## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Assignment"), dated January 19, 2012 is entered into by and between Electric Mail (International) L.P., a limited partnership of Ireland, with a principal place of business at Arthur Cox Building, Earlsfort Terrace, Dublin 2, Ireland ("Assignor") and j2 Global Holdings Limited, a limited liability company of Ireland, with a registered office at Arthur Cox Building, Earlsfort Terrace, Dublin 2, Ireland ("Assignee").

### RECITALS

WHEREAS, Assignor is the owner of the common law trademarks, registered trademarks, applications to register trademarks, intent-to-use applications and other registrations or applications related to trademarks listed on Schedule 1, attached hereto (the "Assigned Marks"); and

WHEREAS, Assignee is desirous of acquiring the full right, title and interest in, to and under the Assigned Marks and the goodwill accrued in connection and associated therewith.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises, covenants and conditions contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Assignment. Assignor does hereby assign, transfer, convey and set over unto Assignee its full right, title and interest, including common law rights, in the United States of America in, to and under the Assigned Marks and any other common law trademarks, together with the goodwill of the business symbolized by said Assigned Marks and any other common law trademarks, and applications and registrations thereof, any renewal rights therein, that portion of the business which is ongoing and existing to which the trademarks pertain, and the exclusive right to enforce the Assigned Marks in the United States in the sole name of Assignee, its successors and assigns; the aforesaid transferred rights, title and interests to be held and enjoyed by Assignee, its successors, legal representatives and assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

Section 2. Representation and Warranty by Assignor. Assignor hereby represents and warrants to Assignee that Assignor has the full right, title and interest to assign, transfer, convey, and set over the entire rights, title and interests assigned hereunder, and that Assignor has not executed and will not execute any agreement in conflict herewith.

Section 3. Covenant by Assignor. Assignor agrees that it will, upon Assignee's reasonable request, execute and deliver all such instruments and other documents as may be necessary or desirable to perfect Assignee's title in, to and under the Assigned Marks.

Section 4. Counterparts. This Assignment Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall constitute a single agreement.

Section 5. Entire Agreement. This Agreement and all other agreements, exhibits, and schedules referred to in this Agreement constitute(s) the final, complete, and exclusive statement of the terms of the agreement between the Parties pertaining to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings or agreements of the Parties. This Agreement may not be contradicted by evidence of any prior or contemporaneous statements or agreements. No Party has been induced to enter into this Agreement by, nor is any Party relying on, any representation, understanding, agreement, commitment or warranty outside those expressly set forth in this Agreement.

IN WITNESS WHEREOF, the Parties hereto, intending to be legally bound thereby, have executed this Assignment by their duly respective officers as of the date first written above.
