**Declaration of Owner/Registrant Regarding
Improper Recording of Security Agreement**

The owner of the above-captioned registration is Omni Financial Group, Inc. ("Registrant"). It has come to Registrant's attention that on June 11, 1998, a security agreement was recorded with the Trademark Office's Assignment Branch, which agreement is between Simitar Entertainment, Inc. and Congress Financial-Corporation (Central). Registrant does not have, nor did it ever have, any relationship whatsoever with Simitar Entertainment, Inc., the party that purported to grant a security interest in Registrant's registration. It appears this security agreement was recorded against the wrong registration. In short, Omni Financial Group, Inc. is, and always has been, the owner of this registration, and no security interest should be recorded against the registration.

The undersigned, being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his own knowledge are true and all statements made on information and belief are believed to be true.
