INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement, dated as of November 22, 2011, is made by PRINTRUNNER, LLC ("**Grantor**") in favor of SILICON VALLEY BANK, as administrative agent (together with its successors, in such capacity, the "**Administrative Agent**") for the banks and other financial institutions or entities (each a "**Lender**" and, collectively, the "**Lenders**") from time to time parties to that certain Credit Agreement, dated as of November 22, 2011 (as amended, amended and restated, supplemented, restructured or otherwise modified, renewed or replaced from time to time, the "**Credit Agreement**"), among Digital Room, Inc., the Lenders party thereto and the Administrative Agent.

RECITALS

A. The Lenders have agreed to make certain advances of money and to extend certain financial accommodation to Grantor (the "**Loans**") in the amounts and manner set forth in the Credit Agreement. The Lenders are willing to make the Loans to Grantor, but only upon the condition, among others, that Grantor shall grant to the Administrative Agent a security interest in certain Copyrights, Trademarks and Patents to secure the obligations of Grantor under the Credit Agreement and the other Loan Documents. Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Credit Agreement.

B. Pursuant to the terms of the Guarantee and Collateral Agreement, Grantor has granted to Administrative Agent a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Credit Agreement, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its obligations under the Credit Agreement and the other Loan Documents, Grantor grants and pledges to Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Administrative Agent under the Guarantee and Collateral Agreement. The rights and remedies of Administrative Agent with respect to the security interest granted hereby are in addition to those set forth in the Credit Agreement, the Guarantee and Collateral Agreement and the other Loan Documents, and those which are now or hereafter available to Administrative Agent or any Lender as a matter of law or equity. Each right, power and remedy of Administrative Agent

provided for herein or in the Credit Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Administrative Agent of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Credit Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Administrative Agent, of any or all other rights, powers or remedies.

IN WITNESS WHEREOF, the parties have cause this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
