ASSIGNMENT OF INTELLECTUAL PROPERTY

In consideration of the good and valuable consideration received by undersigned Assignor, Magsamen Consulting LLC, a limited liability company of the State of Maryland, from the Assignee Curiosityville LLC, a Maryland limited liability company having its principal place of business at 912 Western Run Road, Cockeysville, Maryland 21030, the receipt of which is hereby acknowledged, the undersigned Assignor by these presents hereby sells, assigns, transfers, and sets over unto the said Assignee the entire United States, foreign and international right, title, and interest in and to patents, patent disclosures, patent applications and registrations, designs, design patents, industrial models, trademarks, and trademark registrations and applications (including, without limitation, all reissues, divisions, continuations and extensions thereof), copyrights, copyright registrations or applications or tradenames, domain names, internet sites, company or corporate names and logos, and all know-how, product formulae, manufacturing, research and development information (the "Intellectual Property") in Assignors' possession relating to Curiosityville and the goodwill associated the Intellectual Property described herein.

The Assignors shall execute over or procure any further necessary assurance of title to said Intellectual Property; and at any time, upon the request and at the expense of said Assignee, shall execute and deliver any and all papers that may be necessary or desirable to perfect the title to said Intellectual Property which may be granted therefor in said Assignee, its successors, assigns or other legal representatives. Further, upon the request and at the expense of the Assignee, Assignors shall execute any additional or divisional applications for patents included among the Intellectual Property, or any parts thereof, and for the reissue of any Letters Patents to be granted therefore, and will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein, without further compensation, but at the expense of the Assignee, its successor, assigns, or other legal representatives.

The Commissioner of Patents is hereby authorized and requested to issue any and all Letters Patent of the United States for the inventions described or claimed in any of the patents included in this Assignment to the Assignee.
