TRADEMARK SECURITY AGREEMENT (TERM B) (FIRST SUPPLEMENTAL FILING)

THIS TRADEMARK SECURITY AGREEMENT (TERM B) (FIRST SUPPLEMENTAL FILING), dated as of December 30, 2011, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of General Electric Capital Corporation ("GE Capital"), as collateral agent for the Secured Parties referred to in the Guaranty and Security Agreement (as defined below) (in such capacity, "Agent").

WITNESSETH:

WHEREAS, pursuant to the Amended and Restated Credit Agreement, dated as of June 15, 2010 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrowers, TWI as Borrower Representative, Holdings, the other Credit Parties, the Lenders, the L/C Issuers from time to time party thereto and GE Capital, as agent for the Lenders and the L/C Issuers, the Term B Lenders, the other Lenders and the L/C Issuers severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor agreed, pursuant to the Amended and Restated Guaranty and Security Agreement (Term B) dated as of June 15, 2010 in favor of the Agent (the "Guaranty and Security Agreement"), to guarantee the Obligations (as defined therein) of each Borrower; and

WHEREAS, all of the Grantors are party to the Guaranty and Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement (Term B) (First Supplemental Filing).

NOW, THEREFORE, in consideration of the premises and to induce the Term B Lenders and the Agent to enter into the Credit Agreement and to induce the Term B Lenders to make their respective extensions of credit to the Borrowers thereunder, each Grantor hereby agrees with the Agent as follows:

Section 1.      Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2.      Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby grants to the Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral");

(a) all of its Trademarks and all IP Licenses providing for the grant by or to such Grantor of any right under any Trademark, including, without limitation, those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement (Term B) (First Supplemental Filing) is granted in conjunction with the security interest granted to the Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement (Term B) (First Supplemental Filing) may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Trademark Security Agreement (Term B) (First Supplemental Filing) and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of Illinois.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement (Term B) (First Supplemental Filing) to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

TW CRYOGENICS LLC,

as Grantor

By: 

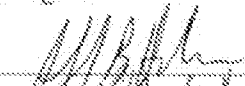

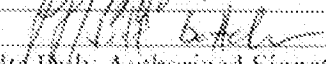

Name: Denise MacDonell

Title: Treasurer
