Law. This Assignment shall be governed by and construed in accordance with the Laws of Delaware without regard to principles of conflicts of law.

12. Severability. If any provision of this Assignment shall be deemed invalid or unenforceable by any court of competent jurisdiction, then such portion shall be deemed severed, and the remainder thereof shall be enforceable in accordance with its terms.

13. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

14. Headings. All headings contained in this Assignment are for reference only and shall not affect the meaning or interpretation of this Assignment in any manner.

*(remainder of page intentionally left blank)*

IN WITNESS WHEREOF, each of the Parties have hereunto caused this Agreement to be duly executed on the date first above written.

**EXHIBIT A**  
**COPYRIGHTS**

Registered Copyrights: None

Software:

1. All computer code and software applications owned by Springbok listed below, which includes all computer code and software applications of Springbok's platform (some software applications of the platform are referred to as Dashboard, Satellite, Processor, ERP and Order Management System (collectively, the "**Software**")):

a. ERP - Also known as BPWebApp, is the client management platform for establishing new client accounts, placing card orders, reloading cards and overall general management of the client relationship. In addition, this platform is used internally for the functions of Accounting (reconciling client orders, payments, refunds, deposits and balances), cardholder customer service (reviewing balance and transaction history and making adjustments to cards), product setup for Visa/MasterCard and lastly requesting an order be "issued" or "completed" for delivery to the cardholders. (Ref: ERP)

b. Card Generation - This is the system which receives the request to "generate" card numbers and pass them back to the ERP and the Fulfillment System and is a core component of the processing platform. (Ref: Processor)

c. My Card Summary - This system is the cardholder platform allowing them to check their balance, view their transaction history, request their PIN, participate in Bill Pay and other related cardholder specific functions. Additionally, this tool supported "customization" and as such there are over 35 instances of the platform running, one specific to Springbok General Cardholders and 34 other sites which were branded for specific clients and their cardholders. (Ref: ERP)

d. API - This is an "application programming interface" allowing Springbok clients to interface with our ERP and Processing platforms from within their own application, the processing specific portions of this platform will be a part of the processor sale. (Ref: Dashboard, Satellite, Processor, ERP, and Order Management System)

e. Visa/MasterCard Transaction Processing Platform - This system is the transaction processing platform designed to directly connect to MasterCard and to gateway thru STAR for Visa to allow Springbok to function as the issuing processor for ALL of the cards delivered to Cardholders from Key Bank, Meta Bank and Bancorp where Springbok was the program manager of those cards. The platform includes a settlement engine, and rules engine, a fees engine and the real-time processing components required

to approve/decline transactions in accordance with the Visa and MasterCard rules and regulations. (Ref: Processor)

- f. Cap Labor – CVC’s, PINS, Thales
- g. CAP Labor – Authorization
- h. CAP Labor ACH2Card
- i. Cap Labor – Self Select Pins

2. All databases which are utilized by the Software or by any third party software application related to the Software but specifically excluding any information relating to Springbok’s customers, Springbok’s customers' programs, including, but not limited to, the Shell Loyalty Program or any cardholders that is private in nature and/or subject to privacy policies of Springbok’s customers, including, but not limited to, the privacy policy of Equilon Enterprises LLC dba Shell Oil Products US and Shell Oil Company, or any privacy laws.

3. All data contained in the foregoing databases, the Software, or any third party software related to the Software but specifically excluding any information relating to Springbok’s customers, Springbok’s customers' programs, including, but not limited to, the Shell Loyalty Program, or any cardholders that is private in nature and/or subject to privacy policies of Springbok’s customers, including, but not limited to, the privacy policy of Equilon Enterprises LLC dba Shell Oil Products US and Shell Oil Company, or any privacy laws.

4. All modules, interfaces, and components of the Software, including but not limited to any reporting modules and application programming interfaces.

5. All versions of the Software source code and all media on which such source code resides.

6. All physical and electronic documentation relating to the Software and related software and data, including but not limited to any history of development and software revisions, development specifications, development plans, user guides, configuration manuals, programmer notes, and any documentation relating to functional gaps, bugs, errors and defects.

## SCHEDULE A

### **Purchased Assets**

The complete software platform through which Seller has managed its prepaid card solutions for customers, including, without limitation, all physical forms and intellectual property rights in the following assets:

- all computer code and software applications owned by Seller listed on **Schedule 1** attached hereto (the “***Seller Software***”), which includes all computer code and software applications of Seller’s platform (some software applications of the platform are referred to as Dashboard, Satellite, Processor, ERP and Order Management System);
- all databases which are utilized by the Seller Software or by any third party software application related to the Seller Software but specifically excluding any information relating to Seller’s customers or any cardholders that is private in nature and/or subject to privacy policies of Seller’s customers or any privacy laws;
- all data contained in the foregoing databases, the Seller Software, or any third party software related to the Seller Software but specifically excluding any information relating to Seller’s customers or any cardholders that is private in nature and/or subject to privacy policies of Seller’s customers or any privacy laws;
- all modules, interfaces, and components of the Seller Software, including but not limited to any reporting modules and application programming interfaces (“***APP***”);
- all versions of the Seller Software source code and all media on which such source code resides;
- all hardware and equipment owned by Seller listed on **Schedule 2** attached hereto;
- to the extent that the following exists as of the Closing Date hereof, all physical and electronic documentation relating to the Seller Software and related software and data, including but not limited to any history of development and software revisions, development specifications, development plans, user guides, configuration manuals, programmer notes, and any documentation relating to functional gaps, bugs, errors and defects;
- all registered trademarks and trademark applications listed on **Schedule 4** attached hereto;
- all domain names registered to Seller listed on **Schedule 5** attached hereto;
- an assignment of the confidentiality agreements listed on **Schedule 6** attached hereto; and
- U.S. Patent No. 7,747,462

## SCHEDULE 1

1. ERP - Also known as BPWebApp, is the client management platform for establishing new client accounts, placing card orders, reloading cards and overall general management of the client relationship. In addition, this platform is used internally for the functions of Accounting (reconciling client orders, payments, refunds, deposits and balances), cardholder customer service (reviewing balance and transaction history and making adjustments to cards), product setup for Visa/MasterCard and lastly requesting an order be "issued" or "completed" for delivery to the cardholders. (Ref: ERP)
2. Card Generation - This is the system which receives the request to "generate" card numbers and pass them back to the ERP and the Fulfillment System and is a core component of the processing platform. (Ref: Processor)
3. My Card Summary - This system is the cardholder platform allowing them to check their balance, view their transaction history, request their PIN, participate in Bill Pay and other related cardholder specific functions. Additionally, this tool supported "customization" and as such there are over 35 instances of the platform running, one specific to Springbok General Cardholders and 34 other sites which were branded for specific clients and their cardholders. (Ref: ERP)
4. API - This is an "application programming interface" allowing Springbok clients to interface with our ERP and Processing platforms from within their own application, the processing specific portions of this platform will be a part of the processor sale. (Ref: Dashboard, Satellite, Processor, ERP, and Order Management System)
5. Visa/MasterCard Transaction Processing Platform - This system is the transaction processing platform designed to directly connect to MasterCard and to gateway thru STAR for Visa to allow Springbok to function as the issuing processor for ALL of the cards delivered to Cardholders from Key Bank, Meta Bank and Bancorp where Springbok was the program manager of those cards. The platform includes a settlement engine, and rules engine, a fees engine and the real-time processing components required to approve/decline transactions in accordance with the Visa and MasterCard rules and regulations. (Ref: Processor)
6. Cap Labor – CVC's, PINS, Thales
7. CAP Labor – Authorization
8. CAP Labor ACH2Card
9. Cap Labor – Self Select Pins
