² All capitalized terms used herein but not otherwise defined herein shall have the meanings ascribed in the Agreement and the Sale Motion, as applicable. To the extent of any inconsistency, the Agreement shall govern.

THE COURT HEREBY FINDS AND DETERMINES THAT:³

Jurisdiction, Final Order and Statutory Predicates

A. This Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief requested in the Sale Motion are sections 105(a), 363 and 365 of title 11 of the United States Code (the "**Bankruptcy Code**") and Rules 2002, 6004, 6006, 9007 and 9014 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**").

³ The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. All findings of fact and conclusions of law announced by the Court at the Sale Hearing in relation to the Sale Motion are incorporated herein to the extent not inconsistent herewith. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

C. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable to this proceeding by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Order, and expressly directs entry of judgment as set forth herein.

Notice of the Sale and Auction

D. Actual written notice of the Sale Motion was provided to the following parties (the “*Notice Parties*”): (i) the United States Trustee for the Northern District of Texas (the “*U.S. Trustee*”); (ii) counsel to the Official Committee of Unsecured Creditors (the “*Creditors’ Committee*”); (iii) counsel to the Purchaser; (iv) Banc of America Leasing & Capital, LLC (“*BALC*”); (v) counsel to Bank of America, N.A. (“*BofA*”), in its capacities as pre-petition lender to certain of the Debtors under that certain Amended and Restated Loan and Security Agreement dated as of June 27, 2003 (hereinafter, together with all amendments thereto and modifications thereof, the “*Pre-Petition Loan Agreement*”) between certain of the Debtors and BofA, and post-petition lender; (vi) counsel to the agents under the Debtors’ prepetition secured credit facilities; (vii) all persons or entities holding Liens (defined below) on any of the Purchased Assets; (viii) the Internal Revenue Service; (ix) all non-debtor counterparties to the Debtors’ executory contracts and unexpired leases that are Assumed Contracts; and (x) all persons or entities filing notices of appearance or requests for notice of the proceedings in these chapter 11 cases.

E. Notice of the auction conducted for the sale of the Debtors’ assets on June 1, 2011 (the “*Auction*”) and the Sale Hearing was reasonably calculated to provide all interested parties with timely and proper notice of the Auction, Sale and Sale Hearing.

F. As evidenced by the affidavits of service previously filed with the Court, proper, timely, adequate and sufficient notice of the Auction, Sale Motion, Sale Hearing, Sale and the transactions contemplated thereby, including without limitation, the assumption and assignment of the Assumed Contracts to the Purchaser, was provided in accordance with the orders previously entered by this Court, sections 105(a), 363 and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006, 9007 and 9008. The notices described herein were good, sufficient and appropriate under the circumstances, and no other or further notice of the Auction, Sale Motion, Sale Hearing, Sale or the assumption and assignment of the Assumed Contracts to the Purchaser is or shall be required.

G. The disclosures made by the Debtors concerning the Auction, Agreement, Sale Motion, Sale, assumption and assignment of the Assumed Contracts to the Purchaser and Sale Hearing were good, complete and adequate.

H. A reasonable opportunity to object and be heard with respect to the Sale and the Sale Motion and the relief requested therein (including the assumption and assignment of the Assumed Contracts to the Purchaser and any Cure Costs related thereto), has been afforded to all interested persons and entities, including the Notice Parties.

Good Faith of the Purchaser

I. The Agreement was negotiated, proposed and entered into by the Sellers and the Purchaser without collusion, in good faith and from arms'-length bargaining positions.

J. The Purchaser is not an "insider" or "affiliate" of the Debtors as those terms are defined in the Bankruptcy Code. Neither the Debtors nor the Purchaser have engaged in any conduct that would cause or permit the Agreement to be avoided under section 363(n) of the Bankruptcy Code. Specifically, the Purchaser has not acted in a collusive manner with any

person, and the aggregate price paid by the Purchaser for the Purchased Assets (the "**Purchase Price**") was not controlled by any agreement among the bidders.

K. The Purchaser is purchasing the Purchased Assets in good faith and is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code. The Purchaser proceeded in good faith in connection with all aspects of the Sale, including: (i) complying in all respects with the Bidding Procedures Order; (ii) agreeing to subject its bid to the competitive bidding procedures set forth in the Bidding Procedures Order; (iii) neither inducing nor causing the Debtors' chapter 11 filings; and (iv) disclosing all payments to be made by the Purchaser in connection with the Sale. Accordingly, the Purchaser is entitled to all of the protections afforded under section 363(m) of the Bankruptcy Code.

L. With respect to any discussions or agreements entered into between the Purchaser and the Debtors' management or key personnel regarding compensation or future employment, the Purchaser has disclosed the material terms of any such agreements and the measures taken to ensure the fairness of the Sale in light of any such agreements.

Highest or Otherwise Best Offer

M. The Debtors conducted an auction process in accordance with, and have otherwise complied in all respects with, the Bidding Procedures Order. The auction process set forth in the Bidding Procedures Order and conducted by the Debtors and their advisors afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Purchased Assets. The Auction was duly noticed and conducted in a non-collusive, fair, and good faith manner and a reasonable opportunity has been given to any interested party to make a higher or otherwise better offer for the Purchased Assets.

N. The Auction was conducted on June 1, 2011. Three Qualified Bidders appeared at and participated in the Auction. After a robust bidding process, the Purchaser's bid was selected as the highest and best offer for the Purchased Assets.

O. The Purchaser submitted the highest and best offer for the Purchased Assets. Vitro America Acquisition Corporation submitted the second highest offer. The Bidding Procedures obtained the highest value for the Purchased Assets for the Debtors and their estates. No other entity or group of entities has offered to purchase the Purchased Assets for greater economic value to the Debtors' estates than the Purchaser. The Debtors' determination that the Agreement constitutes the highest and best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment.

No Fraudulent Transfer

P. The consideration provided by the Purchaser pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Purchased Assets, (iii) will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative and (iv) constitutes reasonably equivalent value (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and section 548 of the Bankruptcy Code) and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession or the District of Columbia. No other person, entity or group of entities has offered to purchase the Purchased Assets for greater economic value to the Debtors' estates than the Purchaser. The Debtors' determination that the Agreement constitutes the highest or otherwise best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment. Approval of the Sale Motion and the Agreement, and the consummation of the transactions contemplated thereby, is in the best interests of the Debtors, their estates, creditors and other parties-in-interest.

Q. The Purchaser is not a mere continuation of any of the Debtors or their estates and there is no continuity of enterprise between the Purchaser and any of the Debtors. The Purchaser is not holding itself out to the public as a continuation of any of the Debtors. The Purchaser is not a successor to any of the Debtors or their estates and the Sale does not amount to a consolidation, merger or de facto merger of Purchaser and any of the Debtors.

Purchase Price Allocation

R. Other than with respect to the Sale, neither the payment of the Purchase Price nor the allocation thereof are binding on the Court or creditors.

Validity of Transfer

S. The applicable Debtors have (i) full corporate power and authority to execute and deliver the Agreement and all other documents contemplated thereby, (ii) all corporate authority necessary to consummate the transactions contemplated by the Agreement and (iii) taken all corporate action necessary to authorize and approve the Agreement and the consummation of the transactions contemplated thereby. The Sale has been duly and validly authorized by all necessary corporate action. No consents or approvals, other than those expressly provided for in the Agreement, are required for the applicable Debtors to consummate the Sale, Agreement or transactions contemplated thereby.

T. The Agreement was not entered into for the purpose of hindering, delaying or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia. Neither the Debtors nor the Purchaser are fraudulently entering into the transaction contemplated by the Agreement.

U. The applicable Debtors have good and marketable title to the Purchased Assets and are lawful owners of the Purchased Assets. Pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Purchased Assets to the Purchaser will be, as of the closing

of the transactions contemplated by the Agreement (the "*Closing Date*"), a legal, valid and effective transfer of the Purchased Assets, which transfer vests or will vest the Purchaser with all right, title, and interest of the Sellers to the Purchased Assets free and clear of (i) all liens and Encumbrances (including any right of first offer or refusal regarding or option to purchase any real property) relating to, accruing or arising any time prior to the Closing Date (collectively, the "*Liens*") and (ii) all debts arising under, relating to or in connection with any act of the Debtors or claims (as that term is defined in section 101(5) of the Bankruptcy Code), liabilities, obligations, demands, guaranties, options, rights, contractual commitments, restrictions, interests and matters of any kind and nature, whether arising prior to or subsequent to the commencement of these cases, and whether imposed by agreement, understanding, law, equity or otherwise (including, without limitation, rights with respect to Claims (defined below) and Liens (x) that purport to give to any party a right of setoff or recoupment against, or a right or option to effect any forfeiture, modification, profit sharing interest, right of first refusal, purchase or repurchase right or option, or termination of, the Debtors' or the Purchaser's interests in the Purchased Assets, or any similar rights, or (y) in respect of taxes, restrictions, rights of first refusal, charges of interests of any kind or nature, if any, including, without limitation, any restriction of use, voting, transfer, receipt of income or other exercise of any attributes of ownership) (collectively, as defined in this clause (ii), "*Claims*"), relating to, accruing or arising any time prior to the Closing Date, with the exception of Assumed Liabilities or as expressly provided in this Order.

Section 363(f) Is Satisfied

V. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full; therefore, the Debtors may sell the Purchased Assets free and clear of any interest in the property.

W. The Purchaser would not have entered into the Agreement and would not consummate the transactions contemplated thereby if the Sale and the assumption of liabilities and obligations as set forth in the Agreement by the Purchaser were not free and clear of all Liens, Claims and other interests of any kind or nature whatsoever (other than the Assumed Liabilities). Unless otherwise expressly included in the Assumed Liabilities, the Purchaser shall not be responsible for any Liens or Claims, including in respect of the following: (i) any labor or employment agreements; (ii) all mortgages, deeds of trust and security interests; (iii) intercompany loans and receivables between any of the Debtors and any non-debtor subsidiary; (iv) any pension, multiemployer plan (as such term is defined in Section 3(37) or Section 4001(a)(3) of ERISA), health or welfare, compensation or other employee benefit plans, agreements, practices and programs, including, without limitation, any pension plan of any Debtor or any multiemployer plan to which the Debtor has at any time contributed to or had any liability or potential liability; (v) any other employee, worker's compensation, occupational disease or unemployment or temporary disability related claim, including, without limitation, claims that might otherwise arise under or pursuant to (a) the Employee Retirement Income Security Act of 1974, as amended, (b) the Fair Labor Standards Act, (c) Title VII of the Civil Rights Act of 1964, (d) the Federal Rehabilitation Act of 1973, (e) the National Labor Relations Act, (f) the Age Discrimination and Employee Act of 1967 and Age Discrimination in Employment Act, as amended, (g) the Americans with Disabilities Act of 1990, (h) the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, including, without limitation, the requirements of Part 6 of Subtitle B of Title I of ERISA and Section 4980B of the Code and of any similar state law (collectively, "*COBRA*"), (i) state discrimination laws, (j) state unemployment compensation laws or any other similar state laws, or (k) any other state or

federal benefits or claims relating to any employment with the Debtors or any of their predecessors; (vi) Claims or Liens arising under any Environmental Laws with respect to any assets owned or operated by any Debtor or any corporate predecessor of any Debtor at any time prior to the Closing Date and any of the Debtors' liabilities other than the Assumed Liabilities; (vii) any bulk sales or similar law; (viii) any tax statutes or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended; and (ix) any Excluded Liabilities.

X. Not selling the Purchased Assets free and clear of all Liens, Claims and other interests of any kind or nature whatsoever against the Debtors (except the Assumed Liabilities and except as otherwise provided in this Order) would adversely impact the Debtors' estates, and the sale of the Purchased Assets other than one free and clear of all Liens, Claims and other interests of any kind or nature whatsoever against the Debtors (except the Assumed Liabilities and except as otherwise provided in this Order) would be of substantially less value to the Debtors' estates.

Y. The Debtors may sell the Purchased Assets free and clear of all Liens, Claims and other interests of any kind or nature whatsoever against the Debtors, their estates or any of the Purchased Assets (except the Assumed Liabilities and except as otherwise provided in this Order) because, in each case, one or more of the standards set forth in section 363(f)(1)–(5) of the Bankruptcy Code has been satisfied. Those holders of Liens or Claims against the Debtors, their estates or any of the Purchased Assets who did not object or who withdrew their objections to the Sale or the Sale Motion are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code.

Compelling Circumstances for an Immediate Sale

Z. Good and sufficient reasons for approval of the Agreement and the Sale have been articulated. The relief requested in the Sale Motion is in the best interests of the

Debtors, their estates, their creditors and other parties-in-interest. The Debtors have demonstrated (i) good, sufficient and sound business purposes and justifications for approving the Agreement and (ii) compelling circumstances for the Sale outside of (a) the ordinary course of business, pursuant to section 363(b) of the Bankruptcy Code and (b) a plan of reorganization, in that, among other things, the immediate consummation of the Sale to the Purchaser is necessary and appropriate to maximize the value of the Debtors' estates and the Sale will provide the means for the Debtors to maximize distributions to their creditors.

AA. To maximize the value of the Purchased Assets and preserve the viability of the businesses to which the Purchased Assets relate, it is essential that the Sale occur within the time constraints set forth in the Agreement. Time is of the essence in consummating the Sale.

BB. Given all of the circumstances of these chapter 11 cases and the adequacy and fair value of the Purchase Price under the Agreement, the proposed Sale constitutes a reasonable and sound exercise of the Debtors' business judgment and should be approved.

CC. The Sale does not constitute a *sub rosa* chapter 11 plan for which approval has been sought without the protections that a disclosure statement would afford. The Sale neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates a liquidating plan of reorganization for the Debtors.

DD. The Debtors, in connection with offering products or services, did not disclose any policy prohibiting the transfer of personally identifiable information and, therefore, the sale of the Purchased Assets may be approved pursuant to section 363(b)(1)(A) of the Bankruptcy Code without the appointment of a consumer privacy ombudsman as defined in Bankruptcy Code section 363(b)(1).

EE. The consummation of the Sale and the assumption and assignment of the Assumed Contracts is legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, including, without limitation, sections 105(a), 363(b), 363(f), 363(m), and 365 thereof.

Adequate Assurance of Future Performance

FF. The Purchaser has demonstrated adequate assurance of future performance with respect to the Assumed Contracts pursuant to section 365(b)(1)(C) of the Bankruptcy Code.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

General Provisions

1. The relief requested in the Sale Motion, including the Sale, is granted and approved to the extent set forth in this Order.

2. Any objections to the Sale Motion or the relief requested therein that have not been withdrawn, waived or settled by announcement to the Court during the Sale Hearing or by stipulation filed with the Court, including any and all reservations of rights included in such objections or otherwise (except the reservations of right and objections expressly preserved in this Order), are hereby denied and overruled with prejudice. Those parties who did not object or withdrew their objections to the Sale Motion are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code.

3. In accordance with paragraph 19 of the Bidding Procedures Order, any objections that object solely to the Cure Amount may not prevent or delay the Debtors' assumption and assignment of the Assumed Contracts or the sale of the Purchased Assets. If a party objects solely to a Cure Amount, the Debtors may, with the consent of the Creditors' Committee, hold the claimed Cure Amount in reserve pending further order of the Court or

mutual agreement of the parties. So long as the Debtors hold the claimed Cure Amount in reserve, and there are no other unresolved objections to assumption and assignment, the Debtors can, without further delay, assume and assign the Assumed Contract that is the subject of the objection. If the parties are able to resolve the dispute with respect to the Cure Amount(s), they may file with the Court a notice signed by both parties that establishes the Cure Amount(s) without further order of the Court. If the parties are unable to resolve the dispute with respect to the Cure Amount(s), the Court shall determine the Cure Amount(s) at a future omnibus setting. Under such circumstances, the objecting party's recourse is limited to the funds held in reserve. For purposes of this paragraph the term "party" shall mean one or all of the following: the Debtors, the non-debtor counterparty to the Assumed Contract, the Creditors' Committee and the Purchaser if the Purchaser is liable for the cure cost with respect to the Assumed Contract.

Approval of the Agreement

4. The Agreement as modified by this Order, all Ancillary Agreements, and all of the terms and conditions thereof are hereby approved.

5. Neither the Agreement or this Order shall constitute a release of any claims against the Purchaser given by Vitro S.A.B. de C.V. nor any of its affiliates other than the Debtors (collectively, "***Vitro SAB***"), and any provision to the contrary in the Agreement shall be void and of no effect, subject to paragraph 44 of this Order relating to derivative claims against the Purchaser.

6. The sale of the Purchased Assets and the consideration provided by the Purchaser under the Agreement is fair and reasonable and shall be deemed for all purposes to constitute a transfer for reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable law.

7. Pursuant to sections 363(b) and (f) of the Bankruptcy Code, the Debtors are authorized and empowered to take any and all actions necessary or appropriate to (i) consummate the Sale pursuant to and in accordance with the terms and conditions of the Agreement, (ii) close the Sale as contemplated in the Agreement and this Order, and (iii) execute and deliver, perform under, consummate, implement and fully close the Agreement, including the assumption and assignment of the Assumed Contracts to the Purchaser, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Agreement and the Sale. The Purchaser shall not be required to seek or obtain relief from the automatic stay under section 362 of the Bankruptcy Code to enforce any of its remedies under the Agreement or any other Sale-related document. The automatic stay imposed by section 362 of the Bankruptcy Code is modified solely to the extent necessary to implement the preceding sentence and the other provisions of this Order.

8. This Order shall be binding in all respects upon (a) the Debtors, (b) their estates, (c) all creditors of, and holders of equity interests in, the Debtors, (d) all holders of Liens, Claims or other interests (whether known or unknown) in, against or on all or any portion of the Purchased Assets, (e) the Purchaser and all successors and assigns of the Purchaser, (f) the Purchased Assets and (g) any trustees, if any, subsequently appointed in the Debtors' chapter 11 cases or upon a conversion of these cases to cases under chapter 7 under the Bankruptcy Code. This Order and the Agreement shall inure to the benefit of the Debtors, their estates and creditors, the Purchaser and the respective successors and assigns of each of the foregoing.

Transfer of the Purchased Assets

9. Pursuant to sections 105(a), 363(b), and 363(f) of the Bankruptcy Code, the Debtors are authorized to transfer the Purchased Assets to the Purchaser on the Closing Date and such transfer shall (a) constitute a legal, valid, binding and effective transfer of the

Purchased Assets, (b) vest the Purchaser with title to the Purchased Assets and (c) upon the Debtors' receipt of the Purchase Price, be free and clear of all Liens, Claims and other interests of any kind or nature whatsoever (other than Assumed Liabilities), including but not limited to, successor or successor-in-interest liability and Claims in respect of the Excluded Liabilities, with such Liens, including mechanics, materialmen and subcontractor Liens and rights to receive payment of trust funds, Claims and other interests to attach to the proceeds of the Sale in the order of their priority, with the same validity, force and effect which they now have as against the Purchased Assets. Upon the closing of the Sale (the "**Closing**"), the Purchaser shall take title to and possession of the Purchased Assets subject only to the Assumed Liabilities.

10. The Purchased Assets do not include, and shall not be construed to include, any right, title or interest in or to the name, word, or mark "VITRO" or "VITRO AMERICA" or any registered or common law marks owned by Vitro SAB, or any variation thereof, or similar or related names or trade names (all of the aforementioned words, marks, names, registrations, and rights being, collectively, the "**Vitro Marks**"). Without limiting the foregoing, (i) the Purchaser shall not be permitted to use in any manner (including the sale of inventory bearing a Vitro Mark or the use of a domain name including a Vitro Mark or the word "VITRO") whatsoever the Vitro Marks in connection with the Purchased Assets, Assumed Contracts, or its business in general unless and until the Purchaser obtains a valid license to do so from Vitro SAB and (ii) nothing in the Agreement or this Order shall be, nor shall it be construed to be, a consent or agreement by Vitro SAB to enter into any license or other services agreement or to provide any of the assets of, services by, or rights of Vitro SAB referenced in Schedule 5.8(f) of the Agreement, or to consent to the use of any such property or services by the Purchaser. Notwithstanding the transfer of the Purchased Assets free and clear of any Liens,

Claims and other interests in, to or on such Purchased Assets, such transfer shall not be free and clear of any claims, rights, and interests of Vitro SAB with respect to actions occurring after the Closing against the Purchaser or any person or entity purporting to act on behalf of, or with the permission of, the Purchaser, for infringement of one or more of the Vitro Marks or any other violation of the Lanham Act or similar legislation in any other jurisdiction.

11. Except with respect to Assumed Liabilities, all persons and entities that are in possession of some or all of the Purchased Assets on the Closing Date are directed to surrender possession of such Purchased Assets to the Purchaser or its assignee at the Closing. The provisions of this Order authorizing the sale of the Purchased Assets free and clear of Liens, Claims and other interests of any kind or nature whatsoever (other than the Assumed Liabilities) shall be self-executing, and neither the Debtors nor the Purchaser shall be required to execute or file releases, termination statements, assignments, consents or other instruments in order to effectuate, consummate and implement the provisions of this Order.

12. The Debtors are hereby authorized to take any and all actions necessary to consummate the Agreement, including any actions that otherwise would require further approval by shareholders or any of the Debtors' boards of directors or boards of managers, as the case may be, without the need of obtaining such approvals.

13. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the recorder to act to cancel any liens and other Encumbrances of record except with respect to Assumed Liabilities.

14. If any person or entity which has filed statements or other documents or agreements evidencing Liens on, or interests in, all or any portion of the Purchased Assets (other than statements or documents with respect to the Permitted Encumbrances which are Assumed

Liabilities) shall not have delivered to the Debtors prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of liens and easements and any other documents necessary for the purpose of documenting the release of all liens or interests which the person or entity has or may assert with respect to all or any portion of the Purchased Assets, the Debtors are hereby authorized and directed, and the Purchaser is hereby authorized, on behalf of the Debtors and each of the Debtors' creditors, to execute and file such statements, instruments, releases and other documents on behalf of such person or entity with respect to the Purchased Assets.

15. On the Closing Date, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance and transfer of the Sellers' interests in the Purchased Assets. This Order is and shall be effective as a determination that, on the Closing Date, all Liens, Claims and other interest of any kind or nature whatsoever existing as to the Purchased Assets prior to the Closing Date, other than Assumed Liabilities or as otherwise provided in this Order, shall have been unconditionally released, discharged and terminated, and that the conveyances described herein have been effected; provided, that such Liens, Claims and other interests shall attach to the proceeds of the Sale in the order of their priority, with the same validity, force and effect which they now have as against the Purchased Assets. This Order is and shall be binding upon and govern the acts of all persons and entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or

who may be required to report or insure any title or state of title in or to any lease; and each of the foregoing persons and entities is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

16. To the greatest extent available under applicable law, the Purchaser shall be authorized, as of the Closing Date, to operate under any (i) federal, state, or local governmental or regulatory license, permit, registration, and (ii) governmental authorization or approval of the Debtors with respect to the Purchased Assets, and all such licenses, permits, registrations and governmental authorizations and approvals are deemed to have been, and hereby are, deemed to be transferred to the Purchaser as of the Closing Date.

17. To the extent permitted by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any permit or license relating to the operation of the Purchased Assets sold, transferred or conveyed to the Purchaser on account of the filing or pendency of the Debtors' chapter 11 cases or the consummation of the transactions contemplated by the Agreement. Each and every federal, state, and local governmental agency or department is hereby authorized to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement and this Order.

Prohibition of Actions Against the Purchaser

18. Except for the Assumed Liabilities, or as otherwise expressly provided for in this Order or the Agreement, the Purchaser shall not have any liability or other obligation of any of the Debtors arising under or related to any of the Purchased Assets, and the Purchaser is not a "successor" to the Debtors or their estates by reason of any theory of law or equity, and the Purchaser shall not assume, nor be deemed to assume, or in any way be responsible for any liability or obligation of any of the Debtors and/or their estates under any theory of law or equity.

Without limiting the generality of the foregoing, and except as otherwise specifically provided herein or in the Agreement, the Purchaser shall not be liable for any Claims against any of the Debtors or any of their respective predecessors or affiliates, and the Purchaser shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, under any theory of antitrust, environmental, successor or transferee liability, labor law, successor or successor employer liability (including any obligations pursuant to COBRA) with respect to any employee benefit plan as defined in Section 3(3) of ERISA, de facto merger or joint venture, mere continuation, or substantial continuity, whether known or unknown as of the Closing Date, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether liquidated or unliquidated, including, but not limited to, liabilities on account of warranties, intercompany loans and receivables between any of the Debtors and any non-debtor subsidiary, liabilities relating to or arising from any Environmental Laws, and any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of any of the Purchased Assets prior to the Closing.

19. Except for the Assumed Liabilities, or as otherwise expressly provided for in this Order or the Agreement, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax and regulatory authorities, lenders, trade creditors, litigation claimants and other creditors, holding Liens, Claims or other interests of any kind or nature whatsoever against or in all or any portion of the Purchased Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate), arising under or out of, in connection with, or in any way relating to any of the Debtors, the Purchased Assets, the operation of any of the Debtors' businesses prior to the Closing Date or the transfer of the

Purchased Assets to the Purchaser, hereby are forever barred, estopped and permanently enjoined from asserting against the Purchaser, any of its affiliates, any of the foregoing's successors, assigns, assets or properties or the Purchased Assets, such persons' or entities' Liens, Claims or interests in and to the Purchased Assets, including, without limitation, the following actions:

- (a) commencing or continuing in any manner any action or other proceeding against the Purchaser, any of its affiliates or any of the foregoing's successors, assigns, assets or properties;
- (b) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree or order against the Purchaser, any of its affiliates or any of the foregoing's successors, assigns, assets or properties;
- (c) creating, perfecting or enforcing any Lien or other Claim against the Purchaser, any of its affiliates or any of the foregoing's successors, assigns, assets or properties;
- (d) asserting any setoff, right of subrogation or recoupment of any kind against any obligation due the Purchaser, any of its affiliates or any of the foregoing's successors or assigns;
- (e) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Order, other orders of the Court or the Agreements or actions contemplated or taken in respect thereof; or
- (f) revoking, terminating or failing or refusing to transfer or renew any license, permit or authorization to operate any of the Purchased Assets or conduct any of the businesses operated with the Purchased Assets.

Notwithstanding any other provision of this Order, IFIC's rights of equitable subrogation relating to any contract or obligation bonded by IFIC shall survive this Order and shall not be diminished or subject to any injunctive relief provided by this Order.

20. On the Closing Date, or as soon as possible thereafter, each creditor is authorized and directed, and the Purchaser is hereby authorized, on behalf of each of the Debtors' creditors, to execute such documents and take all other actions as may be necessary to

release Liens, Claims and other interests in or on the Purchased Assets (except Assumed Liabilities or as otherwise provided in this Order), if any, as provided for herein, as such Liens may have been recorded or may otherwise exist.

21. The secretary, any assistant secretary, agent, representative or officer of the Debtors shall be, and hereby is, authorized to certify or attest to any of the foregoing actions (but no such certification or attestation shall be required to make any such action valid, binding, and enforceable). The Debtors are further authorized and empowered to cause to be filed with the secretary of state of any state or other applicable officials of any applicable governmental units any and all certificates, agreements, or amendments necessary or appropriate to effectuate the transactions contemplated by the Agreement, any related agreements and this Order, including amended and restated certificates or articles of incorporation and by-laws or certificates or articles of amendment, and all such other actions, filings or recordings as may be required under appropriate provisions of the applicable laws of all applicable governmental units or as any of the officers of the Debtors may determine are necessary or appropriate. The execution of any such document or the taking of any such action shall be, and hereby is, deemed conclusive evidence of the authority of such person to so act. Without limiting the generality of the foregoing, this Order shall constitute all approvals and consents, if any, required by the applicable business corporation, trust and other laws of the applicable governmental units, including for the change of the Debtors' corporate names, with respect to the implementation and consummation of the Agreement, any related agreements and this Order, and the transactions contemplated thereby and hereby.

22. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of any of the Debtors to

sell and transfer the Purchased Assets to the Purchaser in accordance with the terms of the Agreement and this Order.

23. The Purchaser has given substantial consideration under the Agreement for the benefit of the Debtors, their estates and creditors. The consideration given by the Purchaser shall constitute valid and valuable consideration for the releases of any potential Claims and Liens pursuant to the Order, which releases shall be deemed to have been given in favor of the Purchaser by all holders of Liens against, interests in or Claims against any of the Debtors or any of the Purchased Assets, other than holders of Liens or Claims relating to Assumed Liabilities or as otherwise provided in this Order. The consideration provided by the Purchaser for the Purchased Assets under the Agreement is fair and reasonable and accordingly the purchase may not be avoided under section 363(n) of the Bankruptcy Code.

24. Effective as of the Closing, the Purchaser, its successors and assigns, shall be designated and appointed the Debtors' true and lawful attorney and attorneys, with full power of substitution, in the Debtors' name and stead, on behalf of and for the benefit of the Purchaser, its successors and assigns, for any purpose as provided in the Agreement as amended by this Order, including for the following purposes: to demand and receive any and all of the Purchased Assets and to give receipts and releases for and in respect of the Purchased Assets, or any part thereof, and from time to time to institute and prosecute in the Debtors' name, for the benefit of the Purchaser, its successors and assigns, any and all proceedings at law, in equity or otherwise, which the Purchaser, its successors and assigns, may deem proper for the collection or reduction to possession of any of the Purchased Assets, and to do all acts and things with respect to the Purchased Assets which the Purchaser, its successors and assigns, shall deem desirable. The foregoing powers are coupled with an interest and are and shall be irrevocable by the Debtors.

Assumption and Assignment of Assumed Contracts

25. Pursuant to sections 105(a) and 365 of the Bankruptcy Code, and subject to and conditioned upon the closing of the Sale, the applicable Debtor's assumption and assignment to the Purchaser, and the Purchaser's assumption on the terms set forth in section 2.1 of the Agreement as modified by this Order, of the Assumed Contracts is hereby approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are hereby deemed satisfied.

26. Without limiting the designation rights described in paragraph 29 hereof, the Debtors are hereby authorized and directed in accordance with sections 105(a), 363 and 365 of the Bankruptcy Code to (a) assume and assign to the Purchaser, effective upon the Closing Date, the Assumed Contracts free and clear of all Claims, Liens or other interests of any kind or nature whatsoever and (b) execute and deliver to the Purchaser such documents or other instruments as may be necessary to assign and transfer the Assumed Contracts to the Purchaser.

27. The Assumed Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Purchaser in accordance with their respective terms, notwithstanding any provision in any such Assumed Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts or conditions such assignment or transfer and, pursuant to section 365(k) of the Bankruptcy Code, the Debtors shall be relieved from any further liability with respect to the Assumed Contracts after such assignment to and assumption by the Purchaser, except as provided in the Agreement.

28. Nothing in this Order or the Agreement releases the Purchaser from compliance with any applicable license, permit, registration, authorization, or approval, in each case, of or with respect to a governmental unit. The Purchaser shall continue to honor and

comply with the terms and requirements of any such applicable license, permit, registration, authorization, or approval.

29. The provisions of the Agreement regarding or related to the Designated Remaining Contracts, including but not limited to section 2.7 thereof, are approved and authorized, subject to the reservation of rights of all parties with an interest in such Designated Remaining Contracts to object to any assumption and assignment thereof on any basis whatsoever. The Purchaser may designate any contract or lease as a Designated Remaining Contract in accordance with section 2.7 of the Agreement and may take all actions with respect to contracts and leases set forth in section 2.7 of the Agreement.

30. Notwithstanding anything to the contrary in the Agreement, pursuant to written notice of Purchaser to the Debtors no later than ninety (90) days after the Closing Date, Designated Remaining Contracts may either be (i) designated as Assumed Contracts and assumed by the Debtors and assigned to the Purchaser so long as counterparties with respect to such Designated Remaining Contracts are afforded 10 days notice and opportunity to object to such assumption and assignment (including objections to any cure amounts or assurance of future performance); *provided, however*, that, absent an objection, each such Designated Remaining Contract shall be deemed assumed by the Debtors and assigned to Purchaser without further order or action of or notice to the Court or any other party or (ii) designated as Excluded Contracts and promptly rejected by Sellers. At the end of such ninety (90) day period, any Designated Remaining Contract for which Purchaser has not provided written notice of its desire to assume, shall be deemed an Excluded Contract and Sellers shall promptly reject such Contract or Lease. For the avoidance of doubt, Purchaser does not have a right to designate any Contract or Lease that is an Assumed Contract (whether because it is listed on Schedule 2.1(e) as of the

date of this Agreement or because it is designated as an Assumed Contract following the date of this Agreement) as an Excluded Contract. Further, nothing contained in this Order shall prejudice any party as to any claims under section 365 of the Bankruptcy Code that may exist as to any later attempt to assume any Excluded Contract.

31. All defaults or other obligations of any of the Debtors under the Assumed Contracts arising or accruing prior to the Closing Date (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) shall be cured pursuant to the terms of the Agreement on the Closing Date or as soon thereafter as reasonably practicable.

32. Subject to the reservation of rights of parties to or with respect to Designated Remaining Contracts to object to assumption and assignment thereof, to the extent a counterparty to an Assumed Contract failed to timely object to a Cure Amount, such Cure Amount shall be deemed to be finally determined and any such counterparty shall be prohibited from challenging, objecting to or denying the validity and finality of the Cure Amount at any time, and such Cure Amount, when paid, shall completely revive any Assumed Contract to which it relates. No sections or provisions of any Assumed Contract that purport to provide for additional payments, penalties, charges or other financial accommodations in favor of the non-debtor third party to the Assumed Contracts shall have any force and effect with respect to the Sale and assignments authorized by this Order, and such provisions constitute unenforceable anti-assignment provisions under section 365(f) of the Bankruptcy Code and are otherwise unenforceable under section 365(e) of the Bankruptcy Code. No assignment of any Assumed Contract pursuant to the terms of the Agreement shall in any respect constitute a default under any Assumed Contract. The non-debtor third party to each Assumed Contract shall be deemed to

have consented to such assignment under section 365(c)(1)(B) of the Bankruptcy Code, and the Purchaser shall enjoy all of the applicable Debtor's rights and benefits under each such Assumed Contract as of the applicable date of assumption without the necessity of obtaining such non-debtor third party's written consent to the assumption or assignment thereof.

33. With respect to objections to any Cure Amounts that remain unresolved as of the Sale Hearing, such objections shall be resolved in accordance with the procedures set forth in the Sale Motion.

34. Nothing in this Order, the Sale Motion or in any notice or any other document is or shall be deemed an admission by the Debtors that any contract is an executory contract or must be assumed and assigned pursuant to the Agreement or in order to consummate the Sale.

35. The failure of the Debtors or the Purchaser to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such term(s) or condition(s) or of the Debtors' and Purchaser's rights to enforce every term and condition of such Assumed Contract.

36. All parties to the Assumed Contracts are forever barred and enjoined from raising or asserting against the Purchaser any assignment fee, default, breach, Claim, pecuniary loss or condition to assignment arising under or related to the Assumed Contracts existing as of the Closing Date or arising by reason of the Closing, except for any amounts that are Assumed Liabilities or as otherwise provided in this Order.

Other Provisions

37. This Order, the Agreement and the Ancillary Agreements shall be binding in all respects upon all creditors and equity-holders of any of the Debtors, all non-debtor parties to the Assumed Contracts, all successors and assigns of any of the Debtors and any of their

respective affiliates and subsidiaries and any trustees, examiners, "responsible persons" or other fiduciaries appointed in the Debtors' bankruptcy cases or upon a conversion of such cases to cases under chapter 7 of the Bankruptcy Code in accordance with the Bankruptcy Code and other applicable law. The Agreement and the Ancillary Agreements shall not be subject to rejection or avoidance under any circumstances.

38. The Agreement and the Ancillary Agreements may be modified, amended, or supplemented by the parties thereto in a writing signed by the parties, and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates; provided further that prior notice, and an opportunity to object, shall be provided to the Creditors' Committee.

39. Except to the extent expressly included in the Assumed Liabilities, the Purchaser and its affiliates shall have no liability, obligation or responsibility under the Comprehensive Environmental Response Compensation and Liability Act, or any foreign, federal, state or local labor, employment or Environmental Law by virtue of the Purchaser's purchase of the Purchased Assets or assumption of the Assumed Liabilities.

40. Within three (3) business days after the closing of the Sale, the Debtors shall make the following disposition of the cash proceeds of the Sale:

(i) to the extent secured by an asserted Lien upon any of the Purchased Assets and not assumed by the Purchaser pursuant to the Agreement, the Debtors shall set aside an amount for payment (subject to further order of the Court, as necessary) of all property taxes and related penalties and interest asserted to be due by any taxing authority as provided in paragraphs 55 through 57 of this Order; and

(ii) the Debtors shall remit to an escrow account (the “*Carve-Out Escrow Account*”) at BofA an amount equal to the sum of \$1.5 million for the benefit of the professionals retained by the Debtors and the Creditors’ Committee plus an amount reasonably estimated by the Debtors to be necessary to satisfy all fees owed at any time to the U.S. Trustee, as provided in and subject to the terms and conditions of the Order Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, and 507 (I) Approving Post-Petition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, and (V) Modifying the Automatic Stay [Docket No. 680] (the “*Financing Order*”), and the escrow of such amounts shall satisfy all obligations of BofA, BALC and International Fidelity Insurance Company (“*IFIC*”) with respect to the Carve-Out (as defined in the Financing Order), and the respective asserted liens and claims of BofA, BALC and IFIC shall no longer be subject to the Carve-Out; and

(iii) the Debtors shall remit to BofA an aggregate amount necessary (a) to pay all Pre-Relief Date Debt and Obligations (as such terms are defined in the DIP Credit Agreement), that are outstanding as of the date the Sale is consummated, including, without limitation, all accrued but unpaid interest, fees and other charges owed to BofA under the Pre-Petition Loan Agreement, DIP Credit Agreement or Financing Order or any related documents or agreements; (b) to cash collateralize any contingent Pre-Relief Date Debt or Obligations, including the Pre-Petition LC (as defined in the Financing Order), and any contingent obligations arising from Bank Products (as defined in the DIP Credit Agreement), in each case in an amount equal to BofA’s good faith estimate of all amounts due or to become due in respect of such contingent obligations (and, in the case of the Pre-Petition LC, 105% of the undrawn amount thereof plus any fees and expenses associated with the Pre-Petition LC); (c) to provide cash security for the BALC Leasing

Obligations in an amount equal to BofA's good faith estimate of all amounts due or to become due in respect of such obligations; (d) to pay a reasonable deposit to BofA in connection with any Debtor's ongoing use of bank accounts or other cash management services at BofA; and (e) to pay BofA's reasonable estimate of fees and other charges that may accrue or be incurred after the date that the Sale is consummated under the Pre-Petition Loan Agreement, DIP Credit Agreement or Financing Order or any related documents and agreements; provided that nothing herein will limit BofA's right to receive Full Payment (as defined in the DIP Credit Agreement) of the Pre-Relief Date Debt and the Obligations; in the event that the Pre-Relief Date Debt and Obligations exceed any estimated payoff amount; and

(iv) the Debtors shall pay (or, to the extent requiring further Court approval, shall set aside an amount for payment of) all fees and expenses of Morgan Joseph, LLC for its Court approved compensation for services rendered in connection with the Sale; and

(v) the Debtors shall set aside in the Carve-Out Escrow Account an additional sum of \$3.5 million for the benefit of the Professionals (as defined in the Financing Order) pursuant to, and subject to the terms and conditions of, the Financing Order; and the balance of the cash proceeds shall be reserved for use only as heretofore or hereafter expressly authorized by the Court; and

(vi) the balance of the cash proceeds shall be reserved for use only as heretofore or hereafter expressly authorized by the Court. A reserve of \$300,000 shall be set aside for IFIC's professional fees. The payments to BofA and BALC provided for in this paragraph 40 are a condition to BofA and BALC's consent to the Sale free and clear of their security interests in and liens upon the Purchased Assets, and BofA and BALC's security interests and liens shall attach to the Proceeds of the Sale; provided, however, that any payments to BofA from the proceeds of

Super Sky Products, Inc. and that certain Subcontract Agreement dated as of January 22, 2010, by and between New Atlantic Contracting, Inc. and Vitro America, relating to the Durham County Human Services Complex in Durham County, North Carolina (the "*Durham County Subcontract*") will only be made after either (a) IFIC surety credit documents are executed by the Purchaser consistent with such terms reflected in the term sheet between the Purchaser and IFIC or (b) IFIC's claim secured by an asserted first priority lien on the assets of Super Sky Products, Inc. and the Durham County Subcontract is paid in full. Nothing in this Order shall be deemed or construed to modify the Debtors' obligation to cause Full Payment to occur under (and as defined in) the DIP Credit Agreement, or any other obligation of any Debtor to BofA or BALC under the Financing Order, DIP Credit Agreement or any related documents or agreements. Subject to the Creditors' Committee's right under the Financing Order to review and object to the perfection and validity of liens asserted by BofA and BALC, BofA and BALC may retain all payments received by either of them pursuant to this Order notwithstanding any future allocation or reallocation of the Purchase Price.

41. The consideration provided by the Purchaser to the Debtors pursuant to the Agreement for the Purchased Assets constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and under the laws of the United States, any state, territory, possession or the District of Columbia.

42. Except for the Assumed Liabilities, or as otherwise expressly provided for in this Order or the Agreement, the Purchaser shall not assume, nor be deemed to assume, or in any way be responsible for any liability or obligation of any of the Debtors and/or their estates, including, but not limited to, any bulk sales or similar law, successor liability, antitrust law, labor

law, de facto merger or substantial continuity, whether known or unknown as of the Closing Date, now existing or hereafter raised, which may be asserted or unasserted, fixed or contingent, liquidated or unliquidated with respect to the Debtors, or any of their predecessors or affiliates or any obligations of the Debtors or their predecessors or affiliates arising prior to the Closing Date, for any liabilities, debts, commitments or obligations (whether known or unknown, disclosed or undisclosed, absolute, contingent, inchoate, fixed or otherwise) in any way whatsoever relating to or arising from the Purchased Assets or the Debtors' operation of their businesses or use of the Purchased Assets on or prior to the Closing Date including, but not limited to, any liabilities, debts, commitments or obligations arising on or prior to the Closing and under or in connection with: (a) any employment or labor agreements (including any collective bargaining agreements), consulting agreements, severance arrangements, change-in-control agreements or other similar agreement to which the Debtors are a party; (b) any pension, welfare, compensation or other employee benefit plans, agreements, practices and programs, including, without limitation, any pension plan of the Debtors; (c) the cessation of the Debtors' operations, dismissal of employees or termination (including rejection) of employment or labor agreements (including any collective bargaining agreements) or pension, welfare, compensation or other employee benefit plans, agreements, practices and programs, obligations that might otherwise arise from or pursuant to applicable law; (d) workmen's compensation, occupational disease or unemployment or temporary disability insurance claims; (e) environmental liabilities, debts, claims or obligations arising from conditions first existing on or prior to Closing; (f) any liabilities, debts, commitments or obligations of, or required to be paid by, the Debtors for any taxes of any kind for any period; (g) any liabilities, debts, commitments or obligations for any taxes relating to the business of the Debtors or the Purchased Assets for or applicable to the pre-closing period;

(h) any litigation; (i) any products liability, other tort or similar claims, whether pursuant to any state or any federal law; and (j) any Excluded Liabilities as set forth in the Agreement. The Purchaser has given substantial consideration under the Agreement for the benefit of the holders of any Liens. The consideration given by the Purchaser shall constitute valid and valuable consideration for the releases of any potential claims of successor liability of the Purchaser, which releases shall be deemed to have been given in favor of the Purchaser by all holders of Liens against or interests in the Debtors or any of the Purchased Assets.

43. Nothing in this Order or the Asset Purchase Agreement releases, nullifies, or enjoins the enforcement of any liability to a governmental unit under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the date of entry of this Order, and the Purchaser reserves all rights and defenses other than asserting that it is free of such liability on account of this Order with respect to any liability to a governmental unit under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the date of entry of this Order. Notwithstanding the foregoing sentence, nothing in this Order shall be interpreted to impose liability on the Purchaser for penalties or other costs for days of violation prior to entry of this Order under environmental laws or regulations or otherwise or shall constitute an admission of liability by the Purchaser under environmental laws or regulations.

44. The Purchaser is hereby generally released by the Sellers and their respective estates from any and all claims that the Debtors or any party claiming derivatively through the Debtors may have against the Purchaser, other than claims against the Purchaser arising under the Agreement or as otherwise provided in this Order.

45. The transactions contemplated by the Agreement are undertaken by the Purchaser without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code, and, accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the Sale, unless such authorization and such Sale are duly stayed pending such appeal. The Purchaser is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code.

46. In accordance with the Bidding Procedures Order, the Purchaser is the Successful Bidder and Vitro America Acquisition Corporation submitted the Back-Up Bid. In the event that the Purchaser fails to close pursuant to the Agreement, Vitro America Acquisition Corporation will be authorized to close pursuant to their Back-Up Bid and all references in the Order to "purchaser" shall be deemed to apply to Vitro America Acquisition Corporation, including, but not limited to, any good faith purchaser findings.

47. Nothing contained in any plan of reorganization or liquidation, or order of any type or kind entered in (a) these chapter 11 cases, (b) any subsequent chapter 7 cases into which these chapter 11 cases may be converted or (c) any related proceeding subsequent to entry of this Order, shall conflict with or derogate from the provisions of the Agreement (as modified by this Order) or the terms of this Order.

48. No bulk sales law or any similar law of any state or other jurisdiction applies in any way to the Sale.

49. The failure to specifically include any particular provision of the Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Agreement be authorized and approved in its entirety; *provided*,

however, that this Order shall govern if there is any inconsistency between the Agreement (including all Ancillary Agreements) and this Order. Likewise, all of the provisions of this Order are non-severable and mutually dependent.

50. The Court shall retain jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Agreement, all amendments thereto and any waivers and consents thereunder and each of the agreements executed in connection therewith to which any Debtor is a party or which has been assigned by any Debtor to the Purchaser, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the Sale, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Purchased Assets to the Purchaser, (b) interpret, implement and enforce the provisions of this Order, (c) protect the Purchaser against any Liens, Claims or other interest in or against any of the Debtors or the Purchased Assets of any kind or nature whatsoever attaching to the proceeds of the Sale and (d) enter any orders under section 363 or 365 of the Bankruptcy Code with respect to the Assumed Contracts.

51.
