**TRADEMARK ASSIGNMENT**

TRADEMARK ASSIGNMENT dated as of May 13, 2005 (the "Effective Date") between First Nano, Inc., a California corporation ("ASSIGNOR"), and CVD EQUIPMENT CORPORATION, a New York Corporation ("ASSIGNEE").

Pursuant to a certain Asset Purchase Agreement dated as of the date hereof, ASSIGNOR has agreed to assign to ASSIGNEE its entire right, title and interest in and to the United States and foreign trademarks, trademark registrations and applications set forth on Schedule A-1 attached hereto, (collectively, the "Marks") and the good will of the business associated with the Marks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR hereby sells, assigns and transfers to ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest in and to the Marks together with the goodwill of the business associated with the Marks, including all registrations and applications therefore, as well as all renewals and extensions of registrations that are or may be secured by ASSIGNEE, its successors, assigns or other legal representatives, for ASSIGNEE's own use and enjoyment, and for the use and enjoyment of ASSIGNEE's successors, assigns or other legal representatives, the same to be held and enjoyed by the ASSIGNEE for its own use and benefit, and for the use and benefit of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by ASSIGNOR if this assignment had not been made, together with all claims for damages for or reason of past, present or future infringement or other unauthorized use of the Marks and the right to sue for and collect such damages for its own use and benefit, and for the use and benefit of its successors, assigns or other legal representatives.

ASSIGNOR further covenants that it has the full right to convey to ASSIGNEE the entire right, title and interest in, to and under the Marks, including the right to apply for, obtain and maintain registration of trademarks in any country thereon, and further that ASSIGNOR will not execute any agreement in conflict therewith.

ASSIGNOR hereby authorizes the ASSIGNEE, its successors, assigns or other legal representatives to apply in its or their own name or names for trademarks in all countries.

ASSIGNOR hereby agrees for itself, its successors, assigns and other legal representatives, promptly upon request of the ASSIGNEE, its successors, assigns or other legal representatives, to execute and deliver, or have executed and delivered, with further compensation any power of attorney, assignment, or other lawful documents and any further assurances that may be deemed necessary by the ASSIGNEE, its successors, assigns or other legal representatives, fully to secure to ASSIGNEE and its successors, assigns or other legal representatives, the entire right, title and interest as aforesaid in and to the Marks and any and all U.S. and foreign equivalents that have been or may be granted in and to the Marks.
