Commissioner of Trademarks  
Attn: Assignment Division  
P.O. Box 1451  
Alexandria, VA 22313-1451

DECLARATION UNDER 37 C.F.R. § 2.20

The Registrant of the above-referenced Registrations states as follows:

1. I, Ellen Moran, am Chief Financial Officer of The Fuller Brush Company, Inc., a New York Corporation and the current Registrant of the above-identified Mark (the "Registrant").
2. Based on the business records and other information available to me, at all relevant times, including from and after the execution and recordation of the Assignment of Trademarks (recorded October 22, 1997 reel 1645 frame 0502) for the above-identified Mark, the correct legal name of the Registrant was The Fuller Brush Company, Inc., a New York corporation.
3. When the above-identified Mark was assigned to the Registrant on July 22, 1997, the assignment document, titled "Assignment of Trademarks," and Recordation Form Cover Sheet inadvertently transferred the Mark to The Fuller Brush Company, a corporation formed under the laws of the State of New York.
4. The only error in the assignment document and Recordation Form Cover Sheet was the omission of the "Inc." as part of the Registrant's name.

5. The error in omitting "Inc." as part of the Registrant's name was made in good faith and not as a result of deliberate error.

6. Because the assignor of the above-referenced Mark, Ivax Industries, Inc., has dissolved, the Registrant cannot obtain a corrected assignment or record a new assignment with the U.S. Patent and Trademark Office.

7. The Registrant requests that the legal owner name of the above-identified Registration be corrected pursuant to TMEP § 503.06(b).

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his own knowledge are true; and all statements made on information and belief are believed to be true.
