## TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Agreement"), entered into this 22 day of February 2012, by and between **Calypso Medical Technologies, Inc.** ("Assignor") a corporation organized and existing under the laws of the state of Delaware and having its principle address at 2101 Fourth Avenue, Suite 500, Seattle, Washington 98121 (United States) and **Varian Medical Systems, Inc.** ("Assignee") a corporation organized and existing under the laws of the State of Delaware and having its principle address at 3100 Hansen Way, Palo Alto CA 94304.

### WITNESSETH

**WHEREAS**, Assignor is the owner of the trademark registrations listed on Exhibit A attached hereto ("Trademarks"); and

**WHEREAS**, Assignor wishes to transfer and assign to Assignee all right, title, interest and goodwill in and pertaining to the Trademarks presently owned by Assignor.

### AGREEMENT

**NOW THEREFORE**, the parties hereto agree as follows:

1. **Transfer of Assigned Mark.** Assignor, on behalf of itself and its predecessors and successors in interest, hereby transfers and assigns to Assignee, and Assignee hereby accepts, all of Assignor's existing right, title and interest in and to the Trademarks, including, without limitation, the specific applications identified in Exhibit A attached hereto and all of Assignor's worldwide rights in and to the Trademarks including rights of registration, common law rights and rights relating to unfair trade practices, together with all of the goodwill associated therewith. The parties agree to execute any documents in any jurisdiction as may be required to accomplish the transfer and assignment of all right, title, interest and goodwill that Assignor has in the Trademarks to Assignee.

2. **Trademark Ownership; Prosecution of Infringements; Cooperation.** Assignor acknowledges that Assignee is the sole and exclusive owner of, and has the sole and exclusive right to use, register and enforce the Trademarks as currently used or intended to be used on the goods and services described in the registrations. Each party shall reasonably cooperate with the other party, as is reasonably necessary in any investigation, action or proceeding against a trademark infringement, opposition, cancellation or other action involving the Trademarks.

3. **Entirety of Agreement.** This Agreement and the documents to be executed pursuant thereto, together constitute the complete statement of all the arrangements among the parties with respect to their subject matter, and may not be amended, altered, modified or otherwise changed in any respect except in a writing signed by all parties. The parties acknowledge that they are acting on behalf of, and that this Agreement shall bind and benefit, the parties and their respective successors, assigns, parents, subsidiaries, affiliates and licensees throughout the world.

4. **Governing Law.** The validity, construction and performance of this Assignment shall be governed by and construed in accordance with the laws of the State of California, without reference to

any choice of law or conflicts of laws principles of such state; provided, however, that any aspects of this Assignment that are the subject matter of the United States Lanham Act shall be governed by the federal laws of the United States.

**IN WITNESS WHEREOF**, the parties hereto have executed this Agreement the day and year first above-written.
