TRADEMARK SECURITY AGREEMENT
(TRADEMARKS, TRADEMARK REGISTRATIONS,
TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)

November 2, 2011

(A) WHEREAS, RML Jackson, LLC, a California limited liability company (a "Borrower"), and Rogue Digital, LLC (a "Guarantor", and together with Borrower, each a "Pledgor" and collectively the "Pledgors") now own or hold and may hereafter adopt, acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision of any thereof, and all reissues, extensions or renewals thereof) including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired; and

WHEREAS, pursuant to that certain Funding Agreement dated as of November 2, 2011 (as the same has been or may further be amended, supplemented or otherwise modified, renewed, restated or replaced from time to time, the "Credit Agreement"; capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Credit Agreement), among the Borrowers, the Guarantors referred to therein, each Lender from time to time party thereto, and CB Agency Services, LLC, as Agent, the Lenders have agreed to make Loans to or for the benefit of the Borrowers; and

WHEREAS, pursuant to the terms of the Credit Agreement, the Pledgors have granted to the Agent (for the benefit of the Secured Parties) a security interest in and to all real and personal property of the Pledgors including, without limitation, all right, title and interest of the Pledgors in, to and under all of the Pledgors' Trademarks and Trademark licenses (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of the Pledgors, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action that exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment and performance of the Obligations; and

WHEREAS, the Agent and the Pledgors by this instrument seek to confirm and make a record of the grant of a security interest in the Trademarks and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Pledgor does hereby grant to the Agent (for

the benefit of the Secured Parties), as security for the Obligations, a continuing security interest in all of such Pledgor's right, title and interest in, to and under the following (all of the following items (i) through (iii) or types of property being collectively referred to herein as the "Trademark Collateral"), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of such Pledgor:

(i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;

(ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by such Pledgor against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

Each Pledgor agrees to cause Borrower, and the Borrower hereby agrees, to deliver updated copies of Schedule A and Schedule B to the Agent at the end of any quarter in which such Pledgor registers or otherwise adopts or acquires any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of such Pledgor, such further instruments or documents (in form and substance reasonably satisfactory to the Agent), and promptly perform, or cause to be promptly performed, upon the reasonable request of the Agent, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Agent, to carry out the provisions and purposes of the Security Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Agent (for the benefit of the Secured Parties) granted pursuant to the Security Agreement, this Trademark Security Agreement, and the other Loan Documents in the Trademark Collateral or any portion thereof.

Each Pledgor agrees that if any Person shall do or perform any act(s) that the Agent reasonably believes constitutes an infringement of any Trademark owned or held by such Pledgor, or violates or infringes any right of any Pledgor or any Secured Party in the Trademark Collateral, or if any Person shall do or perform any act(s) that the Agent reasonably believes constitutes an unauthorized or unlawful use of the Trademark Collateral, then and in any such event, the Agent (a) may, if the applicable Pledgor fails to take any action necessary to protect the rights of such Pledgor or any Secured Party in the Trademark Collateral within 30 days following its receipt of a written notice from the Agent, or (b) shall have the right to, upon the occurrence and during the continuance of an Event of Default, and without notice, take such reasonable steps and institute such reasonable suits or proceedings as the Agent may reasonably deem advisable or necessary to prevent such act(s) and/or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary

or proper for the full protection of the rights of the parties in the Trademark Collateral. The Agent may take such steps or institute such suits or proceedings in its own name or in the name of any of the Pledgors or in the names of the parties jointly. The Agent hereby agrees to promptly give the Pledgors notice of any steps taken, or any suits or proceedings instituted, by the Agent pursuant to this paragraph and each of the Pledgors agrees to assist the Agent with any steps taken, or any suits or proceedings instituted by the Agent pursuant to this paragraph at the Pledgors' sole expense.

This security interest is granted in conjunction with the security interests granted to the Agent (for the benefit of the Secured Parties) pursuant to the Credit Agreement. Each of the Pledgors and the Agent does hereby further acknowledge and affirm that the rights and remedies of the Agent (for the benefit of the Secured Parties) with respect to the security interest made and granted hereby are subject to, and more fully set forth in, the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. On or after the Termination Date, the Agent (on behalf of the Secured Parties) shall promptly execute and deliver to the Pledgors, at the Pledgors' request and expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be reasonably necessary to terminate the security interest of the Agent (for the benefit of the Secured Parties) in the Trademark Collateral, subject to any disposition thereof that may have been made by the Agent pursuant to the terms hereof or of the Security Agreement.

Subject to the terms and conditions of the Credit Agreement and the Security Agreement, the Agent (on behalf of the Secured Parties) will provide notice(s) required by Section 10.2 of the Credit Agreement in connection with any enforcement of its rights against any of the Collateral, to the extent applicable.

So long as no Event of Default shall have occurred and be continuing, and subject always to the various provisions of the Credit Agreement, the Security Agreement and the other Loan Documents to which it is a party, the Pledgors may use, license and exploit the Trademark Collateral in any lawful manner permitted under the Credit Agreement, the Security Agreement and the other Loan Documents.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.

This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument.

[Signature Pages Follow]

IN WITNESS WHEREOF, the Pledgors have duly executed this Trademark Security Agreement to be duly executed as of the date first written above.
