PATENT AND TRADEMARK SECURITY AGREEMENT RELEASE

RELEASE OF SECURITY AGREEMENT, dated as of August 26, 2011, by Ares Capital Corporation (the "Second Lien Lender"), for the benefit of Reflexite Corporation (the "Borrower"), in connection with the Amended and Restated Senior Subordinated Loan Agreement by and among the Borrower, the Second Lien Lender and Ivy Hill Middle Market Credit Fund, Ltd. and acknowledged by each of Fresnel Optics, Inc., Reflexite Display Optics, Inc. and Reflexite Energy Solutions, Inc. as guarantors, dated as of October 12, 2010 (the "Loan Agreement"). Capitalized terms used herein without definition shall have the meanings ascribed to such terms in the Patent and Trademark Security Agreement (as defined below).

WHEREAS, in connection with the Loan Agreement, the Second Lien Lender and the Borrower entered into the Second Lien Patent and Trademark Security Agreement, dated as of January 9, 2009 and amended pursuant to the First Amendment to Second Lien Patent and Trademark Security Agreement on October 12, 2010 (the "Patent and Trademark Security Agreement"), which was recorded with the United States Patent and Trademark Office at Reel 017025, Frame 0355 on January 12, 2009, Reel 025137, Frame 0507 on October 15, 2010, and Reel 3916, Frame 0876 on January 12, 2009; and

WHEREAS, pursuant to the Patent and Trademark Security Agreement, the Second Lien Lender mortgaged and pledged to the Borrower a lien on, and security interest in, all of the Collateral as collateral security for the full, prompt and complete payment and performance of the Obligations (as defined in the Loan Agreement).

In connection with the termination of all obligations and liabilities of the Borrower under the Patent and Trademark Security Agreement, pursuant to the pay-off letter issued by the Second Lien Lender to the Borrower, dated August 26, 2011, the Second Lien Lender has agreed (i) to terminate and release all its security interest and all its right, title and interest in, to and under the Collateral, including, without limitation, those items identified on Exhibits A and B attached hereto, all reissues, continuations or continuations-in-part of the foregoing and all proceeds of the foregoing, including, without limitation, any claim by the Second Lien Lender against third parties for past, present or future infringement of any Collateral (collectively, the "Released Collateral"), each of such Released Collateral being owned by and registered in the name of the Borrower and with respect to which a security interest therein was granted to the Second Lien Lender pursuant to the Patent and Trademark Security Agreement and (ii) to assign and transfer to the Borrower all deeds, assignments and other instruments as may be necessary or proper to reassign, reconvey and re-vest in the Borrower the entire right, title and interest in the Released Collateral, as herein provided;

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Second Lien Lender hereby releases the Borrower from the Patent and Trademark Security Agreement and assigns and transfers to the Borrower, without representation, warranty or recourse, all of the Second Lien Lender's right, title and interest in and to each of the Released Collateral in which the Borrower granted a security interest to the Second Lien Lender pursuant to the Patent and Trademark Security Agreement, effective as of the date set forth above.

ARES CAPITAL CORPORATION
