3320743	10/23/2007	EQUIPMENT SAVERS FLEET SERVICES & Design	37

WHEREAS, in addition, Assignor wishes to assign its intellectual property rights to Assignee, including Assignor's ongoing business associated therewith.

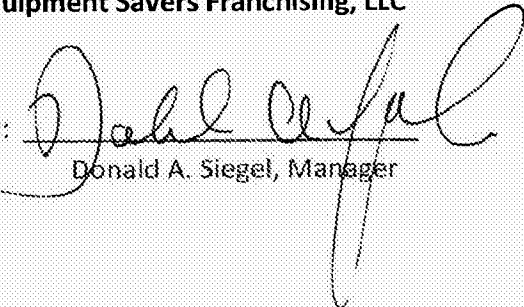

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor assigns to Assignee all rights in the Marks, the goodwill pertaining thereto, the Registrations, and the right to enforce and/or sue third-parties for past violations of any rights pertaining to the Marks. Further, Assignor hereby irrevocably assigns to Assignee, to the greatest extent permitted by applicable law, its entire worldwide right, title and interest, and those of its employees, independent contractors and other agents (if applicable), in its intellectual property, without exclusion. Such assignment shall include, without limitation, all copyrights, trademarks/service marks, common law

trademarks/service marks, trade names, patents, patent applications, trade secrets, licenses thereof, or other intellectual property rights, tangible or intangible, associated with any ideas, concepts, techniques, discoveries, inventions, processes, improvements, derivative works or works of authorship. The assignment of copyright hereunder includes all rights of paternity, integrity, disclosure and withdrawal, and any other rights that may be known as or referred to as "moral rights."

Assignor agrees to take such further action(s), including execution and delivery of instruments of conveyance, as Assignee may require to give full and proper effect to the foregoing.

IN WITNESS WHEREOF, the undersigned has executed this Assignment as of the date first above written.
