TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is made and entered into as of this 25th day of January, 2012, ("Effective Date") by and between **IFORMATA LLC**, an Ohio limited liability company ("Assignor"), and **SIGNAL PERFECTION, LTD.**, a Maryland corporation ("Assignee").

WHEREAS, Assignor, Assignee and AVI-SPL Holdings, Inc., a Delaware corporation, are parties to that certain Asset Purchase Agreement, dated as of even date herewith, pursuant to which Assignor has agreed to sell, and Assignee has agreed to purchase, all of the business, assets, rights and properties which constitute the Business (as defined in the Asset Purchase Agreement); and

WHEREAS, Assignee wishes to acquire from Assignor, and Assignor wishes to assign to Assignee, the entire right, title and interest in and to all of the Trademarks (as defined in the Asset Purchase Agreement) that are owned or controlled by Assignor other than United States Trademark Registration Number 3182791, registered on 12/12/2006 (E CAMPUS) and United States Trademark Registration Number 2109851, registered on 10/28/1997 (FLY ON FIBER), including without limitation the United States trademark registrations and trademark applications and the foreign trademark registrations and trademark applications identified and set forth on Schedule A attached hereto, together with all goodwill associated with any of the foregoing (collectively, the "Marks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee, the entire right, title and interest in and to the Marks, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, together with all goodwill associated with any of the foregoing, and together with all income, royalties or payments accrued, due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same, in each case, for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks.

Assignor shall take all further reasonable actions and provide, at Assignee's cost and expense, to Assignee, its successors, assigns and other legal representatives, all such cooperation and assistance at Assignee's request (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney and other documentation) to more fully and effectively

effectuate the purposes of this Assignment, including, without limitation, with respect to: (1) the preparation and prosecution of any application for registration, or any application for renewal of a registration, relating to any of the rights assigned herein; (2) the prosecution or defense of any interference, opposition, infringement, dilution or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the rights assigned herein and this Assignment; (3) obtaining any additional trademark protection relating to rights assigned herein that may be secured under the laws now or hereafter in effect in the United States or in any other country; and (4) the implementation or perfection of this Assignment in all applicable jurisdictions throughout the world.
