TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT (this "Agreement") dated as of December 12, 2011 and effective as of January 4, 2011 (the "Effective Date"), among DataQuick Lending Solutions, Inc. (formerly known as MDA Lending Solutions, Inc.), a Delaware corporation with a place of business at 5300 Brandywine Parkway, Ste. 100, Wilmington, Delaware 19803 (the "Grantor"), and Bank of America, N.A., as administrative agent (in such capacity, the "Administrative Agent").

Reference is made to (a) the Credit Agreement dated as of January 4, 2011 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Property Data (U.S.) I, Inc. (the "Borrower"), Property Data Holdings, Ltd., the lenders from time to time party thereto (the "Lenders") and the Administrative Agent and (b) the Collateral Agreement dated as of January 4, 2011 (as amended, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among the Borrower, the other grantors from time to time party thereto and the Administrative Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The Grantor is an Affiliate of the Borrower and is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and the Issuing Banks to issue additional Letters of Credit and as consideration for Loans previously made and Letters of Credit previously issued. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, as of the Effective Date, a security interest (the "Security Interest") in all of such Grantor's right, title and interest in, to and under any Trademarks now owned or at any time hereafter acquired by such Grantor, including those listed on Schedule I; provided that no security interest is granted on any intent-to-use trademark applications filed in the United States Patent and Trademark Office to the extent that, and solely during the period in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable Requirements of Law (the "Trademark Collateral").

SECTION 3. Collateral Agreement. The Security Interest granted to the Administrative Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
