TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is made and entered into as of November 7, 2011 (the "Effective Date") by and between Domain Administration, Inc., a corporation with an address of 3301 NE 1st Avenue, Suite PH4, Miami, Florida 33137 and formed in accordance with the laws of Florida (the "Assignee"), and BrokersWeb, Inc., a corporation with an address of 3301 NE 1st Avenue, Suite PH4, Miami, Florida 33137 and formed in accordance with the laws of Florida (collectively, the "Assignor").

WHEREAS, pursuant to Section 1(d) of that certain Domain Name Purchase and Transfer Agreement entered into by Assignor and Assignee as of July 30, 2011 (the "Agreement"), Assignor irrevocably sold, assigned and transferred to Assignee all of its right, title and interest in and to all trademarks or service marks (registered or unregistered) associated with the following Internet domain names (the "Domain Names"): www.healthcare.com, www.healthcare.org, www.lifeinsurance.org and www.medicaresupplement.com.

WHEREAS, the registrations and/or applications for registration set forth on Exhibit A (collectively, the "Trademarks") constitute the complete list of registered trademarks or applications for trademark registration associated with the Domain Names.

WHEREAS, the parties wish to memorialize the transfer from Assignor to Assignee of all of Assignor's right, title and interest in and to the Trademarks and the parties' agreement to execute and file such documents with the United States Patent and Trademark Office as are necessary to effect the foregoing.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademarks in the United States and all jurisdictions outside the United States (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth on Exhibit A to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks.

This Trademark Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, the parties hereto have executed this Trademark Assignment as of the Effective Date.
