EXECUTION VERSION

TRADEMARK SECURITY AGREEMENT dated as of December 22, 2011 (this "Agreement"), among the entities identified as grantors on the signature pages hereto (each a "Grantor" and collectively, "Grantors") and Credit Suisse AG, as administrative agent (in such capacity, the "Administrative Agent").

Reference is made to (a) the Credit Agreement, dated as of December 22, 2011 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among WP Expedition Holdings LLC, a Delaware corporation ("Holdings"), WP Expedition Merger Sub, Inc., a Delaware corporation (to be merged with and into EIG Investors Corp., a Delaware corporation (the "Company"), on the date thereof with the Company as the survivor) (the "Borrower"), the Lenders from time to time party thereto (the "Lenders") and the Administrative Agent and (b) the Collateral Agreement dated of even date with the Credit Agreement (as amended, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among the Borrower, the other grantors from time to time party thereto and the Administrative Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. Each Grantor is an Affiliate of the Borrower and is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and the Issuing Banks to issue additional Letters of Credit and as consideration for Loans previously made and Letters of Credit previously issued. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of such Grantor's right, title and interest in, to and under the trademarks and trademark applications listed on Schedule I attached hereto (the "Trademark Collateral"). This Agreement is not to be construed as an assignment of any trademark or trademark application.

SECTION 3. Collateral Agreement. The Security Interest granted to the Administrative Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Termination. Subject to Section 5.13 of the Collateral Agreement, upon the full performance of the Secured Obligations (other than indemnity obligations under the Loan Documents that are not then due and payable or for which any events or claims that would give rise thereto are not pending), the security interest granted herein shall terminate and the Administrative Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
