WITNESSETH:

WHEREAS, reference is made to that certain Loan and Security Agreement, dated as of December 23, 2011 (as amended, restated, supplemented or otherwise modified and in effect from time to time, the "Loan Agreement"), by, among others, (i) the Grantors, (ii) the Lenders from time to time party thereto (individually, a "Lender" and, collectively, the "Lenders"), (iii) the Agent, and (iv) RBS Citizens, National Association, as Issuing Bank, pursuant to which the Lenders have agreed to make Loans to the Borrower, and the Issuing Bank has agreed to issue Letters of Credit for the account of the Borrower, upon the terms and subject to the conditions specified in the Loan Agreement; and

Except as set forth below in this SECTION 3, each of the Grantors shall undertake the following with respect to each of the items respectively described in Sections 2(a), (b), (c), (d), (e), (f) and (g) (collectively, the "Intellectual Property"):

(a) Pay all renewal fees and other fees and costs associated with maintaining the Intellectual Property and with the processing and prosecution of the Intellectual Property and take all other steps reasonably necessary to maintain each registration of the Intellectual Property, except, in each case, to the extent that the failure to do so could not reasonably be expected to have a Material Adverse Effect.

(b) Take all actions reasonably necessary to prevent any of the Intellectual Property from becoming forfeited, abandoned, dedicated to the public, invalidated or impaired in any way, except, in each case, to the extent that the failure to do so could not reasonably be expected to have a Material Adverse Effect.

(c) At the Grantors' sole cost, expense, and risk, pursue the processing and prosecution of each application for registration which is the subject of the security interest created herein and not abandon or delay any such efforts, except, in each case, to the extent that the failure to do so could not reasonably be expected to have a Material Adverse Effect.

(d) At the Grantors' sole cost, expense, and risk, take any and all action which the Grantors reasonably deem necessary or desirable under the circumstances to protect the Intellectual Property from infringement, misappropriation or dilution, including, without limitation, the prosecution and defense of infringement actions, except, in each case, to the extent that the failure to do so could not reasonably be expected to have a Material Adverse Effect.

SECTION 4. Grantors' Representations and Warranties. In addition to any representations and warranties contained in any of the other Loan Documents, each Grantor represents and warrants that:

(a) **EXHIBIT A** is a true, correct and complete list of all United States Copyrights owned by such Grantor and all Copyright Licenses to which such Grantor is a party as of the date hereof.

(b) **EXHIBIT B** is a true, correct and complete list of all United States Patents owned by such Grantor and all Patent Licenses to which such Grantor is a party as of the date hereof.

(c) **EXHIBIT C** is a true, correct and complete list of all United States Trademarks owned by such Grantor and all Trademark Licenses to which such Grantor is a party as of the date hereof.

(d) Except as set forth in **EXHIBITS A, B and C**, none of the Intellectual Property owned by such Grantor is the subject of any licensing or franchise agreement pursuant to which such Grantor is the licensor or franchisor as of the date hereof.

(e) All IP Collateral owned by such Grantor is, and shall remain, free and clear of all Liens, encumbrances, or security interests in favor of any Person, other than Permitted Liens.

(f) Such Grantor owns, or is licensed to use, all Intellectual Property reasonably necessary for the conduct of its business as currently conducted. No claim has been asserted and is pending by any Person challenging or questioning the use by such Grantor of any of its Intellectual Property, or the validity or effectiveness of any of its Intellectual Property, that could reasonably be expected to have a Material Adverse Effect. Such Grantor considers that the use by such Grantor of the Intellectual Property does not infringe the rights of any Person in any material respect. No holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity of, or such Grantor's rights in, any Intellectual Property in any respect that could reasonably be expected to have a Material Adverse Effect.

(g) Such Grantor shall give the Agent prompt written notice, with reasonable detail, following the occurrence of any of the following:

(i) Such Grantor's obtaining rights to, and filing applications for registration of, any new Intellectual Property, or otherwise acquiring ownership of any registered Intellectual Property (other than the acquisition by such Grantor of the right to sell products containing the trademarks of others in the ordinary course of such Grantor's business).

(ii) Such Grantor's becoming entitled to the benefit of any registered Intellectual Property whether as licensee or licensor (other than commercially available off the shelf computer programs, products or applications and such Grantor's right to sell products containing the trademarks of others in the ordinary course of such Grantor's business).

(iii) Such Grantor's entering into any new Licenses with respect to the Intellectual Property (other than commercially available off the shelf computer programs, products or applications and such Grantor's right to sell products containing the trademarks of others in the ordinary course of such Grantor's business).

(iv) Such Grantor's knowing, or having reason to know, that any application or registration relating to any Intellectual Property may, other than as provided in SECTION 3 above, become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the PTO, the Copyright Office or any court or tribunal) regarding such Grantor's ownership of, or the validity or enforceability of, any Intellectual

Property or such Grantor's right to register the same or to own and maintain the same.

SECTION 5. Agreement Applies to Future Intellectual Property.

(a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in subsections (i), (ii), (iii), and (iv) of SECTION 4(g), above, all of which shall be deemed to be and treated as "Intellectual Property" within the meaning of this Agreement. Upon the acquisition by any Grantor of any additional Intellectual Property, such Grantor shall promptly deliver to the Agent an updated **EXHIBIT A, B, and/or C** (as applicable) to this Agreement and hereby authorizes the Agent to file, at such Grantor's expense, such updated Exhibit as set forth in SECTION 5(b).

(b) Each of the Grantors shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may reasonably request to evidence the Agent's security interest in any Intellectual Property (including, without limitation, filings with the PTO, the Copyright Office or any similar office), and each of the Grantors hereby constitutes the Agent as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all such acts of such attorney being hereby ratified and confirmed; provided, however, that the Agent's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

SECTION 6. Grantors' Rights To Enforce Intellectual Property. Prior to the occurrence of an Event of Default, the Grantors shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property, including the right to seek injunctions and/or money damages in an effort by the Grantors to protect the Intellectual Property against encroachment by third parties, provided, however, that:

(a) The Grantors provide the Agent with written notice of any Grantor's institution of any legal proceedings to enforce its rights in any Intellectual Property, the infringement of which could reasonably be expected to have a Material Adverse Effect.

(b) Any money damages awarded or received by the Grantors on account of such suit (or the threat of such suit) shall constitute IP Collateral.

(c) Upon the occurrence and during the continuance of any Event of Default, the Agent, by notice to the Grantors, may terminate or limit the Grantor's rights under this SECTION 6.

SECTION 7. Agent's Actions To Protect Intellectual Property. In the event of:

(a) any Grantor's failure to observe or perform any of such Grantor's covenants, agreements or other obligations hereunder and such failure continues for ten (10) days after the earlier of such Grantor's knowledge of a breach of any such covenant,

agreement or other obligation or such Grantor's receipt of notice from the Agent of any such breach; and/or

(b) the occurrence and continuance of any other Event of Default, the Agent, acting in its own name or in that of any Grantor, may (but shall not be required to) act in any Grantor's place and stead and/or in the Agent's own right in connection therewith.

SECTION 8. Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, in addition to all other rights and remedies, the Agent may exercise all rights and remedies of a secured party under the UCC, with respect to the Intellectual Property, in addition to which the Agent may sell, license, assign, transfer, or otherwise dispose of the Intellectual Property, subject to those restrictions to which such Grantor is subject under Applicable Law and by contract. Any person may conclusively rely upon an affidavit of an officer of the Agent that an Event of Default has occurred and that the Agent is authorized to exercise such rights and remedies.

SECTION 9. Agent As Attorney-In-Fact.

(a) Each of the Grantors hereby irrevocably makes, constitutes and appoints the Agent (and all officers, employees or agents designated by the Agent) as and for such Grantor's true and lawful agent and attorney-in-fact, and in such capacity the Agent shall have the right, with power of substitution for each Grantor and in each Grantor's name or otherwise, for the use and benefit of the Agent and the other Secured Parties:

(i) To supplement and amend from time to time **EXHIBITS A, B and C** of this Agreement to include any newly developed, applied for, registered, or acquired Intellectual Property of such Grantor and any intent-to-use Trademark applications for which a statement of use or an amendment to allege use has been filed and accepted by the PTO.

(ii) Following the occurrence and during the continuance of any Event of Default, to exercise any of the rights and powers referenced herein.

(iii) Following the occurrence and during the continuance of any Event of Default, to execute all such instruments, documents, and papers as the Agent reasonably determines to be necessary or desirable in connection with the exercise of such rights and remedies and to cause the sale, license, assignment, transfer, or other disposition of the Intellectual Property, subject to those restrictions to which such Grantor is subject under Applicable Law and by contract.

(b) The power of attorney granted herein, being coupled with an interest, shall be irrevocable until this Agreement is terminated in writing by a duly authorized officer of the Agent.

(c) The Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by SECTION 9(a), but if the Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Grantor for any act or omission to act, except where a court of competent jurisdiction determines by final and nonappealable judgment that the subject act or omission to act has resulted from the gross negligence or willful misconduct of the Agent.

SECTION 10. Agent's Rights. Any use by the Agent of the Intellectual Property, as authorized hereunder in connection with the exercise of the Agent's rights and remedies under this Agreement and the Loan Agreement shall be coextensive with the Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

SECTION 11. Intent. This Agreement is being executed and delivered by the Grantors for the purpose of registering and confirming the grant of the security interest of the Agent in the IP Collateral with the PTO and the Copyright Office. It is intended that the security interest granted pursuant to this Agreement is granted as a supplement to, and not in limitation of, the security interest granted to the Agent, for its own benefit and the benefit of the other Secured Parties, under the Loan Agreement. All provisions of the Loan Agreement (including, without limitation, the rights, remedies, powers, privileges and discretions of the Agent thereunder) shall apply to the IP Collateral. In the event of a conflict between this Agreement and the Loan Agreement, the terms of this Agreement shall control with respect to the IP Collateral and the terms of the Loan Agreement shall control with respect to all other Collateral.

SECTION 12. Further Assurances. Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further documents, financing statements, agreements and instruments and take all such further actions as the Agent may from time to time reasonably request to better assure, preserve, protect and perfect the security interest in the IP Collateral granted pursuant to this Agreement and the rights and remedies created hereby or the validity or priority of such security interest, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the security interest and the filing of any financing statements or other documents in connection herewith or therewith.

SECTION 13. Termination; Release of IP Collateral. Except for those provisions which expressly survive the termination thereof, and subject to Section 4.4 of the Loan Agreement, this Agreement and the security interest granted herein and therein shall terminate when there has occurred a Full Payment of the Obligations, at which time the Agent shall execute and deliver to the Grantors, at the Grantors' expense, all UCC termination statements, releases and similar documents that the Grantors shall reasonably request to evidence such termination; provided, however, that the Loan Agreement, this Agreement, and the security interest granted herein shall be reinstated if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by any Secured Party upon the bankruptcy or reorganization of any

Grantor. Any execution and delivery of termination statements, releases or other documents pursuant to this SECTION 13 shall be without recourse to, or warranty by, the Agent or any other Secured Party.

SECTION 14. Choice of Laws. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF ILLINOIS WITHOUT GIVING EFFECT TO ANY PRINCIPLES OF CONFLICTS OF LAW OR OTHER RULE THAT WOULD CAUSE THE APPLICATION OF THE LAW OF ANY JURISDICTION OTHER THAN THE LAWS OF THE STATE OF ILLINOIS (BUT GIVING EFFECT TO FEDERAL LAWS RELATING TO NATIONAL BANKS).
