ASSIGNMENT AGREEMENT

THIS ASSIGNMENT AGREEMENT (this "Assignment") is made and entered into as of February 13, 2008, by and between SOUTHERN DATACOMM, INC., a Florida corporation ("Assignor"), and NOVA INFORMATION SYSTEMS, INC., a Georgia corporation ("Assignee").

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement dated January 3, 2008 (the "Purchase Agreement"), pursuant to which Assignee acquired certain intellectual property assets and associated goodwill of Assignor as described in the Purchase Agreement;

WHEREAS, Assignor owns (i) the trademarks and service marks, including the trademark and service mark registrations and applications therefor, identified on Schedule A attached hereto (the "Trademarks"), and (ii) the good will of the business in connection with which the Trademarks are used as intended to be used and which is associated with and symbolized by the Trademarks, both of which it desires to assign to Assignee;

WHEREAS, Assignor owns and has registered the domain names listed on Schedule B attached hereto, (the "Domain Names"), which it desires to assign to Assignee;

WHEREAS, Assignor owns the original works of authorship, including the copyright registrations and applications therefor, identified on Schedule C attached hereto (the "Copyrights"), which it desires to assign to Assignee; and

WHEREAS, Assignee desires to accept such assignment of the Trademarks, including the goodwill thereof, the Domain Names, and the Copyrights.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Assignment and other good and valuable consideration, including the consideration set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignment of Trademarks and Domain Names. Assignor assigns, transfers, and conveys to Assignee, its successors, assigns, and legal representatives all of Assignor's right, title, and interest in and to the Trademarks and the Domain Names, including the registrations and registration applications therefor and all common law rights and rights in foreign jurisdictions therein, together with the goodwill of the business symbolized thereby, and including without limitation Assignor's right to sue for and seek remedies against past, present, and future infringements of any or all of the foregoing and rights of priority and protection of interests therein under the laws of any jurisdiction worldwide, free and clear of all liens, claims, security interests, and other encumbrances.

Assignor agrees that it will execute and deliver to Assignee any documents necessary to complete the timely transfer of the Trademarks and the Domain Names to Assignee, including any papers for transferring the registrations for said Domain Names as required by any domain name registrar.

2. Assignment of Copyrights. Assignor assigns, transfers, and conveys to Assignee, its successors, assigns, and legal representatives all of Assignor's right, title, and interest in and to the Copyrights, including any and all copyrights or similar rights recognized under the laws of the United States of America or any other jurisdiction, including without limitation the original works of authorship therein, the right to seek and hold registrations of the claim of copyright in any jurisdiction, and Assignor's right to sue for and seek remedies against past, present, and future infringements of any or all

of the foregoing and rights of priority and protection of interests therein under the laws of any jurisdiction worldwide, free and clear of all liens, claims, security interests, and other encumbrances.

Assignor hereby waives any claim available to Assignor under any theory of natural or moral rights or any right of attribution under the copyright law of any jurisdiction with respect to the Copyrights, to the extent such waiver is recognizable under the law of such jurisdiction.

3. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the United States of America and of the State of Georgia.

4. Purchase Agreement. Nothing contained in this Assignment shall be deemed to supersede, enlarge, or modify any of the obligations, agreements, covenants or warranties of Assignor or Assignee contained in the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern and control.

5. Successors and Assigns. This Assignment shall inure to the benefit of and be binding on the successors and assigns of both parties.

6. Effective Date of Agreement. This Assignment is expressly made NUNC PRO TUNC, this Assignment to have the same legal force and effect as if executed on January 3, 2008.

7. Counterparts. This Assignment may be executed in two or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument.
