CORRECTIVE TRADEMARK ASSIGNMENT

WHEREAS, Navman Wireless Holdings, L.P. (hereinafter "Assignor"), a Delaware Limited Partnership having a place of business at 2701 Patriot Blvd., Suite 125, Glenview, Illinois, 60026, and Navman Wireless OEM Solutions LP (hereinafter "Assignee") also having a place of business at 2701 Patriot Blvd., Suite 125, Glenview, Illinois, 60026, entered into a Trademark Assignment dated December 16, 2011;

WHEREAS, by the terms of the Trademark Assignment, Assignor assigned, sold and set over unto the Assignee, its successors, legal representatives and assigns, the entire right, title, and interest to any and all rights and privileges associated with certain trademarks and the applications and registrations thereof (collectively identified as "Trademarks" in the Trademark Assignment and identified in the attached Schedule A), together with the goodwill of the business symbolized thereby, and any and all renewals thereof, and the right to bring suit and collect damages for past infringements thereof. Assignor further covenanted and agreed that the Assignor will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect said right, title, and interest and said rights and privileges in Assignee, its successors, assigns and legal representatives

WHEREAS, it has come to the attention of the Assignor and Assignee that the Trademark Assignment included a typographical error in the address of both the Assignor and Assignee, namely, a misspelling in the name of the street such that the street name was "Patroit" rather than "Patriot";

WHEREAS, the parties wish to ratify and confirm the assignment and transfer of the entire right, title and interest to any and all rights and privileges associated with the trademarks identified in the Trademark Assignment and in the attached Schedule A, together with the goodwill of the business symbolized thereby and any and all renewals thereof, and the right to bring suit and collect damages for past infringements thereof;

NOW, THEREFORE, be it known by all whom it may concern, that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee hereby agree as follows:

Assignor hereby assigns, sells, and sets over nunc pro tunc, at least as early as December 16, 2011, but prior to the date of execution hereof, unto the Assignee, its successors, legal representatives and assigns, the entire right, title, and interest to any and all rights and privileges associated with the Trademarks (as defined in the Trademark Assignment dated December 16, 2011), together with the goodwill of the business symbolized thereby, and any and all renewals thereof, and the right to bring suit and collect damages for past infringements thereof. Assignor hereby covenants and agrees that the Assignor will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect said right, title, and interest and said rights and privileges in Assignee, its successors, assigns and legal representatives

IN WITNESS WHEREOF, the undersigned have caused this Corrective Trademark

Assignment to be executed by the signatures of their duly authorized officers.
