**RELEASE OF SECURITY AGREEMENT RE:
PATENTS, TRADEMARKS AND COPYRIGHTS**

THIS RELEASE OF SECURITY AGREEMENT RE: PATENTS, TRADEMARKS AND COPYRIGHTS is made as of March 30, 2012, by Prospect Capital Corporation (successor to Patriot Capital Funding, Inc.), as Agent ("Agent"). Capitalized terms used but not defined herein shall have the same meanings assigned to such terms in the Assignment (as defined below).

WITNESSETH:

WHEREAS, ROM ACQUISITION CORPORATION, a Delaware corporation, ROM ACQUISITION LLC, a Delaware limited liability company (collectively, the "Grantors") and Agent are parties to a Security Agreement re: Patents, Trademarks and Copyrights dated as of December 22, 2004 (as amended, restated, supplemented or otherwise modified from time to time, the "Assignment"), pursuant to which Grantors granted a security interest to Agent in certain Patent, Trademark and Copyright Collateral (as defined below) as security for certain obligations owing by Grantors to Agent, including the Patents (as defined below) set forth on Schedule A-1, the Patent Licenses (as defined below) set forth on Schedule A-2, the Trademarks (as defined below) set forth on Schedule B-1; the Trademark Licenses (as defined below) set forth on Schedule B-2, the Copyrights (as defined below) set forth on Schedule C-1 and the Copyrights Licenses (as defined below) set forth on Schedule C-2 hereto;

WHEREAS, the Assignment was recorded by the Trademark Division of the United States Patent and Trademark Office on January 6, 2005, at Reel 3007, Frame 0908;

WHEREAS, the Assignment was recorded by the Patent Division of the United States Patent and Trademark Office on January 6, 2005, at Reel 15541, Frame 0924; and

WHEREAS, Grantors have requested that Agent release its security interest in the Trademarks and Trademark Rights and reassign the same to the Grantor.

NOW THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged:

1. Agent hereby releases its security interest in all of Grantors' right, title and interest in and to the following (collectively the "**Patent, Trademark and Copyright Collateral**"):

- (i) **Patents.** Patents, whether now owned or hereafter acquired, or in which Grantors now have or hereafter acquire any rights (the term "Patent" means and includes (A) all letters patent of the United States of America or any other country

or any political subdivision thereof, now existing or hereafter acquired, all registrations and recordings thereof, and all applications for letters patent of the United States of America or any other country or any political subdivision thereof, now existing or hereafter acquired, including, without limitation registrations, recordings and applications therefor in the United States Patent and Trademark Office or any other country or any political subdivision thereof and (B) all reissues, continuations, continuations-in-part or extensions thereof), including without limitation each Patent listed on Schedule A-1 hereto, and all of the inventions now or hereafter described and claimed in the Grantors' Patents;

(ii) **Patent Licenses.** Patent Licenses, whether now owned or hereafter acquired, or in which the Grantors now have or hereafter acquire any rights (the term "Patent Licenses" means and includes any written agreement granting to any person any right to exploit, use or practice any invention on which a Patent is owned by another person), including without limitation each Patent License listed on Schedule A-2 hereto, and all royalties and other sums due or to become due under or in respect of the Grantors' Patent Licenses, together with the right to sue for and collect all such royalties and other sums;

(iii) **Trademarks.** Trademarks, whether now owned or hereafter acquired, or in which the Grantors now have or hereafter acquire any rights (the term "Trademarks" means and includes (A) all trademarks, trade names, trade styles, service marks and logos, all prints and labels on which said trademarks, trade names, trade styles, service marks and logos have appeared or appear and all designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, including without limitation registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States of America, any state thereof or any other country or political subdivision thereof and (B) all renewals thereof), including without limitation each Trademark application and registration listed on Schedule B-1 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark;

(iv) **Trademark Licenses.** Trademark Licenses, whether now owned or hereafter acquired, or in which the Grantors now have or hereafter acquire any rights (the term "Trademark Licenses" means and includes any written agreement granting to any person any right to use or exploit any Trademark or Trademark registration of another person), including without limitation the agreements described in Schedule B-2 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark licensed and all royalties and other sums due or to become due under or in respect of the Grantor's Trademark Licenses, together with the right to sue for and collect all such royalties and other sums;

(v) **Copyrights.** Copyrights and Copyright registrations, whether now owned or hereafter acquired, or in which the Grantors now have or hereafter acquire any rights (the term "Copyrights" means and includes (A) all original works of authorship fixed in any tangible medium of expression, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, including, without limitation registrations, recordings and applications in the United States Copyright Office or in any similar office or agency of the United States of America, any state thereof or any other country or any political subdivision thereof and (B) all renewals thereof), including without limitation each Copyright registration listed on Schedule C-1 hereto;

(vi) **Copyright Licenses.** Copyright Licenses, whether now owned or hereafter acquired, or in which the Grantors now have or hereafter acquire any rights (the term "Copyright Licenses" means and includes any written agreement granting to any person any right to use or exploit any Copyright or Copyright registration of another person), including without limitation the agreements listed on Schedule C-2 hereto, and all royalties and other sums due or to become due under or in respect of the Grantors' Copyright Licenses, together with the right to sue for and collect all such royalties and other sums.

(vii) **Proceeds and Products.** All proceeds and products of the foregoing and all insurance of the foregoing and proceeds thereof, whether now existing or hereafter arising, including without limitation (A) any claim of the Grantors against third parties for damages by reason of past, present or future infringement of any Patent or any Patent licensed under any Patent License, (B) any claims by the Grantors against third parties for damages by reason of past, present or future infringement or dilution of any Trademark or of any Trademark licensed under any Trademark License, or for injury to the goodwill of the business connected with the use of, or symbolized by, any Trademark or of any Trademark licensed under any Trademark License, (C) any claim of the Grantors against third parties for damages by reason of past, present or future infringement of any Copyright or Copyright licensed under any Copyright License, and (D) any claim by the Grantors against third parties for damages by reason of past, present or future misappropriation or wrongful use or disclosure of any trade secret or other property or right described above or of any such trade secret or other property or right licensed under any license or agreement described above, and together with the right to sue for and collect the damages described in the immediately preceding clauses (A), (B) and (C).

2. Agent hereby reassigns, grants and conveys to Grantors, without any representation, recourse or undertaking by Agent, all of Agent's right, title and interest in and to the Patent, Trademark and Copyright Collateral.
