**ACKNOWLEDGEMENT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

THIS ACKNOWLEDGEMENT is executed this 28th day of March, 2012 by Entech Solar, Inc., a Delaware corporation ("Assignor"), in favor of David Gelbaum, Trustee, The Quercus Trust ("Assignee").

WITNESSETH

WHEREAS, Assignor is the owner of all rights, titles and interests in and to those United States trademarks, registered, pending for registration or unregistered (i.e., common law) identified in Exhibit A attached hereto and, by the foregoing reference, incorporated into and made a part hereof (collectively the "Trademark Properties"); and

WHEREAS, Assignor and Assignee are parties to that certain agreement, titled "Security Agreement," dated March 23, 2012, pursuant to which Assignor has granted to Assignee a security interest in and to the Trademark Properties as collateral for past, contemporaneous and future loans made by Assignee to Assignor; and

WHEREAS, said security interest in and to the Trademark Properties is subject to the terms, provisions and conditions set forth in the Security Agreement; and

NOW, THEREFORE, Assignor hereby acknowledges that, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, it has granted to Assignee, its successors and assigns said security interest in all of Assignor's rights, titles and interests in and to the Trademark Properties, effective March 23, 2012.

Assignor hereby represents and warrants that, except for the aforesaid security interest in the Trademark Properties granted to Assignee, the Trademark Properties are not presently subject to any prior encumbrances of any kind whatsoever, including, without limitation, liens and hypothecations in favor of any other person or legal entity.

Assignor hereby agrees to execute any and all further instrument(s) or document(s) of any kind which is (are) reasonably required, and requested by Assignee, to enable Assignee to perfect and record said security interest in the Trademark Properties.

Assignor hereby acknowledges that Assignee shall have the right to record this instrument of acknowledgement with the United States Patent & Trademark Office for the purpose of making Assignee's foregoing security interest in the Trademark Properties a matter of public record.
