#### **5. AFTER-ACQUIRED TRADEMARKS, ETC.**

**5.1. After-acquired Trademarks.** If, before the Obligations shall have been finally paid and satisfied in full, the Assignor shall obtain any right, title or interest in or to any other or new trademarks, trademark applications or trademarkable inventions, or become entitled to the benefit of any trademark application or trademark or any reissue, division, continuation, renewal, extension, or continuation-in-part of any of the Trademark Collateral or any improvement on any of the Trademark Collateral, the provisions of this Trademark Agreement shall automatically apply thereto and the Assignor shall promptly give to the Assignee notice thereof in writing and execute and deliver to the Assignee such documents or instruments as the Assignee may reasonably request further to transfer title thereto to the Assignee.

**5.2. Amendment to Schedule.** The Assignor authorizes the Assignee to modify this Trademark Agreement, without the necessity of the Assignor's further approval or signature, by amending Schedule A hereto to include any future or other Trademarks or Trademark Rights under §2 or §5 hereof.

#### **6. TRADEMARK PROSECUTION.**

**6.1. Assignor Responsible.** The Assignor shall assume full and complete responsibility for the prosecution, grant, enforcement or any other necessary or desirable actions in connection with the Trademark Collateral, and shall hold the Assignee harmless from any and all costs, damages, liabilities and expenses which may be incurred by the Assignee in connection with the Assignee's title to any of the Trademark Collateral or any other action or failure to act in connection with this Trademark Agreement or the transactions contemplated hereby.

**6.2. Assignor's Duties, etc.** The Assignor shall have the duty, to prosecute diligently any trademark applications of the Trademarks pending as of the date of this Trademark Agreement or thereafter, to make application for untrademarked but reasonably trademarkable inventions and to preserve and maintain all rights in the Trademarks, including, without limitation, the payment when due of all maintenance fees and other fees, taxes and other expenses which shall be incurred or which shall accrue with respect to any of the Trademarks.

Any expenses incurred in connection with such applications and actions shall be borne by the Assignor. The Assignor shall not abandon any filed trademark application, or any pending trademark application or trademark, without the consent of the Assignee, which consent shall not be unreasonably withheld. The Assignee hereby appoints the Assignor as its agent for all matters referred to in the foregoing provisions of this §6 and agree to execute any documents

necessary to confirm such appointment. Upon the occurrence and during the continuance of an Event of Default, the Assignee may terminate such agency by providing written notice of termination to the Assignor.

**6.3. Assignor's Enforcement Rights.** The Assignor shall have the right, with the consent of the Assignee, which shall not be unreasonably withheld, to bring suit or other action in the Assignor's own name to enforce the Trademarks and the Trademark Rights. The Assignee shall be required to join in such suit or action as may be necessary to assure the Assignor's ability to bring and maintain any such suit or action in any proper forum so long as the Assignee is completely satisfied that such joinder will not subject the Assignee to any risk of liability. The Assignor shall promptly, upon demand, reimburse and indemnify the Assignee for all damages, costs and expenses, including legal fees, incurred by the Assignee pursuant to this §6.

**6.4. Protection of Trademarks, etc.** In general, the Assignor shall take any and all such actions (including, but not limited to, institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate to properly maintain, protect, preserve, care for and enforce the Trademark Collateral. The Assignor shall not take or fail to take any action, nor permit any action to be taken or not taken by others under its control, which would affect the validity, grant or enforcement of any of the Trademark Collateral.

**6.5. Notification by Assignor.** Promptly upon obtaining knowledge thereof, the Assignor will notify the Assignee in writing of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the Trademarks or the Assignor's rights, title or interests in and to any of the Trademark Collateral, and of any event which does or reasonably could materially adversely affect the value of any of the Trademark Collateral, the ability of the Assignor or the Assignee to dispose of any of the Trademark Collateral or the rights and remedies of the Assignee in relation thereto (including but not limited to the levy of any legal process against any of the Trademark Collateral).

## **7. LICENSE BACK TO ASSIGNOR.**

Unless and until there shall have occurred and be continuing an Event of Default and the Assignee has notified the Assignor that the license granted hereunder is terminated, the Assignee, hereby grants to the Assignor the sole and exclusive, nontransferable, royalty-free, worldwide right and license under the Trademarks to make, have made for it, use, sell and otherwise practice the inventions disclosed and claimed in the Trademarks for the Assignor's own benefit and account and for none other; provided, however, that the foregoing right and license shall be no greater in scope than, and limited by, the rights assigned to the Assignee, by the Assignor hereby. The Assignor agrees not to sell, assign, transfer, encumber or sublicense its interest in the license granted to the Assignor in this §7, without the prior written consent of the Assignee (which consent shall not be unreasonably withheld). Any such sublicenses granted on or after the date hereof shall be terminable by the Assignee upon termination of the Assignor's license hereunder.

## **8. REMEDIES.**

If any Event of Default shall have occurred and be continuing, then at the discretion of the Assignee, and upon twenty days written notice to the Assignor: (i) the Assignor's license with respect to the Trademarks as set forth in §7 shall terminate; (ii) the Assignor shall immediately cease and desist from the practice, manufacture, use and sale of the inventions claimed, disclosed or covered by the Trademarks; and (iii) the Assignee shall have, in addition to all other rights and remedies given it by this Trademark Agreement, the Credit Agreement, the Security Agreement, and the other Loan Documents, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of Rhode Island and, without limiting the generality of the foregoing, the Assignee may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to the Assignor, all of which are hereby expressly waived, and without advertisement, sell or license at public or private sale or otherwise realize upon the whole or from time to time any part of the Trademark Collateral, or any interest which the Assignor may have therein, and after deducting from the proceeds of sale or other disposition of the Trademark Collateral all expenses (including all reasonable expenses for legal services), shall apply the residue of such proceeds toward the payment of the Obligations as set forth in the Security Agreement. Notice of any sale, license or other disposition of any of the Trademark Collateral shall be given to the Assignor at least ten (10) days before the time that any intended public sale or other disposition of such Trademark Collateral is to be made or after which any private sale or other disposition of such Trademark Collateral may be made, which the Assignor hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Assignee may, to the extent permitted under applicable law, purchase or license the whole or any part of the Trademark Collateral or interests therein sold, licensed or otherwise disposed of.

## **9. COLLATERAL PROTECTION.**

If the Assignor shall fail to do any act that it has covenanted to do hereunder, or if any representation or warranty of the Assignor shall be breached, the Assignee, in its own name or that of the Assignor (in the sole discretion of the Assignee), may (but shall not be obligated to) do such act or remedy such breach (or cause such act to be done or such breach to be remedied), and the Assignor agrees promptly to reimburse the Assignee for any reasonable cost or expense incurred by the Assignee in so doing.

## **10. POWER OF ATTORNEY.**

If any Event of Default shall have occurred and be continuing, the Assignor does hereby make, constitute and appoint the Assignee (and any officer or agent of the Assignee as the Assignee may select in their exclusive discretion) as the Assignor's true and lawful attorney-in-fact, with the power to endorse the Assignor's name on all applications, documents, papers and instruments necessary for the Assignee to use any of the Trademark Collateral, to practice, make, use or sell the inventions disclosed or claimed in any of the Trademark Collateral, to grant or issue any exclusive or nonexclusive license of any of the Trademark Collateral to any third person, or necessary for the Assignee to assign, pledge, convey or otherwise transfer title in or dispose of the Trademark Collateral or any part thereof or interest therein to any third person, and, in general, to execute and deliver any instruments or documents and do all other acts which

the Assignor is obligated to execute and do hereunder. The Assignor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof, and releases the Assignee from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Assignee under this power of attorney (except for the gross negligence or willful misconduct or either Assignee). This power of attorney shall be irrevocable for the duration of this Trademark Agreement.

#### **11. FURTHER ASSURANCES.**

The Assignor shall, at any time and from time to time, and at its expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Assignee may request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Agreement, or to assure and confirm to the Assignee, the grant, perfection and priority of the Assignee's security interest in any of the Trademark Collateral.

#### **12. TERMINATION.**

At such time as all of the Obligations have been finally paid and satisfied in full, this Trademark Agreement shall terminate and the Assignee shall, upon the written request and at the expense of the Assignor, execute and deliver to the Assignor all deeds, assignments and other instruments as may be necessary or proper to reassign and reconvey to and re-vest in the Assignor the entire right, title and interest to the Trademark Collateral previously granted, assigned, transferred and conveyed to the Assignee by the Assignor pursuant to this Trademark Agreement, as fully as if this Trademark Agreement had not been made, subject to any disposition of all or any part thereof which may have been made by the Assignee pursuant hereto or the Security Agreement.

#### **13. COURSE OF DEALING.**

No course of dealing among the Assignor and the Assignee, nor any failure to exercise, nor any delay in exercising, on the part of the Assignee, any right, power or privilege hereunder or under the Security Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

#### **14. EXPENSES.**

Any and all fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and legal expenses incurred by the Assignee in connection with the preparation of this Trademark Agreement and all other documents relating hereto, the consummation of the transactions contemplated hereby or the enforcement hereof, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining or preserving any of the Trademark Collateral, or in defending or

**15. OVERDUE AMOUNTS.**

ALL OF SUCH LIABILITIES SHALL BE EXCLUSIVELY BORNE BY THE ASSIGNOR, AND THE ASSIGNOR SHALL INDEMNIFY THE ASSIGNEE FOR ANY AND ALL COSTS, EXPENSES, DAMAGES AND CLAIMS, INCLUDING LEGAL FEES, INCURRED BY ASSIGNEE WITH RESPECT TO SUCH LIABILITIES.

**17. RIGHTS AND REMEDIES CUMULATIVE.**

All of the Assignee's rights and remedies with respect to the Trademark Collateral, whether established hereby or by the Security Agreement or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. This Trademark Agreement is supplemental to the Security Agreement, and nothing contained herein shall in any way derogate from any of the rights or remedies of the Assignee contained therein. **19. AMENDMENT AND WAIVER; AMENDMENT AND RESTATEMENT.**

This Trademark Agreement is subject to modification only by a writing signed by the Assignee and the Assignor, except as provided in §5.2. The Assignee shall not be deemed to have waived any right hereunder unless such waiver shall be in writing and signed by the Assignee. **20. GOVERNING LAW; CONSENT TO JURISDICTION.**

**THIS TRADEMARK AGREEMENT IS INTENDED TO TAKE EFFECT AS A SEALED INSTRUMENT AND SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF RHODE ISLAND.** The Assignor agrees that any suit for the enforcement of this Trademark Agreement may be brought in the courts of the State of Rhode Island or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Assignor by mail at the address specified in §18.
