TRADEMARK SECURITY AGREEMENT dated as of April 2, 2012 (this "Agreement"), among SHPS, Inc., a Florida corporation (the "Grantor"), and GENERAL ELECTRIC CAPITAL CORPORATION ("GE Capital"), as the Collateral Agent (in such capacity, the "Collateral Agent").

Reference is made to (a) the Credit Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among SHPS Holdings, Inc., a Delaware corporation ("Holdings"), SHPS, Inc., a Florida corporation (the "Borrower"), the lenders from time to time party thereto (the "Lenders"), GE Capital, as Administrative Agent and Collateral Agent (as both are defined in the Credit Agreement) and (b) the Guarantee and Collateral Agreement dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among Holdings, the Borrower, the other Loan Parties from time to time party thereto and the Collateral Agent. The Lenders have agreed to continue to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to continue to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Grantor is a subsidiary of the Borrower, will derive substantial benefits from the continuation of the extension of credit to the Borrower pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to continue to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, Grantor, pursuant to the Collateral Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith in the United States Patent and Trademark Office or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule I attached hereto (the "Trademarks") provided, however that no Lien on and security interest is granted on any "intent to use" Trademark applications for which a statement of use has not been filed and accepted by the United States Patent and Trademark Office; provided, further, that upon such filing and acceptance by the United States Patent and Trademark Office, such "intent to use" Trademark applications shall be included in the Trademark

Collateral and automatically subject to the Lien and security interest granted herein;

- (b) all goodwill associated with or symbolized by the Trademarks; and
- (c) all assets, rights and interests that uniquely reflect or embody such goodwill.

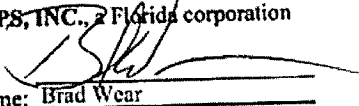

Notwithstanding the foregoing, the Trademark Collateral shall not include any assets and properties now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title or interest if the grant of a security interest in such assets or properties in the manner contemplated by this Agreement, under the terms thereof or under applicable law, is prohibited or would give any other party the right to terminate a license or other agreement relating to such assets or properties, provided that any such limitation on the security interest granted hereunder shall only apply to the extent that any such prohibition or termination right would not be rendered ineffective pursuant to the UCC or any other applicable law.

SECTION 3. Collateral Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The parties hereto hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer on this 2nd day of April, 2012.
