TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** dated as of December 22, 2011 (this "Trademark Security Agreement"), is made by **HANOVER DIRECT, INC.**, a Delaware corporation ("Hanover"), and **EACH OTHER BORROWER FROM TIME TO TIME PARTY HERETO** (together with Hanover, collectively, the "Grantors" and each, individually, a "Grantor"), in favor of **CAPITAL ONE LEVERAGE FINANCE CORP.**, a Delaware corporation ("Lender"). All capitalized terms used but not defined herein shall have the meanings given to such terms in the Loan Agreement (as hereinafter defined).

RECITALS:

A. The Grantors, the other borrowers from time to time party thereto, the guarantors from time to time party thereto and Lender are party to a Loan and Security Agreement dated as of the date hereof (as amended, restated or otherwise modified from time to time, the "Loan Agreement").

B. Pursuant to the Loan Agreement, each Grantor has agreed to execute and deliver to Lender this Trademark Security Agreement.

In order to induce the Secured Parties to from time to time make and maintain extensions of credit under the Loan Agreement and the Bank Product Obligations, each Grantor hereby agrees as follows:

1. **Grant of Security Interest in U.S. Trademark Collateral.** Schedule 1 attached hereto sets forth all trademarks, service marks, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers and designs, now existing or hereafter adopted or acquired, all registrations thereof (if any), and all registration applications filed in connection therewith in the United States Patent and Trademark Office and all renewals thereof and all goodwill associated therewith or symbolized thereby (collectively, "U.S. Trademarks") owned by such Grantor, and each Grantor hereby pledges and grants to Lender a lien on and security interest in and to all of its right, title and interest in, to and under all of its U.S. Trademarks and all proceeds thereof, which such security interest shall secure the Obligations.

2. **Loan Agreement.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Lender pursuant to the Loan Agreement, and each Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interest in the U.S. Trademarks made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Loan Agreement, the provisions of the Loan Agreement shall control.

3. **Termination.** Upon Full Payment of the Obligations and termination of the Loan Agreement, Lender shall execute, acknowledge and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the U.S. Trademarks under this Trademark Security Agreement.

4. **Counterparts.** This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering on or more counterparts.

5. **Governing Law.** This Trademark Security Agreement shall be governed by the laws of the State of New York, without giving effect to any conflict of law principles (but giving effect to federal laws relating to national banks).
