TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is entered into this 15th day of December, 2011 by and between Western L LLC, a limited liability company formed in accordance with the laws of Colorado (the "Assignee"), and Lehman Communications Corporation, a corporation formed in accordance with the laws of Colorado (the "Assignor").

Recitals

A. Assignor is the owner of all right, title and interest in and to the trademark "LEHMAN COMMUNICATIONS CORPORATION", (hereinafter referred to as the Trademark), together with the goodwill of the business connected with and symbolized by the Trademark.

B. Assignor desires to assign the Trademark to Assignee, and Assignee desires to accept such assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as follows.

1. Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademark in the United States, together with the goodwill of the business connected with and symbolized by the Trademark, including, without limitation, (1) the right to renew any registrations included in the Trademark, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademark, and any priority right that may arise from the Trademark; (2) all income, royalties, and damages hereafter due or payable to Assignor with respect to the Trademark, including without limitation, damages, and payments for past or future infringements and misappropriations of the Trademark; and (3) all rights to sue for past, present and future infringements or misappropriations of the Trademark, all of which to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

2. Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registration set forth on Exhibit 1 to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademark.
