Notwithstanding any other provision contained herein, the Liens provided for or created in accordance with the terms of this Trademark Security Agreement, and the exercise of rights and remedies in connection herewith, are subject to the terms and conditions of the Lien Subordination Agreement (and, to the extent provided therein, the First Lien Collateral Documents), as provided in *Section 5* hereof.

TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of February 23, 2012, by the undersigned (individually "Grantor" and collectively "Grantors"), in favor of COMVEST CAPITAL II, L.P., in its capacity as administrative agent ("Administrative Agent") for Lenders (as hereinafter defined).

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement dated as of June 30, 2011 by and among Digital Domain Media Group, Inc. (formerly known as Digital Domain Holdings Corporation), a Florida corporation (the "Borrower"), Administrative Agent and the lenders ("Lenders") from time to time party thereto (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Credit Agreement"), Lenders have made certain Loans for the benefit of Borrower, an affiliate of the other Grantors;

WHEREAS, in return for adequate consideration, Administrative Agent and Lenders have required that Grantors shall have executed and delivered to Administrative Agent, for itself and the ratable benefit of Lenders, that certain Security Agreement dated as of June 30, 2011 and that certain Security Agreement dated as of February 23, 2012 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Collateral Agreements"); and

WHEREAS, pursuant to the Collateral Agreements, each Grantor is required to execute and deliver to Administrative Agent, each for itself and the ratable benefit of Lenders, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS.

(a) All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

(b) Trademarks means (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including any of the foregoing referred to in Schedule I hereto, and (b) the right to obtain all renewals thereof.

(c) Trademark Licenses means, collectively, each agreement, whether written or oral, providing for the grant by or to any Grantor of any right to use any Trademark, including any of the foregoing referred to in Schedule I.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Administrative Agent, on behalf of itself and Lenders, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (exclusive of any "intent-to-use" Trademarks to the extent that the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark under applicable federal law) (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and Trademark Licenses to which it is a party, including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark or Trademark licensed under any Trademark License; and

(d) all proceeds of the foregoing, including, without limitation, any claim by any Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark or Trademark licensed under any Trademark License, or (ii) injury to the goodwill associated with any such Trademark.

3. REPRESENTATION AND WARRANTY. Each Grantor hereby represents and warrants to Administrative Agent and each Lender that Schedule I lists all registered Trademarks and all Trademark Licenses owned by each Grantor in its own name on the date hereof.

4. COLLATERAL AGREEMENTS. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Administrative Agent, on behalf of itself and Lenders, pursuant to the Collateral Agreements. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreements, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. LIEN SUBORDINATION. Notwithstanding anything to the contrary in this Trademark Security Agreement, the Liens granted to the Administrative Agent hereunder and the exercise of any right or remedy by the Administrative Agent hereunder with respect to the Collateral are subject to the terms and conditions of the Lien Subordination Agreement.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
