2 Assignment and further assurance

- 2.1 Subject to the payment of the Purchase Price in accordance with clause 2.2 (receipt of which the Seller and the Administrators respectively hereby acknowledges), the Seller hereby assigns and transfers to the Buyer the Assigned Rights with the intent that the same shall vest in the Buyer forthwith upon the date of this deed.
- 2.2 The assignment constituted by clause 2.1 shall take effect immediately upon receipt by the Administrators on behalf of the Seller of the Purchase Price in cleared funds to the bank account directed by the Administrator to the Buyer.
- 2.3 The Seller and the Administrators shall immediately on execution of this deed make available to the Buyer all copies of the Materials.
- 2.4 The Seller and the Administrators shall, at the expense of the Buyer:
 - (a) do and execute, and ensure the doing or execution of, all matters, acts, documents, deeds and things which the Buyer may at any time reasonably require to vest the Assigned Rights in the Buyer properly, to register any of Assigned Rights at any official registry and otherwise to perfect the Buyer's title to the Assigned Rights;
 - (b) take such action (including without limitation the carrying out of any investigations and the issue of legal proceedings) as the Buyer may reasonably require: (i) in relation to the actual or suspected misuse, infringement and/or breach of any of the Assigned Rights; (ii) to protect the Assigned Rights from, and to prevent the actual or suspected misuse, infringement and/or breach of the Assigned Rights; (iii) to prevent any person other than the Buyer from exploiting the Assigned Rights; and (iv) to enforce any rights of the Seller in and to the Contracts where these are not capable of assignment to the Buyer, in each case as the Buyer may at any time reasonably require;
- 2.5 The Seller and the Administrators shall not disclose to any third party any of the Materials, the Assigned Rights or any information whatsoever concerning the same.
- 2.6 The restrictions on disclosure set out in clause 2.5 shall not apply to any information to the extent that it:

- (b) is required to be disclosed by the Seller or the Administrators by law or pursuant to any court order, but then only to the extent of and for the purpose for which such disclosure is required.

3 Liability

- 3.3 The Seller and the Administrators hereby expressly exclude all representations, warranties, conditions, guarantees and stipulations, whether express or implied, statutory, customary or otherwise in respect of the Assigned Rights (including without limitation warranties and conditions as to title, validity and description).
- 3.4 The Buyer acknowledges and agrees that:
 - (a) the terms and conditions of this deed and the exclusions and limitations contained in it are fair and reasonable having regard for the fact that the sale of the Assigned Rights is being made by an insolvent company in circumstances where the Administrators' knowledge of the Assigned Rights and the business carried on by the Seller is limited and it is usual that no representations and warranties are given by or on behalf of the Seller or the Administrators in such circumstances;
 - (b) the Buyer is purchasing the Assigned Rights "as is" and has relied solely on the opinions of itself and its professional advisors in deciding to purchase the Assigned Rights.

4 General

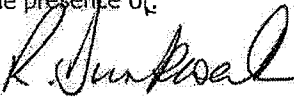

- 4.1 This deed may be executed in any number of counterparts, and by the Parties on separate counterparts, each of which when so executed and delivered shall constitute an original but all the counterparts shall together constitute one and the same instrument.
- 4.2 This deed may only be varied with the prior written agreement of all parties.
- 4.3 This deed constitutes the entire understanding between the parties in relation to the subject matter of this deed and replaces, extinguishes and supersedes all previous agreements between the parties relating to its subject matter.
- 4.4 No person who is not a party to this deed shall have any right (whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise) to enforce any term of this deed.
- 4.5 The Buyer (and any successor in title to the Buyer) may assign his (or its) rights under this deed to any third party.

4.6 This deed, and any dispute, controversy, proceedings or claim of whatever nature arising out of or in any way relating to this deed or its formation, shall be governed by and construed in accordance with English law and, for these purposes, each party irrevocably submits to the exclusive jurisdiction of the courts of England.
