- (e) To the knowledge of each Borrower, no holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of, or any Borrower's rights in, any Intellectual Property set forth on Schedule I in any respect that could reasonably be expected to result in a Material Adverse Change with respect to the business or the property of any Borrower.
- (f) Each Borrower has the legal right and authority to enter into this Agreement and perform its terms.

6. **Agreement Applies to Future Intellectual Property.**

- (a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in Section 4 above, all of which shall be deemed to be and treated as “Intellectual Property” within the meaning of this Agreement.
- (b) Upon the reasonable request of Agent, each Borrower shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as Agent may request to evidence Agent’s security interest in any Intellectual Property and the goodwill of such Borrower relating thereto or represented thereby (including, without limitation, filings with the United States Patent and Trademark Office or any similar office), and each Borrower hereby constitutes Agent as their attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; provided, however, Agent’s taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

7. **Borrowers’ Rights To Enforce Intellectual Property.** Prior to Agent’s giving of notice to any Borrower following the occurrence and during the continuance of an Event of Default, each Borrower shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property owned by it, including the right to seek injunctions and/or money damages, in an effort by such Borrower to protect the Intellectual Property against encroachment by third parties, provided, however:

- (a) Any money damages awarded or received by any Borrower on account of such suit (or the threat of such suit) shall constitute IP Collateral.
- (b) Following the occurrence and during the continuance of any Event of Default, Agent, by notice to any Borrower, may terminate or limit each Borrower’s rights under this Section 7.

8. **Agent’s Actions To Protect Intellectual Property.** Upon the occurrence and continuance of any Event of Default, Agent, acting in its own name or in that of any Borrower, may (but shall not be required to) act in any Borrower’s place and stead and/or in Agent’s own right with respect to the rights and obligations of such Borrower under Section 3, Section 6 and Section 7 hereof.

9. **Rights Upon Default.** Upon the occurrence and during the continuance of any Event of Default, Agent may exercise all rights and remedies as provided for in the Credit Agreement.

**10. Agent as Attorney In Fact.**

- (a) Each Borrower hereby irrevocably constitutes and designates Agent as and for such Borrower attorney-in-fact, effective following the occurrence and during the continuance of an Event of Default:

  - ii. To exercise any of the rights and powers referenced herein.
- (b) The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until this Agreement is terminated by a duly authorized officer of Agent.
- (c) Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 8 or Section 10, but if Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Borrower for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial proceeding (in which proceeding Agent has had an opportunity to be heard) which determination includes a specific finding that the subject act or omission to act had been negligent or in actual bad faith.

**11. Agent's Rights.** Upon an Event of Default and during the continuance thereof, any use by Agent of the Intellectual Property, as authorized hereunder in connection with the exercise of Agent's rights and remedies under this Agreement and under the Credit Agreement shall be coextensive with each Borrower's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

**12. No Limitation; Credit Agreement.** This Agreement has been executed and delivered by each Borrower for the purpose of recording the security interest granted to Agent with respect to the IP Collateral with the United States Patent and Trademark Office and the United States Copyright Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Agent, for the benefit of itself and the Banks, under the Credit Agreement and the other Loan Documents. In the event of a conflict between this Agreement and the Credit Agreement, the terms of this Agreement shall control with respect to the IP Collateral and the Credit Agreement with respect to all other Collateral.

Upon termination of this Agreement,

Agent shall, at the expense of the Borrowers, take such actions required by the Credit Agreement to release its security interest in the IP Collateral.

14. **Binding Effect; Benefits.** This Agreement shall be binding upon each Borrower and their respective successors and assigns, and shall inure to the benefit of Agent, the Banks and their respective successors and assigns.

15. **GOVERNING LAW.** THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK.
