### REORDABLE ASSIGNMENT OF TRADEMARKS

This RECORDABLE ASSIGNMENT OF TRADEMARKS (this "Assignment") is made as of November 23, 2011 ("Effective Date") by and between The Hobart West Group, Inc., a Delaware corporation (the "Seller") and Bayside Gallo Acquisition, LLC, a Delaware limited liability company ("Assignee").

WHEREAS the Seller, Assignee and the other parties thereto have entered into that certain Asset Purchase Agreement, dated as October 6, 2011, as amended from time to time (the "Agreement"), pursuant to which Assignee has acquired certain assets of the Seller, including without limitation the registered trademark listed on Table A-6 hereto and made part hereof (the "Assigned Mark"); and

WHEREAS, the Seller wishes to effectuate the assignment of the Assigned Mark to Assignee.

NOW, THEREFORE, in consideration of the mutual representations, warranties and covenants set forth herein and in the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned parties agree as follows:

1. The Seller does hereby sell, convey, transfer, assign and deliver unto Assignee, and Assignee hereby assumes and accepts, all of the Seller's worldwide rights, title, and interest in and to the Assigned Mark. Such assignment includes, without limitation, all registrations and applications for the foregoing, all common law rights in the foregoing, the goodwill of the business connected with the use of and symbolized by the foregoing, all rights of action arising from the foregoing, including without limitation all claims for damages by reason of infringement of the foregoing and all present, past and future rights to sue and collect damages or seek injunctive relief for any such infringement, and further including all income, royalties and any other payment now and hereafter due and/or payable to Assignee, in each case, to be held and enjoyed by Assignee for its own use and benefit and for its successors and assigns as the same would have been held by Seller had this assignment not been made.

2. The Seller hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office, and any official of any country or countries foreign to the United States, whose duty is to issue trademark registrations or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

3. This instrument shall be construed in accordance with and governed by the laws of the State of New York, without regard to the principles of conflicts of law thereof that would defer to the substantive laws of any other jurisdiction. This instrument may be executed by PDF signature and in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.
