RECITALS

WHEREAS, the Assignor has adopted and used and is using in commerce the marks set forth in the attached Schedule A (collectively, the "Marks"); and

WHEREAS, pursuant to the Restructuring Agreement, the Assignee wishes to acquire from the Assignor, and the Assignor wishes to transfer to the Assignee, said Marks and the goodwill associated with such Marks as set forth on Schedule A;

WHEREAS, in conjunction with this Assignment, the Assignee is acquiring the portion of the Assignor's business to which the Marks being assigned to the Assignee pertain.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section 1. Effective as of the Closing Date, the Assignor hereby assigns to the Assignee all rights, title and interest in and to the Marks, the goodwill of the business symbolized by the Marks, all registrations and applications for registration thereof, if any, and all rights of action accrued and to accrue under and by virtue thereof, including the right to sue and recover for past infringement of said Marks, but subject to all existing Encumbrances, as set forth on Schedule A.

Section 2. Effective upon the Closing Date, the Assignor authorizes and requests the United States Patent and Trademark Office, and any other official throughout the world whose duty is to register and record ownership in trademark registrations and applications for registration, to record the Assignee as the assignee and owner of any and all of the Assignor's rights in the Marks being assigned to the Assignee in accordance with Schedule A.

Section 3. After the Closing Date and at the Assignee's request, the Assignor will, at the Assignee's sole expense, provide further cooperation reasonably necessary (such as executing and delivering additional assignments, affidavits, and other documents and providing information and materials) to obtain, perfect, and defend the Marks in the United States or any foreign country.

Section 4. Each of the Assignor and the Assignee hereby acknowledges and agrees that none of the representations, warranties, covenants, rights or remedies of any party under the Restructuring Agreement shall be deemed to be enlarged, modified or altered in any way by the execution and acceptance of this instrument.

Section 5. The rights and obligations of the parties shall be governed by, and this Assignment shall be interpreted, construed and enforced in accordance with, the laws of the State of Delaware, excluding its conflict of laws rules to the extent such rules would apply the law of another jurisdiction.

Section 6.
