TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of December 30, 2011 ("Effective Date") by and between The Corporate Executive Board Company, a Delaware Corporation ("Assignor") and Ziff Davis, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor owns all of the trademark applications and registrations set forth on Schedule A (the "Marks");

WHEREAS, Assignor, Assignee, and Toolbox.com, LLC, a Delaware limited liability company ("Seller"), are parties to that certain Asset Purchase Agreement ("Purchase Agreement") dated December 23, 2011 pursuant to which Seller and Assignor agreed to sell, transfer, convey and assign, and Assignee agreed to acquire, substantially all of the assets and properties held by Seller and used in the operation of the Business (as defined in the Purchase Agreement);

WHEREAS, in connection with the Purchase Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the Marks, together with the goodwill associated with the Marks and that portion of the Business related thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers, conveys, and delivers to Assignee all of Assignor's right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith, including, without limitation, any common law rights associated therewith, any registrations that issue from the Marks, any renewals and extensions of such registered Marks and all corresponding rights that are or may be secured under the laws of the United States or any foreign country or multi-national registration body, now or hereafter arising or in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all rights to collect royalties, products and proceeds in connection with any of the foregoing and all rights to sue for past, present or future infringement, misappropriation, unfair competition, dilution or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith, and all rights corresponding thereto throughout the world.

Assignor hereby requests the United States Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Marks.

This Assignment shall be governed by and construed in accordance with the laws of the State of New York without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the State of New York.

The parties hereto acknowledge and agree that this Assignment is subject to, and will be construed in accordance with, the terms and conditions of the Purchase Agreement applicable to the subject matter hereof.

This Assignment may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same document. This Assignment may be executed and delivered by e-mail or facsimile, and copies of signatures hereon will be deemed as binding as originals.
