TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this “**Assignment**”) is made and entered into as of February 17, 2012 (the “**Effective Date**”) by and between Ubigom, Inc. a California corporation (“**Assignor**”), and Ubigom (assignment for the benefit of creditors), LLC, a California limited liability company, in its sole and limited capacity as Assignee for the Benefit of Creditors of Ubigom Inc. (“**Assignee**”).

WHEREAS, Assignor and Assignee are parties to that certain General Assignment, dated February 17, 2012 (the “**General Assignment**”), pursuant to which Assignor has agreed to sell, assign, transfer, convey, and deliver to Assignee all of Assignor’s right, title, and interest in and to substantially all of Assignor's assets, including, without limitation, the Assigned Trademarks (defined below);

WHEREAS, Assignee is the assignee of that portion of the assets of the business of the Assignor to which the Assigned Trademarks pertain and such business is ongoing; and

WHEREAS, pursuant to the General Assignment, Assignor and Assignee have agreed to enter into this Assignment.

NOW, THEREFORE, in consideration of the promises and covenants set forth in the General Assignment and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Conveyance. Assignor hereby sells, assigns, transfers, conveys, and delivers to Assignee all of Assignor’s right, title and interest in, to and under the trademark registrations and trademark applications listed on Schedule A, and the goodwill associated therewith and symbolized thereby, including renewals therefor (collectively, the “**Assigned Trademarks**”), together with all rights to collect royalties and proceeds in connection with any of the foregoing, and all rights to sue and bring other claims for past, present and future infringement, misappropriation or other violation of any of the foregoing and all rights to recover damages (including attorney’s fees and expenses) or lost profits in connection therewith.

2. Recordation. Assignor hereby requests the United States Patent and Trademark Office Commissioner for Trademarks and any other applicable governmental entity or registrar (including any applicable foreign or international office or registrar), to record Assignee as the assignee and owner of the Assigned Trademarks.

3. Information and Assistance.

3.1 Upon Assignee’s reasonable request and without further compensation, Assignor shall execute, acknowledge and deliver all such other instruments and documents and shall take all such other actions reasonably necessary or required by law to consummate and make fully effective the transaction contemplated by this Assignment.

3.2 If Assignee is unable for any reason to secure Assignor's signature to any document required to file, prosecute, register or memorialize the assignment of any rights under any Assigned Trademarks as provided under this Assignment, Assignor hereby irrevocably designates and appoints Assignee and Assignee's duly authorized officers and agents as Assignor's agents and attorneys-in-fact to act for and on Assignor's behalf and instead of Assignor to take all lawfully permitted acts to further the filing, prosecution, registration, memorialization of assignment, issuance and enforcement of rights under such Assigned Trademarks, all with the same legal force and effect as if executed by Assignor. The foregoing is deemed a power coupled with an interest and is irrevocable.

4. Successors and Assigns. This Assignment and all the provisions hereof shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns and nothing herein express or implied shall give or be construed to give to any person, other than the parties hereto and such permitted assigns, any legal or equitable rights hereunder.

5. Counterparts. This Assignment may be executed in two or more consecutive counterparts (including by facsimile), each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument, and shall become effective when one or more counterparts have been signed by each party and delivered (by facsimile or otherwise) to the other party.

6. Section Headings. The section headings contained in this Assignment are for reference purposes only, and shall not in any way affect the meaning or interpretation of this Assignment.

7. General Assignment Controls. This Assignment is provided pursuant to the General Assignment, to which reference is made for a further statement of the rights and obligations of Assignors and Assignee with respect to the Assigned Trademarks. Nothing contained in this Assignment shall be deemed to modify, supersede, enlarge or affect the rights of any person under the General Assignment. If any provision of this Assignment is inconsistent or conflicts with the General Assignment, the General Assignment shall control.

8. Governing Law. This Assignment and all claims or causes of action (whether in contract, tort or otherwise) that may be based upon, arise out of or relate to this Assignment or the negotiation, execution or performance of this Assignment shall be governed by and construed in accordance with the laws of the State of California, without giving effect to any choice or conflict of law provision or rule.

ADDITIONAL OPTIONAL INFORMATION

INSTRUCTIONS FOR COMPLETING THIS FORM

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be properly completed and attached to this document. The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.
