## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (the "Assignment") of all rights is made and entered into on August 25, 2011 (the "**Effective Date**"), by and between Corel Corporation, having an address at 385 Ravendale Drive, Mountain View, CA 94043 (the "**Assignor**") and iGrafx, LLC, a Delaware limited liability company, having an address at 6011 West Courtyard Drive, Suite 200, Austin, Texas 78730 ("**Assignee**").

**WHEREAS**, in connection with the transactions contemplated by the Asset Purchase Agreement dated as of even date herewith, by and between Assignor and Assignee, Assignor wishes to assign to Assignee, and Assignee wishes to accept from Assignor, the registered trademarks and applications for trademark set forth on Schedule 1 attached hereto (collectively, the "**Assigned Trademarks**").

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Assignor hereby sells, assigns and transfers to Assignee its entire right, title and interest in and to the Assigned Trademarks, together with the goodwill of the business associated with the Assigned Trademarks, all other corresponding rights secured under the laws of the United States and any foreign country and all claims for damages by reason of past, present or future infringement or other unauthorized use of the Assigned Trademarks, including the right to collect all proceeds and damages therefrom.

Assignor further agrees that should additional or further documentation of the assignment be required to protect, secure, vest and record good title to the Assigned Trademarks in Assignee, Assignor will, without further consideration, provide or execute such other information or documents as may be reasonably necessary upon Assignee's reasonable request.

Assignor hereby authorizes and requests the Commissioner for Trademarks of the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Assigned Trademarks registered in the corresponding jurisdiction.

This Assignment may be executed in one or more counterparts, each of which will be deemed an original and all of which, when taken together, will constitute one and the same Trademark Assignment.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, Assignor and Assignee execute this Assignment by their duly authorized representatives as of the Effective Date.
