TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of October 31, 2011 (this "Agreement"), is made by ACUSHNET COMPANY, a Delaware corporation (the "Grantor"), in favor of KOREA DEVELOPMENT BANK, NEW YORK BRANCH ("KDB NY"), as the administrative agent (together with its successor(s) thereto in such capacity, the "Collateral Agent") for each of the Secured Parties.

W I T N E S S E T H :

WHEREAS, pursuant to the Senior Revolving Facilities Agreement, dated as of July 22, 2011 (as amended, modified, restated, consolidated, replaced or supplemented from time to time, the "Revolving Agreement"), among Alexandria Holdings Corp., a Delaware corporation, the Borrower, various financial institutions and other parties from time to time parties thereto (the "Revolving Lenders"), KDB NY, as administrative agent and security agent, and Korea Development Bank as Arranger, the Revolving Lenders have extended commitments to make credit extensions to the Borrower;

WHEREAS, pursuant to the Subscription Agreement, dated October 13, 2011, between the Grantor and Korea Development Bank, as the Mandated Lead Arranger (the "Lead Arranger"), the Grantor has authorized and the Lead Arranger has agreed to subscribe and pay for, or to procure subscriptions and payment for, certain secured floating rate notes (the "Notes") with a principal amount of \$500,000,000 to be issued in accordance with the Agency Agreement, dated concurrently herewith (as amended, modified, restated, consolidated, replaced or supplemented from time to time, the "Agency Agreement") (the Agency Agreement, together with the Revolving Agreement shall be referred to herein as the "Financing Agreements"), between Borrower, and KDB Asia Limited. Any holder of such Note, a "Noteholder" and collectively, the "Noteholders," and together with the Revolving Lenders, collectively referred to herein as the "Secured Parties";

WHEREAS, in connection with the Financing Agreements, the Grantor has executed and delivered an Amended and Restated Pledge and Security Agreement, dated as of October 31, 2011 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Financing Agreements and the Security Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Collateral Agent a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Obligations; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees, for the benefit of each Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby collaterally assigns and pledges to the Collateral Agent, for its benefit and the ratable benefit of each other Secured Party, and hereby grants to the Collateral Agent, for its benefit and the ratable benefit of each other Secured Party, a continuing security interest in all of the following property, whether now or hereafter existing or acquired by the Grantor (the "Trademark Collateral"):

(a) (i) all of its trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, and all goodwill of the business associated therewith, now existing or hereafter adopted or acquired including those referred to in Item A of Schedule I hereto, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any other political subdivision thereof or otherwise or registrations, recordings and applications in corresponding offices in Canada, and all common-law rights relating to the foregoing, and (ii) the right to obtain all extensions or renewals of the foregoing (collectively referred to as the "Trademark or Trademarks");

(b) all trademark licenses for the grant by or to the Grantor of any right to use any Trademark, including each Trademark license referred to in Item B of Schedule I hereto;

(c) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clause (a), and to the extent applicable clause (b);

(d) the right to sue third parties for past, present and future infringements of any Trademark Collateral described in clause (a) and, to the extent applicable, clause (b); and

(e) all Proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license and all rights corresponding thereto throughout the world.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Collateral Agent in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in Canada. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Collateral Agent for its benefit and the ratable benefit of each other Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Collateral Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Loan Document. This Agreement is a Loan Document executed pursuant to each of the Financing Agreements and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof.

SECTION 6. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.
